Student Rights and Responsibilities

I. Overview

In 1973, the College community—faculty, students, and administration—recommended to the Board of Visitors and the Board adopted the following Statement of Rights and Responsibilities. Amendments were made to the document in 1977 and 1991 and are included.

The unique nature of the College community suggests that its members be united in a common purpose. Because the work of each member of the institution contributes to the fulfillment of the educational mission of the College, the various constituent groups—students, faculty, and administrators—are dependent upon one another for the ultimate achievement of the College’s goals. Accordingly, all should enjoy the same fundamental rights and privileges and be willing to accept the same responsibilities, except in those rare cases where either the rights and privileges or the responsibilities would be in conflict with existing law or with the goals and purposes of the College as an institution of higher education.

Students, faculty, and administrators (hereinafter the “members of the College community”) shall enjoy all rights, privileges, and immunities guaranteed to every citizen of the United States and the Commonwealth of Virginia. In addition, the members of the College community shall enjoy all the fundamental rights recognized as essential to fulfillment of the special mission of an institution of higher education. The full enjoyment of these rights, however, cannot be achieved unless certain concurrent responsibilities are accepted. Members of the College community have an obligation, therefore, to fulfill the responsibilities incumbent on all citizens as well as the responsibilities inherent in their particular roles within the academic community.

The institution and those who administer its affairs have a special responsibility to ensure that, in pursuance of its functions, the rights of all members of the College community are preserved. The institution also has a right to expect, and a corresponding responsibility to ensure within the scope of its legitimate functions as an institution of higher education, that individual members of the College community fulfill their responsibilities to others as well as their responsibilities to the institution.

The Statement of Rights and Responsibilities is based upon the aforesaid principles and, when adopted, shall become the standard by which all rules, regulations, policies, and procedures of the College, except as otherwise prescribed by local, State, or Federal law, shall be measured. No rule, regulation, policy, or procedure which is incompatible with or which contradicts this document may be enacted; and any such rules, regulations, policies, or procedures which are in effect at the time of the enactment of this document shall be reviewed as soon as reasonably practicable to conform with this document, provided, however, that this Statement of Rights and Responsibilities shall not affect the powers of the Board of Visitors as provided by law.

II. Rights, Privileges and Immunities

The members of the College community, as individuals, shall enjoy all rights, privileges, and immunities guaranteed every citizen of the United States and the commonwealth of Virginia.

A. Basic Rights: Among the basic rights are freedom of expression and belief, freedom of association and peaceful assembly, and freedom from personal force and violence, threats of violence and personal abuse.

B. Right to Freedom from Discrimination: Each member of the College community has a right in his/her dealings with the institution, and with members of the College community in the performance of their official duties, to be free from discriminatory treatment with regard to race, creed, gender, religion, national origin, or political belief.

C. Rights to Organize: Each member of the College community has the right to organize his/her own personal life and behavior insofar as it does not violate local, State, or Federal law, College regulations, or agreements voluntarily entered into, and does not interfere with the rights of others. The following specific rights apply:

1. The right to associate with any legally established group or to create such groups, professional or other, as serve legitimate interests.

   a. The membership, policies, and actions of an organization shall be determined by vote of those who hold membership in that organization.
b. Affiliation with an extramural organization shall not disqualify an organization from institutional recognition.

c. An organization shall be officially recognized after its constitution and bylaws have been approved by the appropriate body as designated by the President, or his/her delegated representative, and when consistent with the Bylaws of the Board of Visitors. A current list of officers, but not a membership list, may be required as a condition of recognition.

d. Officially recognized organizations, including those affiliated with an extramural organization, shall be open to all on a non-discriminatory basis with regard to race, religion, creed, national origin, gender, or political belief, provided however that, to the extent permitted by law, membership in social organizations may be restricted to members of the same gender, and membership in organizations whose primary purpose is political or religious may be restricted to those members of the College community who have similar beliefs.

2. The right to hold public meetings, to invite speakers of his/her own choosing to campus, to post notices, to engage in peaceful, orderly demonstrations within reasonably and impartially applied rules designed by the President or his/her delegated representative, to reflect the educational purposes of the College, and to protect the safety of members of the College and community and others. The College may establish rules, therefore, regulating time, place, and manner of such activities and allocating the use of facilities, but these regulations shall not be used as a means of censorship. In the event that there is a clear and present danger, as reasonably determined by the appropriate college authority designated by the President, to the health or safety of the members of the College community or to the educational process, such meeting or demonstration may be prohibited. Sponsorship of guest speakers does not necessarily imply approval or endorsement of the views expressed either by the sponsoring group or the institution.

3. The right, when charged or convicted of violation of general law, to be free of College discipline for the same conduct, unless such discipline by the College community is determined to be for the protection of other members of the College community or the safeguarding of the educational process. Such determination shall be made by the appropriate College authority designated by the President.

D. Right to Fair and Equitable Adjudication Procedures: Each member of the College community has a right to fair and equitable procedures for the adjudication of charges of violations of nonacademic College regulations and the sanctions or penalties to be imposed, including, without limitation, the following specific rights:

1. **Right to Notice:** The right to have advance written notice of all institutional rules and regulations, including the ranges of penalties for violation of such rules and regulations.

2. **Right to Due Process:** The right, in the case of charges of infractions of regulations which may lead to serious penalties, to formal procedures with fundamental aspects of due process, including the right to be informed in writing of the charges and given a reasonable time to prepare a defense, to have written findings, and to appeal to higher authority. Minor infractions may be handled more informally by the appropriate individual or committee with the consent of the individual charged. In such instances, the right of appeal is still preserved.

3. **Right to be Present:** Right to be present on campus, participate in classes, and generally exercise all those rights and privileges associated with membership in the College community until found responsible for the charges, except in those instances when continued presence on the campus would constitute a threat to health or safety of the individual, other members of the community, or to the educational process. Such determination shall be made by the appropriate College authority as designated by the President.

E. **Right to Privacy:** Each member of the College community has a right to privacy in his/her dealings with the institution, including, without limitation:

1. **Search and Seizure:** The right to be free of searches and seizures except in accordance with law. Routine inspections, however, may be held periodically for the purpose of assuring fire protection, sanitation, safety and proper maintenance of the College’s buildings.

2. **Privacy of Records:** The right to expect that all records of his/her association with the institution are treated as confidential.
a. **Release of Information:** Except as provided below, the institution may not release information about any aspect of an individual’s association with the institution without the prior written consent of the individual concerned or under the compulsion of law. Within the institution, access to such records shall be restricted to authorized personnel for authorized reasons, as determined by the President or his/her delegated representative, and such others as are agreed to in writing by the individual concerned. To the extent permitted by law, the institution may disclose, to an alleged victim of any crime of violence (as that term is defined in section 16 of title 18, United States Code), the results of any disciplinary proceeding conducted by the College against the alleged perpetrator of such crime with respect to such crime. The College may also release information about students which is defined as directory information under the Family Rights and Privacy Act of 1974, as amended, and information about other members of the College community which is a matter of public record (for more information on FERPA, please refer to the Registrar’s web site at www.wm.edu/registrar).

b. **Inspection of Records:** Each member of the College community shall have the right to inspect the contents of his/her own records kept by the institution, other than information or records to which the member has specifically waived the right of access and letters of recommendation written by other members of the College community for the purpose of internal evaluation of a member for the award of a College honor, provided that such letters are not kept permanently by the institution and do not become a part of the official record, and may challenge any information included in the record which is believed to be inaccurate, inappropriate, or misleading. If an individual challenges any information contained in his/her records, the institution shall undertake to verify such information to the satisfaction of the individual concerned. Such decisions shall be made by the President or his/her designated representative. If the institution’s decision is not satisfactory to the individual, the member has the right to place in his/her record a statement challenging the information. Subsequent authorized disclosure of the contents of the record shall indicate such challenge.

c. **Political and Religious Beliefs:** Records of the political and religious activities or beliefs of members of the College community may not be maintained except for purposes of official recognition of campus organizations as provided in Article I.C.1.c.

d. **Separation of Academic Records:** To minimize the risk of improper disclosure from records, the academic record shall be maintained separately from other necessary student records. Transcripts of academic records shall contain only data essential for personal identification and information about academic performance and status. All withdrawals, whether voluntary or involuntary, may be recorded on the transcript.

Each member of the College community shall have the responsibility to respect the aforesaid rights of his/her associates and refrain from using the institution as a sanctuary from the general law.

III. **Rights and Responsibilities of Citizenship**

Each member of the College community enjoys all rights of citizenship and has a responsibility to fulfill the obligations incumbent on all citizens. Additionally, there are special rights and responsibilities inherent in membership in an academic society.

A. **Responsibility to Respect the Rights of Others:** Each member of the College community has a responsibility, based upon the special mission of an institution of higher education, to respect the rights of others to function in an atmosphere where freedom to teach, to learn, and to conduct research and publish findings is preserved and respected, an atmosphere which includes, without limitation, the following specific rights:

1. The right of the instructor to academic freedom and impartial consideration for tenure in accord with the principles set forth in the Statement of Academic Freedom and Tenure, adopted jointly in 1940 by the Association of American Colleges and the American Association of University Professors, and with the standards and procedures approved by the Board of Visitors and set forth in the Faculty Handbook.

2. The right of the instructor to determine the specific content of his/her course within established course definitions. Concurrently, the instructor has the responsibility not to depart significantly from his/her area of competence or to divert significant time to materials extraneous to the subject of the course.
3. The right of the student to be evaluated entirely on the basis of academic performance and to discuss freely, inquire, and express opinions inside the classroom. The student has a responsibility to maintain standards of academic performance as set by his/her professors, provided, however, that the student shall have means for redress against arbitrary, unreasonable, or prejudicial standards of evaluation.

4. The right to pursue normal academic and administrative activities, including the freedom of movement in the performance of such activities.

5. The right to privacy in offices, laboratories, and residence hall rooms and in the keeping of personal papers and effects.

6. The right to hear and study unpopular and controversial views on intellectual and public issues.

7. The right of the student to expect that information about his/her views, beliefs and political associations which an instructor acquires in the course of his/her work as a teacher, advisor or counselor of the student be held in confidence to the extent permitted by law.

B. Rights and Responsibilities of Student Publications: Because student publications are a valuable aid in establishing and maintaining an atmosphere of free and responsible discussion and intellectual exploration on the campus, it is essential that they enjoy the following rights and responsibilities:

1. The right to be free from prior censorship or advance approval of copy.

2. The right to develop editorial policies and news coverage.

3. The right to be protected from arbitrary punishment or suspension, or removal from his/her position because of student, faculty, administrative, or public disapproval of editorial policy or content. Only for proper and stated causes, as defined by the Publications Council of the College, shall editors and managers be subject to such punishment, suspension, or removal. The academic status of a student editor or manager shall not be affected, provided, however, that he/she shall remain subject to the provisions of Article I, Sections C.3 and D.3.

4. The responsibility to make clear in writings or broadcasts that editorial opinions are not necessarily those of the institution or its members.

C. The Responsibility to Maintain High Standards: Members of the College community have a responsibility to maintain the highest standards in the performance of their duties and to respect the aforesaid rights of their associates.

IV. Responsibility of College to Preserve Rights

The College, through those who administer its affairs, has a special responsibility to ensure that, in pursuance of its functions, the rights of all members of the College community are preserved, including, without limitation, the rights of such persons heretofore specifically enumerated.

The College has a right to expect, and a responsibility to ensure, within the scope of its legitimate functions as an institution of higher education, that all members of the College community fulfill their responsibilities to others as well as their responsibilities to the College.

A. Academic Performance and Personal Conduct: The College has the right and responsibility to set and enforce reasonable standards of academic performance and personal conduct, in order to facilitate and safeguard the educational process, and to provide for the safety of the person and property of members of the College community, the College’s physical property, and the person and property of others, to the extent that they are affected by College-sponsored activities or are engaged in legitimate activities on College property.

B. Validity of Charges: The College has the right and responsibility to provide procedures for determining the validity of charges that a member of the College community is negligent or irresponsible in the performance of his/her duties.

C. Opportunity to be Heard: The College has the responsibility to ensure that the members of the College community have an opportunity to be heard at appropriate levels of the decision-making process about basic policy matters of direct concern. Clearly defined means should be available to ensure this opportunity.

D. Leadership and Administrative Procedures: The College has the responsibility to provide and maintain leadership and administrative procedures responsive to the needs and desires of the
College community, consistent with high standards of academic excellence, and to the changing goals and responsibilities of institutions of higher education, including the responsibility:

1. To make, from time to time, a clear statement of its purpose and goals.
2. To disseminate information relating to the activities of the College, financial or otherwise, subject to the provisions of the Virginia Freedom of Information Act.
3. To state the reasons for institutional decisions affecting the College community or individual members thereof, except as required by the provisions of Article I, Section E.2a., or by the advice of legal counsel in instances involving possible litigation.

E. Integrity and Prevention of Exploitation: The College has the right and responsibility to protect its integrity and to prevent its political or financial exploitation by an individual or group by means including, but not limited to, the following:

1. The College has a right to prohibit individuals and groups who are not members of the College community from using its name, its finances, or its physical facilities.
2. The College has a right to prohibit members of the College community from using its name, its finances, or its physical facilities for activities not principally for the benefit of the College.
3. The College has the responsibility to provide for members of the College community the use of meeting rooms, including use for political purposes, provided that such use is not undertaken on a regular basis and used as free headquarters for political campaigns, and the right to prohibit use of its name, its finances, or its office equipment for any political or other purpose.

V. Adoption, Amendment, and Interpretation of this Document

This document shall be adopted and may be amended when:

A. Accepted by a majority vote of those students who vote in a referendum.
B. Accepted by a majority vote of the combined faculties of the College who vote in a referendum.
C. Accepted by a majority vote of the administration of the College who vote in a referendum.
D. Approved by the President of the College and the Board of Visitors. Nothing in this document shall affect the powers of the Board of Visitors as provided by law.

Interpretation Procedure

On September 24, 1974, President Graves issued a clarifying statement concerning the interpreting mechanism for the Statement of Rights and Responsibilities, and his memorandum of that date is an addendum to that Statement:

“The President of the College, by virtue of his responsibility to implement and administer the policies established by the Board of Visitors, is responsible for implementing the Statement of Rights and Responsibilities.

The normal tasks of implementation are the responsibility of various offices of the College ‘who administer its affairs.’ These offices, whose policies and practices have been brought into conformance with the Statement, ‘have a special responsibility to ensure that . . . the rights of all members of the College community are preserved.’

There are, however, instances in which the Statement must undergo occasional interpretation in the process of its continuing implementation as a document.

In the Statement of Rights and Responsibilities, it is the responsibility of the President or an ‘appropriate College authority designated by him’ to determine when an exception to a specific section of the Statement should be made. The Statement also provides that members of the College community ‘should enjoy the same fundamental rights and privileges...except in those rare cases where . . . the rights or privileges...would be in conflict...with the goals and purposes of the College as an institution of higher education.’

Although the Statement does not indicate who, other than the President, the arbitrating authority should be for exceptions, or who should interpret the Statement when there is a difference of opinion among members of the College community or between individuals and the institution, the clear implication in both cases is that it should be the President or ‘an appropriate College authority designated by him.’
Therefore, I believe that it is desirable for us to proceed ahead along the lines suggested above. If and when relevant questions or issues are raised in connection with the Statement of Rights and Responsibilities, such questions or issues should be brought to the attention of the President’s Office as they occur. I shall take responsibility, depending on the nature and substance of a case, for determining whether I or another administrative officer, whom I would designate, should handle the case. Whoever is given that authority shall take responsibility for consulting with those whom he believes appropriate, depending on the circumstances, before reaching a decision.”

On May 2, 1990, Dr. Paul R. Verkuil, President of the College, issued the following interpretation of the Statement of Rights and Responsibilities:

The Statement of Rights and Responsibilities guarantees to members of the university community the “right in his or her dealing with the institution and with members of the College community in the performance of their official duties to nondiscriminatory treatment.” It further states that “each member of the College community has the right to organize his or her own personal life and behavior insofar as it does not violate local, state, or federal law, College regulations or agreement voluntarily entered into and does not interfere with the rights of others.” It is my determination that these words express a right to privacy which extends not only to nondiscriminatory treatment in areas specified by federal law but to nondiscrimination based on sexual orientation as well. The student code of conduct already ensures nondiscriminatory treatment without regard to sexual orientation. In accordance with the resolution of the Faculty Assembly, I am directing that official publications of the university include specific reference to this topic in any enumeration of William and Mary’s nondiscrimination policies. It is also my interpretation that faculty, staff and administration should be extended the same assurances against discrimination based upon sexual orientation as the student body itself. This interpretation will be made a part of the Statement of Rights and Responsibilities.

On May 1, 1996, Dr. Timothy Sullivan, President of the College, issued the following clarification of the Statement of Rights and Responsibilities:

Under the Sections I.A. and I.B., each member of the College community has the right to be free from all forms of discriminatory treatment as guaranteed by law. Accordingly, the enumeration of specifically protected treatment should be understood to include disability, Vietnam veteran status, and all other categories ensured by the Commonwealth and by federal law. For faculty, failure to comply with federal and state non-discrimination laws and policies shall be handled in accordance with provisions in the Faculty Handbook, including the procedural guarantees therein outlined. Students alleging failure to comply with federal and state non-discrimination laws and policies shall contact the Dean of Students or the Vice-President for Student Affairs.
Student Life Policies

Authorities and Agencies

The following policies and regulations apply to students and their relationship to the College; the use or management of resources; and rights and expectations of students. Some of the policies listed below require action by the student, and failure to comply with the responsibilities outlined in these policies may result in disciplinary action under the Student Code, specifically “Failure to Comply with Directions” (Section III.C.3.).

General Policies

Official Communications

Students are responsible for maintaining and updating current local, campus, and permanent addresses with the Registrar and, in the case of undergraduates, for regularly checking their college station unit box for mail. Students must maintain a current local address and phone number with the College. Mail sent to a student’s address in the Registrar’s records or to a campus box will constitute proper notification for the purposes of the Handbook. Students are expected to maintain and regularly check their IT accounts, including e-mail, Banner and Blackboard. Periodically, the College will require students to verify the address and phone number on file. Failure to provide or verify an updated address and phone number may result in restriction of the student’s access to myWM and its services and/or restriction of registration and transcript release.

Discrimination and Harassment

College policy prohibits discrimination, including discriminatory harassment, based on race, sex/gender, religion, national origin, sexual orientation, political belief, disability, Vietnam veteran status, age, and all other categories protected by the Commonwealth of Virginia or by federal law. This policy applies to students, faculty and staff. Information for students about discrimination is available through the Office of Compliance & Policy.

The following individuals also are available to receive complaints or to provide information regarding discrimination:

Inspection and Search of Buildings, Student Living Quarters, Offices, Lockers or Other Facilities

The College may conduct routine inspections for the purpose of assuring fire protection, sanitation, safety, or proper maintenance of the College’s buildings and other facilities. Except in the case of emergencies, the College will announce inspections at least 48 hours in advance, and a College staff member must accompany the inspector. The student’s absence will not prevent the inspections. When any occupant of a room has requested repairs, authorized maintenance personnel may enter in the student’s absence for the purpose of making the requested repairs.

With the exceptions noted above, no student’s room, office, lockers, or private possessions on campus will be searched by College administrators unless there is reasonable cause to believe that a student is violating or using his/her facilities in violation of College regulations and a certificate
authorizing the search has been issued by the Vice President for Student Affairs (or designee). The certificate must state the source of the information, the suspected violation, the location of the search, the materials to be seized or information sought, and the name of the person authorized to conduct the search. Nothing in this regulation prohibits the Campus Police from securing a search warrant and executing it in or around College facilities.

**Missing Person Inquiry and Confidential Contact Information**

The College has established a procedure to investigate when a student is reported missing. Each student has the option to designate a confidential contact by submitting a form (www.wm.edu/offices/deanofstudents/documents/mycontactform.pdf) to the Dean of Students. The College will contact the designated person within 24 hours of the time that a student is considered missing. Law enforcement officials (including campus police) will be notified of a student’s absence no later than 24 hours after the student has been deemed missing and will follow their own investigation procedures. For students who are minors (under 18 and not emancipated), the College is obligated to notify parent(s) or guardian(s) within 24 hours of receiving a report that the student is missing.

**Required Disclosure of Arrests**

School campuses are not immune from the dangers faced elsewhere in society. It has become increasingly important that schools take reasonable steps to help protect the safety of the members of their communities. One such step now being taken by many colleges and universities is a requirement that their students promptly report any arrests involving them. At William & Mary students must report within three days any criminal process that has begun for them (whether by means of detention, court summons, citation, or other similar process) no matter where the incident occurs. This requirement applies to any criminal process resulting from:

1. Felony charges of any nature
2. Charges for offenses involving violence or the threat of violence or serious harm to other people. Examples include, but are not limited to:
   a. assault/battery
   b. sexual assault/battery
   c. stalking
   d. resisting arrest
   e. driving while intoxicated or under the influence of drugs
   f. reckless driving resulting in injury.

If unsure whether a particular arrest is covered under this policy, disclose. While failure to report a criminal process covered by this policy will not result in honor proceedings, it can result in charges under the Student Code of Conduct.

Disclosures can be made by filling out the appropriate form in the Office of Student Conduct, 107 Campus Center, or by reporting the incident via web form (https://forms.wm.edu/4823).

For more information about this policy, see the Disclosure of Arrests Frequently Asked Questions (FAQ) page on the Dean of Students’ website.

**Health Policies**

**Health History and Immunization Record**

Virginia State law requires all full-time students enrolling for the first time in a four-year public institution to provide a health history and an official immunization record. The College further requires all full-time students (including previously matriculated students) and any other student eligible for services, as determined by their department, to provide documentation of meeting the immunization requirements and a physician-documented medical history performed within the twelve months preceding his/her initial enrollment. The Health Center will not accept the form if the physician completing and signing the form is a family member. Previously enrolled students entering a new program as full-time students after an absence from campus of greater than three years must submit a new history and physician documented medical history. If the absence is greater than 10 years, then the immunization requirements will need to be revalidated. This information must be submitted on the College’s Health Evaluation Form. Students who do not fully comply with these requirements may be referred to the Dean of Students for disciplinary
action, have a hold placed preventing them from registering for classes or receiving a transcript, denied non-urgent medical care at the Student Health Center, evicted from residence halls and/or be removed from campus (depending on the nature of the medical issue).

Insurance Requirement
The College requires all full-time undergraduate, graduate and professional students admitted Fall 2006 or after, and all F-1 & J-1 international students to have adequate health insurance coverage throughout the school year as a condition of enrollment. These students will be enrolled in the college-endorsed Student Health Insurance Plan, and the cost will be billed to their student accounts in two installments (fall and spring semester) UNLESS the student furnishes proof of other adequate health insurance coverage. Students who already have health insurance for the entire academic year must submit a waiver request by the posted deadline each academic year, and the waiver must be approved to avoid being enrolled in the Student Health Insurance Plan. All other full-time undergraduate and graduate students admitted prior to fall 2006 are not required by the College to have health insurance coverage, but they are eligible to enroll in the college-endorsed Student Health Insurance Plan on a voluntary basis.

It is the student’s responsibility to verify whether the charge has been billed to his or her student account. If there is a billing error, the student should contact the Student Insurance Coordinator immediately.

To access the waiver or enrollment request forms and for more information about the insurance requirement or the college-endorsed insurance plan, please visit www.wm.edu/health/insurance.

Reportable Diseases
In the event a student is diagnosed as having a transmittable disease which must be reported to the State Department of Health, the College reserves the right to determine, on a case-by-case basis, whether it should establish conditions to limit or prohibit the student’s continued participation in the College community in the interest of public health and/or the health of the student. The Director of the Student Health Service is empowered to make this decision with consultation as appropriate. Specific conditions may include, but will not be limited to, periodic medical/counseling procedures, confinement to the Student Health Center, reassignment or removal from the residence halls, and/or a medical withdrawal from the College. If, in the opinion of the Director, the student’s situation requires the immediate exclusion from the residence halls or the campus, the College will consider such action temporary until the student has an opportunity to receive a full review of the matter by the Director of the Student Health Service. For a list of reportable diseases to which this policy may apply, see the Virginia Department of Health web site at www.vdh.state.va.us.

Medical and Emotional Emergencies
The College has a medical/emotional emergency procedure to maintain the safety of individual students, as well as the community. The medical/emotional emergency procedure will be used if a student attempts suicide, makes a threat or gesture of suicide, harms or attempts to harm him or herself or others, or undergoes severe emotional or psychological distress. Anyone with knowledge of such circumstances should contact the Dean of Students, 221-2510; Residence Life Staff, 221-4314; or Campus Police, 221-4596 to alert the counselor on call.

When the College medical/emotional emergency procedures are initiated, a student may not attend classes or college activities or return to a residence hall until he or she has been given clearance to do so by the Dean of Students or her/his designee. Clearance will require the student to demonstrate he or she is no longer in crisis and has taken steps sufficient to address the underlying emotional and/or psychological issues which led to crisis to allow him or her to function in the college environment. Parental notification and involvement is necessary in order to ensure the safety of students, and to comply with state law; only the Dean of Students or the Vice President for Student Affairs may decide not to involve parents/guardians. The medical/emotional emergency procedure is implemented with sensitivity to students’ privacy and academic success. Taking time away from the College to address urgent medical and emotional issues in compliance with this policy does not necessitate negative academic consequences. The Dean of Students office will take measures necessary to allow students to return to school with the same academic standing once health is restored. Students are responsible for the costs of their medical care.

Failure to comply with the provisions of the College medical/emotional emergency procedure may result in disciplinary action through the Code of Conduct. A complete summary of the Medical and Emotional Emergency Protocol may be obtained from the Office of the Dean of Students.
Intellectual Property Policies

Student Intellectual Property Rights

The Commonwealth of Virginia requires that all State colleges and university have patent and copyright policies. The College’s Intellectual Property Rights Policy defines the ownership of patents and copyrights, collectively “intellectual property,” created by State university employees and students.

Students can act in two capacities: as students or as employees. When acting as employees, students can be either agents of the College or an individual College employee (their “principal”). Under certain circumstances, when not acting as an employee, students may own the IP rights to their contributions to works and inventions. When they act as agents, ownership of their works and inventions is determined in accordance with rules of the policy that would apply if their principal had created the works and inventions.

Students who believe the College may own Intellectual Property should consult the College policy described above and additional information available from the Office of Technology Transfer, (757) 221-1751.

Intellectual Property Rights of Others

The College does not permit the recording, dissemination, or publication of academic presentations (including handwritten notes) for a commercial purpose without advance authorization of the course instructor.

The posting of lecture notes on for-profit websites is prohibited.

Technology Policies

Email Accounts

Upon acceptance of admission, the College provides students with an email account and services hosted by Google. All policies regarding appropriate use of email accounts and on campus computer resources apply to these Google services. In addition, Google maintains strict privacy policies and will require students to accept its privacy policy the first time they log into their email account (WMapps).

Social Networking Website Policy

Social networking websites such as Facebook and Twitter are considered part of the public domain, and the College encourages students to use them wisely with full knowledge that anything they post may be viewed by the public. The College does not generally monitor these sites; however, the College may consider and investigate any alleged violation of College policy brought to its attention by any person.

For more information regarding expectations of use of the College’s computing equipment and resources, see the College’s Acceptable Use Policies (www.wm.edu/offices/it/services/accounts/acceptableuse/acceptableusestudents).

Motor Vehicles

Possession and Use of Motorized Vehicles

Students may not have motor vehicles on campus unless they are eligible to register them as follows:

1. The student does not reside in College-administered housing, OR
2. The student has completed 54 semester hours and has completed at least four regular (fall and spring) semesters, OR
3. The student is a classified or hourly employee of the College, is registered for fewer than five credit hours, and is paid from the Student Work Budget, OR
4. The student, although otherwise ineligible, has obtained special permission (designated as “restricted permission”) through the Parking Appeals Committee. Forms are available at Parking Services. Students with disabilities also may obtain the forms in the Office of the Dean of Students. The College may grant permission upon demonstration that a vehicle is indispensable for employment and for continuance at the College, is necessary to reasonably accommodate a disability, or for other essential College-related needs.
Students who bring a motor vehicle to campus without prior permission in anticipation of receiving that permission, are in violation of this regulation.

Students who would be eligible for a motor vehicle under this regulation may not register a motor vehicle for another student who would not be eligible.

The sanction for a first violation of the motor vehicle regulation range from warning to suspension for one semester and, for a subsequent violation, shall range from warning to dismissal.

Students are required to register all eligible motor vehicles operated on the campus, including motorcycles, motor scooters, and mopeds by the third day of classes.

The Parking Advisory Committee recommends and reviews regulations governing registration of vehicles as well as parking and traffic on the College campus. College motor vehicle regulations, procedures, and penalties are set forth on the Parking Services website. The operation of a motor vehicle on the College campus constitutes implied consent for College parking and traffic violations to be handled through informal disciplinary procedures with final written appeals to the Parking Appeals Committee.

For more detailed information, visit the Parking Services website, www.wm.edu/parking.

Use of Campus Facilities

Access to College facilities and use of campus grounds for non-academic purposes is governed by the Use of Campus Facilities Policy. This policy includes:

1. requirements for scheduling of meetings, demonstrations, rallies, and other organized activities
2. types of unscheduled activities in which students can engage and where these activities may be conducted
3. limitations on commercial activities and solicitation
4. College facilities strictly reserved for administrative and academic uses.

Posters, Banners, Signs, and Decorations

1. Recognized student organizations, departments and offices of the College, and members of the College community may place posters on kiosks, bulletin boards and other areas designated by the Office of Student Activities. (“Posters” means signs, advertisements, handbills, announcements, and other flat or one-dimensional information devices.)
2. Posters may be placed on campus bulletin boards provided that:
   a. They may not exceed 14 inches by 22 inches in size.
   b. They must indicate the date (week) of posting. Posters must be removed at the end of two weeks unless an extension is granted.
   c. No advertisement offering paid-for research may be posted on campus. Banners or posters not satisfying these requirements are subject to removal.
3. Banners and signs in excess of 14 inches by 22 inches in size must be approved for size and form by the Executive Director of Student Activities and Unions prior to hanging and may be hung only in certain designated areas with the following provisions:
   a. Banners may be posted for no longer than two weeks unless an extension has been granted by the Executive Director of Student Activities and Unions.
   b. Signs and banners hung near entryways must not obscure vision or entry and should be securely fastened. Signs must be constructed of material that can withstand adverse weather conditions.
4. Banners or posters may not be posted or hung on trees, poles, walls, doors, windows, or fences without special permission.
5. Chalking of buildings and sidewalks is not permitted on College property.

Student organizations may not reserve rooms or outside spaces after the last day of classes unless the Executive Director of Student Activities and Unions grants special permission. Such requests must be in writing.
Student Code of Conduct

Introduction

The College community shares a commitment to achieving its educational purposes. While the Board of Visitors, the President, and administrative officers bear ultimate responsibility and authority, students share a responsibility to help maintain on the campus, in the classrooms, and in the residence halls, the environment necessary for the pursuit of scholarly activities, respect for the rights of others, and the opportunity for personal growth and development.

The College considers the observance of public laws of equal importance to the observance of its own regulations. In addition to laws governing the conduct of all citizens, the Code of Virginia contains specific provisions relating to colleges and universities, including those that prohibit hazing; malicious burning or destruction by explosives of any College building or any other malicious destruction of College property; threats to bomb, burn, or destroy any school building; and bribery of any amateur sport participant.

Authority of the President

The Board of Visitors has vested the authority for discipline in the President. The President has empowered members of the Student Affairs Division, the Student Conduct Council, the Honor Councils, the Appeals Committee, and the Provost or designee to adjudicate charges of alleged misconduct by students and to levy fair sanctions as provided in these procedures. At all times the President reserves the right to designate other persons or to appoint special committees as necessary to aid in the student discipline function. While there is no right of appeal to the President, the President may review any decision made and take such action he or she determines to be in the best interest of the institution.

Jurisdiction

The College expects its students and student organizations to maintain a high standard of conduct both on and off campus. The Student Code of Conduct applies to conduct that occurs on College property, at College-sponsored activities, and to off-campus conduct when the conduct adversely affects the College community and the pursuit of its objectives. The Dean of Students or designee will decide whether the Code of Conduct will be applied to conduct occurring off campus, on a case by case basis, in his/her sole discretion.

Section I. Definitions

A. The terms “Student Code of Conduct” and “Student Code” are used interchangeably.
B. “College” means the College of William and Mary.
C. “Student” includes all persons taking courses at the College, either full-time or part-time, pursuing undergraduate, graduate, or professional studies and non-degree seeking students. Persons who withdraw after allegedly violating the Student Code, who are not officially enrolled for a particular term but who have a continuing relationship with the College, or who have applied for admission to the College are considered “students” as are persons who are living in College residence halls, although not enrolled in this institution. This Student Code applies at all locations of the College, including the College’s official study abroad locations.
D. “Faculty member” means any person hired by the College to conduct classroom or teaching activities or who is otherwise considered by the College to be a member of its faculty.
E. “Academic unit” means the school in which an undergraduate, graduate, or professional student is engaged in study.
F. “College official” includes any person employed by the College performing assigned administrative or professional responsibilities.
G. “Member of the College community” includes any person who is a student, faculty member, administrator, or any other person employed by the College. The Dean of Students or designee will determine a person’s status in any particular situation.
H. “College property” includes all land, buildings, facilities, and other property in the possession of
or owned, used, or controlled by the College (including adjacent streets and sidewalks).

I. “Organization” means any number of persons who have complied with the formal requirements for College recognition.

J. “Case Administrator” means a College official authorized on a case-by-case basis by the Director of Student Conduct or designee to impose sanctions upon any student(s) found to have violated the Student Code.

K. “Student Conduct Board/Panel” means any person or persons authorized by the Vice President for Student Affairs to determine whether a student has violated the Student Code and to impose sanctions when a violation has been determined.

L. “Appeals Committee/Officer” means any person or persons authorized by the Vice President for Student Affairs or the President to consider an appeal regarding whether a student has violated the Student Code or of the sanctions imposed by the appropriate Case Administrator or Committee.

M. “Will” and “Shall” are used in the imperative sense.

N. “May” is used in the permissive sense.

O. An “attempt” is any act beyond mere preparation carried out with the intent to engage in conduct that violates College policies. Attempted violations may be sanctioned in the same manner as completed violations.

P. “A preponderance of the evidence” exists when a reasonable person, after a careful balancing of available information, would conclude a violation has occurred and the student/organization charged is responsible for the violation.

Q. The Vice President for Student Affairs is that person designated by the President to be responsible for the administration of the Student Code. The Vice President for Student Affairs in turn delegates some functions to the Dean of Students and Director of Student Conduct.

R. “Policy” means any written regulations of the College as found in, but not limited to, the Student Handbook, Residence Life Housing Agreement, the College web page and computer use policy, and Graduate, Undergraduate, or Professional School Catalogs.

S. “Reporting Party” means any person who submits a charge alleging that a student violated this Student Code. When a student believes that s/he has been a victim of another student’s misconduct, the student who believes s/he has been a victim will have the same rights under this Student Code as are provided to the Reporting Party, even if another member of the College community submitted the report itself.

T. “Charged Party” means any student or student organization alleged to have violated this Student Code.

U. “Working days” means any day that the College is open for business exclusive of weekends or official holidays.

Section II. Student Code Authority

B. The Dean of Students or designee will determine the composition of Student Conduct Boards and which Student Conduct Board will be authorized to hear each matter.

C. The Vice President for Student Affairs or designee will determine the composition of the Appeals Committee and which committee will be authorized to hear each matter.

Section III. Student Code of Conduct

The student conduct system at the College exists to provide a living and learning environment which reflects the values of the institution. Through it, the College seeks to guide students toward the development of personal responsibility, respect for others, and mature behavior. While the College’s conduct system may have some similarities with the legal system established in the broader community, it is essentially educational and administrative in nature and is not governed by narrow legalisms or the restrictions found in criminal or civil proceedings.
Any student found to have committed or to have attempted to commit the following misconduct is subject to the disciplinary sanctions outlined in Section VII. (The examples of offending misconduct contained in the footnotes are illustrative, not exhaustive.)

A. Conduct Affecting Persons

1. Causing physical harm, threatening harm to any person, or behaving in a manner that a reasonable person would find alarming or intimidating. Negligent conduct that results in injury to others violates the Student Code.

2. Behaving in a manner that endangers the health or safety of another person or in a manner that a reasonable person would consider indecent or disorderly.

3. Engaging in conduct that infringes on the rights of others.1

4. Violating the College’s Sexual Misconduct Policy (see Appendix I).2

5. Engaging in Harassment or Sexual Harassment (see Appendix I).2

6. Hazing including acts which endanger the mental or physical health or safety of a student, or which destroys or removes public or private property, for the purpose of initiation, admission into, affiliation with or as a condition for continued membership in, a group or organization. Apathy or acquiescence in the presence of hazing are not considered neutral acts; they are violations of this rule. The express or implied consent of the victim, tradition, and intent of such acts are not valid defenses.

7. Disrupting or obstructing the normal living and work environments of other members of the College community or the functions or activities of the College (as well as activities conducted on the College’s property with its permission).3

8. Using electronic or other devices to make an audio or video recording of the private activities of any person while on College property without his/her prior knowledge or without his/her effective consent.

9. Violating the College’s Firearms, Combustibles, Weapons and Explosives Policy (see Appendix II).

B. Conduct Affecting Property

1. Damaging Property of the College and/or members of the College community or other personal or public property, on or off campus.

2. Possessing property of another person, the College, or another entity without proper authorization.4

3. Violating the College’s Fires/Emergency Equipment policies.5

4. For reasons of safety and security, all roofs, balconies, porches, window ledges, mechanical equipment areas, and steam tunnels of College buildings are closed to all but authorized employees.

C. Conduct Affecting the College Community

1. Breaching Campus Safety or Security including unauthorized access to College facilities, intentionally damaging door locks, and unauthorized possession or use of College keys or access cards.

1. Examples include: exposing one’s own genitals, buttocks, or breasts in a public place (unless specifically authorized for activities such as theater productions or class); and entering a student’s residence room without explicit or implicit permission.

2. Harassment includes conduct sufficiently severe, persistent or pervasive as to threaten an individual or limit the ability of an individual to work, study, or participate in the activities of the College. Prohibited conduct also includes, but is not limited to stalking (repeated conduct directed toward another person including following that person or engaging in acts that harass); making unwanted obscene, abusive or repetitive telephone calls, electronic mail, instant messages, or similar communications with intent to harass.

3. Examples include: blocking entrances, corridors or exits; interfering with ongoing educational activities cultural events, or recreational, extracurricular or athletic programs; unauthorized presence in a building after normal closing hours or after notice the building is being closed; interfering with vehicular or pedestrian traffic; and interfering with any other effort to protect the health and safety of members of the College community or larger public.

4. Stealing is a violation of the Honor Code, and reports alleging stealing will be referred to the appropriate Honor Council.

5. Including intentionally initiating or causing to be initiated any false report, warning or threat of fire, explosion or other emergency; tampering with fire safety or emergency equipment; intentionally, carelessly or recklessly causing a fire to be ignited; intentionally interfering with or failing to follow emergency procedures; or entering or failing to evacuate a building when a fire drill is conducted or when an alarm is sounded.

Fires may not be started in campus buildings or elsewhere, including the College’s woods, unless approved by the College’s Fire Safety Officer. This prohibition includes the burning of personal or organizational property. The Fire Safety Officer may approve fires in fire places in residence halls.
2. Violating the College’s Computing Resources policies (www.wm.edu/offices/it/services/accounts/acceptableuse/acceptableusestudents).

3. Failing to comply with the directions of College officials or law enforcement officers acting in performance of their duties; failure to identify oneself to these persons when requested to do so; and/or failing to comply with a sanction issued by an appropriate Case Administrator or panel hearing board.

4. Violating any College policy, rule, or regulation published in hard copy or available electronically on the College website or disseminated via official means of communication (e.g., email or letter) including the terms of the Housing Agreement (www.wm.edu/offices/residencelife/contract).

5. Failing to Disclose or Update Records of Convictions or Disciplinary Actions on Application. Students who do not comply with the College’s requirement to disclose records of criminal conviction or disciplinary action taken by the student’s school, either before or after applying but before matriculation, will be considered in violation of this section. Failure to disclose will be considered a serious violation and may include suspension or dismissal from the College.

6. Abusing the student conduct system.

7. Knowingly abusing a position of trust or responsibility with the College.

8. Hosting guests who violate College Policy. All guests are expected to abide by College regulations. Students are responsible for the behavior of their guests and may be sanctioned for violations committed by their guests.

D. Alcoholic Beverages and Drugs

1. Violating the Alcoholic Beverage Policy. Use, underage possession, or distribution of alcoholic beverages (except as expressly permitted by College regulations), public intoxication, or driving under the influence of alcohol (see Appendix III).

2. Violating the Drug Policy. Use, possession, manufacturing, or distribution of drugs and/or drug paraphernalia. For the purpose of these regulations, drugs include any controlled substance, including marijuana, cocaine, amphetamines, ecstasy, LSD compounds, mescaline, psilocybin (psychedelic mushrooms), DMT, narcotics, opiates, and other hallucinogens, except when taken under and pursuant to a physician’s prescription in accordance with law.

E. Violations of Local, State, or Federal Law

1. Conduct leading to arrest, indictment, or conviction for violation of local, state, or federal law may result in disciplinary action by the College if the Dean of Students or designee, determines that such action is necessary for the protection of other members of the College community, for the safeguarding of the educational community, to prevent the disruption of any lawful activity carried on by the College or others on behalf of the College, or activities on College property. The College reserves the right and responsibility to initiate its own disciplinary proceedings without awaiting court action or the conclusion thereof.

6. Such a request must be made by one who identifies him/herself and acts in the reasonable and good faith belief that compliance with the request is necessary for the safety and welfare of the person or persons or others, to prevent the disruption of any lawful activity carried on by the College, to maintain College or personal property, to maintain vehicular traffic, or to perform the official’s duties.

7. The Dean of Students Office may issue a hold on the student’s record pending completion of any outstanding sanction.

8. Including refusing to appear, testify, or remain present during an official College hearing or meeting with any person connected with the disciplinary or honor processes; distortion or misrepresentation of information before a committee, administrator, or the Honor Council; contacting witnesses or any other party to an incident to intimidate them or to get them to change their testimony; or institution of a Student Conduct or Honor proceeding in bad faith.

9. Students holding positions of trust or responsibility include student workers (paid or unpaid), student leaders, Resident Advisors, Student Conduct Council and Honor Council members, and Orientation Aides. Students in these positions have a special relationship with the College and are expected to respect the privacy of other students and members of the College community, including by maintaining confidentiality of student records, abiding by College policies, and using resources in an ethical fashion.

10. In situations where a student is seeking medical attention for him or herself or others, the Medical Amnesty policy will apply with respect to charges of violating the Alcoholic Beverages and Drugs policies. See Appendix V.

11. The sanctions for manufacturing or providing drugs range from suspension to dismissal from the College. The sanctions for possession or use of drugs range from probation to dismissal from the College. Loss of housing is a typical sanction for drug use in College residences. For freshmen students, removal from residence may require disenrollment, as freshmen are not permitted to live off campus unless they receive an exception from the Dean of Students. See Appendix VI.
Administration of the Student Code

Section IV. General Principles

A. Hearing Authorities

1. **Objectivity of hearing authorities.** Administrative officers, panel or board members will disqualify themselves when unable to function fairly and objectively. A charged party or a reporting party also may submit a timely request in writing requesting the Dean of Students to disqualify an administrator or panel or board member for bias. The Dean’s decision will be final. If a student challenges the objectivity of a panel member during the hearing, the chair of the panel or board whose member is challenged will decide such challenges unless the member challenged is the chair. In such instances, the decision on disqualification will be decided by majority vote of the panel or board.

2. **Confidentiality and closed and open hearings.** Conduct proceedings will be conducted in private; however, an open hearing may be held upon the request of the charged party at least two working days in advance, when approved by the Dean of Students, and when all parties sign a privacy waiver.12 The Chair may close the hearing if the presence of others interferes with the orderly conduct of the hearing. In cases involving an alleged crime of violence, the reporting party is not required to keep confidential the name of the charged party, the charge or the outcome of the conduct proceeding.13 When such proceedings are closed, the reporting party will not reveal the names of the witnesses or panel members involved.

B. Combined or Multiple Violations

1. **Combined or “joint” hearings.** In cases where more than one student is charged with misconduct for the same incident, the College may hold a single hearing on the matter, but findings must be determined for each individual student charged in the incident.

2. **Multiple charges and same conduct.** A student should not be charged with two offenses for the same conduct unless the conduct violates two clearly distinguishable provisions in the Student Code.

3. **Multiple charges and single hearing.** The College may adjudicate multiple charges at one time if they stem from the same incident or are based on a pattern of behavior close enough in time or related sufficiently by their nature to be reasonably resolved in a single proceeding. Questions about the use of a single proceeding to resolve multiple charges will be decided by the Dean of Students.

4. **Alleged violations of honor and student conduct codes.** Should an incident result in an allegation that a student has violated both the Honor Code and the Student Code of Conduct, the Dean of Students will decide whether the matter will be heard within the Student Conduct System or by the appropriate Honor Council. The system selected by the Dean will be empowered to review all the charges and reach a final disposition. A charged party may not face more than one proceeding to determine the final disposition of a single incident.

C. Student Rights and Responsibilities During Process

1. **Honesty and cooperation.** Students involved in disciplinary proceedings shall cooperate and be honest and complete in their answers. Failure to do so may be a violation of the Student Code and/or of the Honor Code.14

2. **Access to hearing records.** The student’s conduct record is the property of the College. A student found responsible for violating College regulations or a reporting party considering an appeal may make an appointment during normal working hours to review materials in the case file. The student also may listen to copies of the recordings, if any, in the presence of an administrator, a Student Conduct Council member or Honor Council member. The student may have legal counsel or one other clearly-identified silent supporter present.

3. **Withdrawal during process.** The Dean of Students may notify a charged party who withdraws from the College after oral or written notification that an alleged violation is under

12. The charged party retains the right to disclose information regarding his/her own case; however, he/she does not have the right to discuss other students’ related cases without their written consent.

13. “Crime of violence” is defined in Section 16 of Title 18 of the U.S. Code.

14. A student may choose not to answer a question that may incriminate him or her, and if so, must so state.
investigation that a hold and/or transcript notation ("Withdrew While Disciplinary Charges Pending") will be placed on his or her record. Before the Dean places a notation on the transcript, the student will be notified in writing and given an opportunity to meet with the Dean or designee to discuss the action. The Dean will remove the notation if the student resolves the case. Normally, the College will not readmit the student unless the charges have been resolved.

4. **Notice of Case Pending on Transcript.** In cases defined as “more serious” under the Code of Conduct and in cases of alleged honor violations, the College may place a notice on the student’s transcript acknowledging the pending charges. This notice would remain on the student’s transcript until the case is resolved.

D. **Students with Disabilities.** The College is committed to providing reasonable accommodations for students with documented disabilities. Such accommodations may include, but are not limited to, administrative assistance, additional time, and/or an alternative to the formal hearing process. Students with disabilities who need reasonable modifications to address a suspected violation of the Code of Conduct are encouraged to meet with the Director of Disability Services (109 Campus Center) as early in the process as possible to identify and plan specific accommodations. Students will be asked to provide medical documentation. The Director of Disability Services will inform the Office of Student Conduct of appropriate accommodation(s).

E. **Failure to Appear**

1. **Failure to appear for appointments.** If a charged party fails to make an appointment with the Case Administrator within three working days after being notified, fails to appear for a scheduled appointment, or otherwise fails to respond to a written direction to appear after being properly notified, the Case Administrator may bring a charge of Abuse of the Conduct System, and/or place a hold on the student’s records. In addition, the Case Administrator may reduce the charges to writing and set a hearing date without the student’s consultation.

2. **Notice.** Proper notice will consist of an email sent to a student’s official College email account, written notice delivered through either Campus or U.S. Mail to an address in the Registrar’s records, or a letter delivered personally by College staff, including Residence Life student staff. In general, correspondence will be sent via email or to the student’s local address or Campus Station Unit (CSU) when classes are in session and to the student’s home address when classes are not in session.

3. **Failure to appear for a hearing.** If after receiving proper notice of the date, time, and location of a hearing, a charged party fails to appear or to make himself/herself available for a hearing without justification for postponement (as determined by the chair of the scheduled committee or administrator handling the case), the party will be deemed to have waived the right to appear, and the hearing may proceed as scheduled. Absence of the charged party in such circumstances will not constitute sufficient grounds for an appeal.

F. **Interim Suspension**

In certain circumstances, the Dean of Students or designee may impose a College or residence hall suspension prior to the resolution of a conduct case before the appropriate hearing body. Interim suspension may be imposed only either to ensure the health or safety of the student or of other members of the College community, or if the student poses an ongoing threat of disruption of, or interference with, the normal operations of the College.

During an interim suspension, the student must leave the campus immediately and shall not participate in academic, extracurricular, or other activities of the College except as may be authorized by the Dean of Students or designee. During the period of interim suspension, a student is not permitted on the campus without prior written consent from the Dean or designee.

After an interim suspension is imposed, the student will be provided an opportunity to speak with the Dean of Students to show why his/her continued presence does not merit the suspension. When requested, the Dean will schedule an administrative hearing regarding the interim suspension decision within ten working days or as soon as the student’s condition permits. A hearing on the alleged conduct violations will occur as soon as practical following the interim suspension decision. See also “Medical and Emotional Emergencies,” pg. 11.
Section V. Student Conduct Authorities

A. **Case Administrator.** Upon receipt of a report alleging misconduct, the Director of Student Conduct or designee will assign a staff member from the Division of Student Affairs the primary responsibility to investigate and resolve the report.

B. **Student Conduct Council**

1. **Composition.** The Student Conduct Council is a committee of student, faculty, and administrative members constituted as follows:
   a. Undergraduate Students - 15 students (six seniors, five juniors, and four sophomores) selected on an annual basis. Each year the Director of Student Conduct will coordinate an application/selection process. A committee consisting of the Student Assembly Vice President, the Director or designee, a faculty member (preferably one who has served as a member of the Student Conduct Council), two students who have served on the Student Conduct Council, and two Undergraduate Council members will select Student Conduct Council nominees. Any student currently on disciplinary or honor probation or who previously has been suspended or dismissed from the College for non-academic reasons is ineligible for membership on the Council. Students must have and maintain a cumulative William and Mary GPA of at least 2.5. Undergraduate students may not serve concurrently as standing members on the Honor Council and the Student Conduct Council.
   
   In the event that there are not enough qualified candidates to fill the traditional mix of classes as outlined above, the selections committee will choose the most qualified candidates to fill the vacancies. Each class will contain at least four members and no more than six members.
   b. Graduate Students - 15 students (three from each of the five graduate schools) selected on an annual basis by a process determined by each of the graduate student governing bodies.
   c. Faculty - Eight full-time members of the faculty appointed on an annual basis by the Provost of the College. At least one faculty member will be appointed from each of the five graduate schools.
   d. Administrative Staff - Four members of the administrative staff appointed on an annual basis by the Vice President for Student Affairs.

2. **Duties.** All members will serve on Board Hearings. Student members also will serve on Student Panel Hearings.

3. **Administration.**
   a. On an annual basis, the undergraduate membership of the Student Conduct Council will elect two of its members to serve as chairs. Each graduate school governing body will designate one of its Student Conduct Council members to serve as chair for those hearings involving members of their academic unit.
   b. The term of office for all members begins the day after classes begin in the fall semester and runs through the first day of classes the following fall semester. Should a vacancy occur on the Council or should additional, temporary Council members be required, the Dean of Students is empowered to make the necessary appointments.
   c. The student members of each Student Conduct Council will be subject to bylaws approved on an annual basis by each Council.

C. **Appeals Committee**

1. **Composition.** Twenty-four members: four administrators (not members of the Student Affairs Division), four faculty members appointed annually by the Provost, and sixteen students (six undergraduate and two graduate students from each of the five graduate schools) elected annually by the Student Assembly. Should temporary Appeals Committee members be required, the Vice President for Student Affairs will make the necessary appointment(s).

---

15. If the Student Assembly Vice President is not an undergraduate student, then the next most-senior undergraduate Student Assembly member will serve in place of the Vice President.

16. The Director, the faculty member, and the Student Assembly Vice President all serve as ex-officio, non-voting members. The Student Assembly Vice President may vote in the event of a tie among the other voting members.
2. **Duties.** Members of the Appeals Committee will serve as panel members in Appeals Committee hearings.

D. **Final Appellate Review**

1. The Provost, or his/her designee, will review those appeals found to have merit by the Appeals Committee. The Provost or his/her designee will serve as the final authority for appeal review.

E. **Procedures for Reports Received After the Last Day of a Semester or During the Summer Session**

1. Students or organizations charged with a violation of the Code after the last day of classes in a semester or during the summer session will be provided a hearing by committee if possible. If the regular student conduct body is unable to meet, one of the following options may be selected by the student or organization:
   a. The Dean of Students or designee may appoint a three-member panel consisting of members of the faculty, the Student Affairs staff, and the student body (if practical). The panel will observe customary hearing procedures. Other than an administrative resolution and an administrative hearing, this is the only option available to a student completing degree requirements in the term in which the charge originates.
   b. The Dean or designee may defer the hearing until the beginning of the following semester provided that such a deferral, in his or her opinion, would not preclude a fair hearing due to the loss of evidence or unavailability of witnesses. The Dean may place a hold on the student’s records pending resolution of the matter.

2. When a student is alleged to have violated College regulations after the last day of classes in a semester, including during Commencement, and he or she is scheduled to graduate, the College may hold the student’s degree pending resolution of the charges.

Section VI. **Student Conduct Procedures**

A. **Charges and Resolution of Charges**

1. Any student, member of the faculty, administration, support staff, visitor or guest to the campus community may file reports alleging possible student misconduct. The Director of Student Conduct will review all reports and determine the appropriate course of action to be taken. An online report form is available on the Dean of Students website.

2. Any alleged violation should be submitted as soon as possible after the event takes place. If an alleged violation is not reported within four months of the time it becomes known by the reporting party, it will be considered untimely unless the Director of Student Conduct concludes that there has been good cause for the delay and that it is still feasible to hold a fair hearing.

3. The person filing a report need not be the actual victim of the conduct.

4. Upon receipt of a written report of misconduct, the Director of Student Conduct or designee shall determine if the alleged misconduct is unfounded or frivolous, and if so, he or she shall dismiss the report. The Director also will make a determination of the potential level of seriousness of a particular report.
   a. **Levels of Seriousness**
      1) “Warning” cases are those in which the student faces no more severe a primary sanction than a Warning (The Case Administrator may assign secondary sanctions as appropriate.).
      2) “Less Serious” cases are those cases in which the alleged violation might result in a sanction between a Warning and Probation with Loss of Privileges.
      3) “More Serious” cases are those cases in which the alleged violation would likely result in a sanction of removal from the College’s residence halls, Probation with Loss of Privileges, Suspension, or Permanent Dismissal from the College.

B. **Information Session**

1. If the Director of Student Conduct does not dismiss the allegation, the student or official representative of the student organization shall be directed to appear for an information session with a Case Administrator. This session is an opportunity for the student to receive information about the conduct process, including options for adjudication, and to discuss
the report with the Case Administrator and respond on his or her behalf, or on behalf of a
student organization, although the student is not required to make a statement.

2. After the information session and any appropriate investigation, the Case Administrator will
dismiss the report if unfounded.

3. If a student fails to appear at the information session after proper notification, the Case
Administrator may further investigate and dismiss the report if unfounded, place a hold
on the student’s records (which prevents a student from registering or engaging in other
transactions with the College), or prepare written charges and notify the student or
representative of the student organization (hereafter referred to as the “charged party”) that
the matter has been scheduled for a hearing.

C. Permanent Resignation. Within 72 hours of notification of a pending conduct case, a student
may choose to resign permanently from the College if the Dean of Students approves this option.
If approved, the Dean of Students will direct that the student’s official records, including the
transcript, will carry the following designation “Resigned under suspicion of a serious violation of
the Code of Conduct. Ineligible to return.” The student must certify, via a notarized letter, that
the student understands that he or she will never seek or receive admission into any William and
Mary program in the future. The student will not be able to be present on campus and will leave
the College not in good standing.

D. Adjudication Options

1. If the Case Administrator does not dismiss the report after the information session, the
student or organization may elect to resolve the case through one of the following three
options:

   a. Administrative Resolution: If the charged party and the Case Administrator agree to a
      written summary of facts, and the charged party executes a written waiver of a hearing,
      the charged party may resolve the case informally via Administrative Resolution. The
      Case Administrator will assess a sanction and appropriately inform the student.

      1) If the Case Administrator determines that a case cannot be resolved through an
         informal process, he or she can mandate that a hearing take place. The type of
         hearing will still be the choice of the student or organization (except in cases of
         Sexual Misconduct—see Appendix I).

      2) For “Warning” cases, the student may resolve the matter via Administrative
         Resolution or Administrative Hearing, but not via a Panel Hearing.

   b. Administrative Hearing: The charged party may elect to resolve the case through an
      hearing with the Case Administrator.

   c. Committee Hearing: The charged party may elect to resolve the case through the
      appropriate committee via formal hearing.

2. Timeline. The charged party will have two full working days to decide upon an adjudication
option unless the Case Administrator grants an extension for good cause. Once made, this
election is irreversible. If the charged party does not inform the Case Administrator of his or
her election within two working days after the Information Session, the lack of notification
will be deemed a waiver of the party’s right to dispute the report, and the Case Administrator
may resolve the report based on the information available without the need for a formal
hearing.

3. Appeal. The charged party retains the right to appeal regardless of the method of
adjudication selected. Depending upon the method of adjudication, the grounds for appeal
may be limited. (See “Appeals of Disciplinary Actions,” Section VIII.).

E. General Adjudication Procedures

1. Rules of evidence and “second hand” information. College proceedings do not follow the rules
   of evidence employed by courts of law. Information that does not come from a first-hand
   source may be considered if the chair or administrator handling the case determines that the
   information is reliable, although a finding of responsibility may not be premised solely on
   such information. Lie detector/polygraph evidence is not permissible.

2. Separation of witnesses. During the course of a hearing, the chair may separate witnesses
to preserve the independence of their testimony. If separated, no witness who has already
provided testimony may have contact with any witness due to testify.
3. **Support for Charged Party**

   a. **Student or Administrative Counsel.** The charged party may elect to be represented/assisted by a currently-enrolled student of his or her choosing. In "more serious" cases the student may petition the Director of Student Conduct (or designee) to appoint an administrator to serve in place of student counsel. A counsel may not give testimony during the hearing.

   b. **Silent Supporter.** The charged party may elect to have one silent supporter present. Silent supporters shall not participate in the proceedings or serve as witnesses.

      1) **Presence of Legal Counsel.** Legal counsel may serve as a student's silent supporter provided the student has informed the Case Administrator in writing at least two working days prior to the hearing. Legal counsel shall not participate in the proceedings unless the chair or administrator hearing the matter determines, when requested by the charged party, that the hearing exposes him/her to potential criminal action outside the College's conduct process. The determination regarding the participation of legal counsel is final, and legal counsel will participate only to the extent authorized. Under no circumstances will the attorney be permitted to question witnesses or other parties to the proceedings, or to serve as a witness. The College may have its own legal counsel or advisor present if a student opts to have legal counsel present.

F. **Procedures for Committee Hearing and Administrative Hearing**

1. **Charges.** If the charged party chooses to resolve a case via a hearing, the Case Administrator will prepare formal written charges and notify the student.

2. **Timeline.** Charges normally will be heard within ten working days of when charges are brought except in unusual cases where 1) the Dean of Students grants a postponement to the Case Administrator, or 2) the party responsible for hearing the matter grants the charged student a postponement, or 3) when a College break makes a hearing impractical. A case may not be heard in fewer than four working days unless the student waives in writing the four-working-day time period.

3. **Committee Hearing Procedures**

   a. **Types of Committee Hearings**

      1) A Student Panel hears "less serious" cases (as defined in Section VI.A.4.) when a student requests a committee hearing.

      2) A Conduct Board hears "more serious" cases (as defined in Section VI.A.4.) when a student has requested a committee hearing.

4. **Procedures for Student Panel Hearings**

   a. **Procedures.** Normally, informal procedures will be used in deciding "less serious" charges. However, the student will be provided

      1) written notice of the charge(s);  
      2) upon timely request, a summary of the principal facts underlying the charge to the knowledge of the Case Administrator  
      3) the opportunity to respond on his or her behalf,  
      4) the opportunity to present relevant witnesses (although the Chair may limit testimony that is repetitive), and  
      5) written findings of the outcome of the hearing.

   b. **Panel Composition.** Three student members of the Student Conduct Council, at least two from the school in which the charged party is enrolled, will normally hear each case. Each three-member panel will select one of its members from the school of the charged student as chair. A fourth member, who may not vote or participate in any way in the hearing or deliberations of the Panel other than as record-keeper, will be designated as recorder.

   c. **Authority of the Panel.** The Panel may determine responsibility for the charges issued and assess sanctions if the student is found responsible. The panel will require a majority vote to reach decisions.

   d. **Witnesses.** The charged party has the responsibility to secure the presence of witnesses
desired at the hearing. If the charged party notifies the Dean of Students in a timely fashion that a critical witness, one whose testimony will not be duplicative, is refusing to appear at the scheduled hearing, the Dean will examine the matter and assist if appropriate. The charged party may request that disciplinary action be taken against any student witness who refuses to appear or to testify so long as timely, appropriate, and verifiable notice was provided the witness. This action is authorized by the College regulation "Abusing the College Discipline System." The Case Administrator will notify all available witnesses required to support the charges of the date, time, and place of the hearing.

e. The Case Administrator ordinarily will present the information relevant to the incident and will recommend sanctions if the panel finds the charged party responsibility for one or more violations.

f. Determination of Responsibility and Burden of Proof. The Panel will meet in closed session to determine whether the charged party has violated the Code as charged. At least two of the three Panel members must conclude that a preponderance of the evidence establishes that a violation has occurred.

g. Determination of Sanctions

1) If the Panel finds the charged party responsible for one or more violations, the Case Administrator will brief the Panel regarding any previous violations of the Code by the student, any precedent for similar situations, any additional relevant information concerning the student’s character, and any recommendations concerning sanctioning. The student may make a statement concerning sanctioning, and if desired, call character witnesses. The chair may limit the number of character witnesses (usually one). The Panel then meets in closed session to determine an appropriate sanction and reconvenes to announce its decision.

2) At least two of the three members of the Panel must agree to the sanction(s) imposed. Any sanctions are not final until the Dean of Students issues a written decision to the student and any appeal is complete.

h. Hearing Records. The recorder and the chair will summarize the evidence presented and the findings of the Panel, including the reasons for the finding and sanction if the student is found responsible. Normally, the chair will submit the summary to the Office of the Dean of Students within two working days of the hearing.

i. Case Review and Notification. The Dean of Students or designee will promptly review the panel decision and may return for reconsideration or rehearing any finding and/or sanction that is inconsistent with College policy or practice. The Dean may modify any sanction(s) not authorized by the Code of Conduct. Normally, the Dean of Students/designee will notify the student in writing of the decision of the Board within two working days after the Board’s summary is filed.

j. Appeal. Appeals of Student Panel decisions will be reviewed by the Dean of Students or designee in accordance with the principles outlined under “Appeals of Student Conduct Actions” (Section VIII.).

5. Procedures for Conduct Board Hearing

a. Board Composition. Five Student Conduct Council members will comprise a Conduct Board: two students from the charged party’s academic unit, one other student member of the Council, one faculty member from the charged party’s academic unit, and one administrator. The Director of Student Conduct will designate one of the three students as chair of the Council. If the charged party is a graduate or professional student enrolled in a degree program in two different schools, student members will be appointed to the Board from both schools if possible. The Chair will designate a sixth member of the Conduct Council, who may not vote or participate in any way in the hearing or deliberations of the Board other than as record-keeper, to serve as recorder.

b. Recording. Student Conduct Board proceedings will be recorded via digital media.

c. Notification. The Case Administrator will schedule a hearing with the Conduct Board and inform the charged party in writing at 72 hours in advance of the date, time, and place of the hearing and of the exact charges at issue. The Case Administrator will also
provide the charged party with the principal information in support of the charges of which he or she is aware at the time.

d. **Witnesses.** The charged party has the responsibility to secure the presence of witnesses desired at the hearing. If the charged party notifies the Dean of Students in a timely fashion that a critical witness, one whose testimony will not be duplicative, is refusing to appear at the scheduled hearing, the Dean will examine the matter and assist if appropriate. The charged party may request that disciplinary action be taken against any student witness who refuses to appear or to testify so long as timely, appropriate, and verifiable notice was provided the witness. This action is authorized by the College regulation “Abusing the College Discipline System.” The Case Administrator will notify all available witnesses required to support the charges of the date, time, and place of the hearing.

e. **Postponement.** A charged party may request one postponement of the hearing, citing the reasons for the request in a written statement to the Case Administrator at least two working days in advance of the hearing, if possible. The charged party should provide supporting documentation where appropriate. The Case Administrator, in her or her discretion, may grant a postponement for good cause.

f. **Conduct of the Hearing.** The chair is responsible for the conduct of the hearing and will follow the conduct procedures as outlined on the student conduct website.

g. **Determination of Responsibility and Burden of Proof.** The Board will meet in closed session to determine whether the charged party has violated the Code as charged. At least four of the five Board members must conclude that a preponderance of the evidence exists to prove the charge(s).

h. **Determination of Sanctions**

1) If the Board finds the student responsible for one or more violations, the Case Administrator will brief the Board regarding any previous violations of the Code by the student, any precedent for similar situations, any additional relevant information concerning the student’s character, and any recommendations concerning sanctions. The student may make a statement concerning sanctions, and if desired, call character witnesses. The chair may limit the number of character witnesses (usually one). The Board then meets in closed session to determine an appropriate sanction and reconvenes to announce its decision.

2) At least four of five members of the Board must agree to the sanction(s) imposed. Sanctions are not final until the Dean of Students issues a written decision to the student and any appeal procedure is complete.

i. **Hearing Records.** The recorder and the chair will summarize the hearing, the evidence presented, and the findings of the Board and indicate the reasoning for the finding and any sanctions assigned.

j. **Filing with Dean of Students.** The chair normally will file the summary, the recording, and all evidence within two working days with the Dean of Students.

k. **Case Review and Notification.** The Dean of Students or designee will promptly review the case documents and decision and will return for reconsideration or rehearing to the Conduct Board any finding and/or sanction that is inconsistent with College policy or practice. The Dean may modify any sanction(s) imposed that are not authorized by the Code of Conduct. Normally, the Dean of Students will notify the charged party in writing of the finding of the Board and any sanctions assigned within two working days after the Board’s summary is filed.

l. **Written decisions and findings.** The charged party will be notified in writing of the decision in his/her case and the findings on which it was based.

m. **Appeal.** Normally within two working days after written confirmation of the results of the hearing are provided, the Dean of Students or designee will be available to the charged party student to discuss the impact of the decision and to provide information about the appeal process. See “Appeals of Student Conduct Actions.” (Section VIII.)

6. **Procedures for Administrative Hearings.** If the charged party elects to have the charges heard in an administrative hearing, the procedures outlined under “Procedures for Student Panel Hearings” or “Procedures for Conduct Board Hearings” above will be followed with
appropriate allowances for the differences in structure.

7. **Modified Procedures for Alleged Violations of the Hazing Policy or Alleged Crimes of Violence.** If a case of alleged crime(s) of violence or hazing is not resolved informally via Administrative Resolution, the reporting party will be granted the following additional rights:
   
a. The reporting party may have present at the hearing a supporter of his/her choosing. The support person will not participate in the hearing process and will be bound by the rules of confidentiality governing the hearing.
   
b. The reporting party may choose to be physically separated from the charged party during hearing proceedings. The party should indicate this choice at least two working days prior to the hearing.
   
c. The Dean of Students or designee will provide the reporting party with notification of the final outcome of a conduct proceeding and any sanction(s) imposed as permitted by law.
   
d. The reporting party has the right to appeal (see Section VIII).

**Section VII. Sanctions**

Unless otherwise stated, sanctions for violations of the code of conduct range from warning to dismissal for individuals, and from warning to termination for organizations. Attempted or uncompleted violations may be sanctioned as completed violations. Acting as an accomplice, aiding, or abetting another may result in sanctions.

The sanctions listed below are categorized as primary and secondary. The hearing authority may issue at least one primary sanction and any combination of primary and secondary sanctions for any single violation. A due date will be given with any task and/or restitution sanction. All other sanctions are effective immediately upon completion of the appeal or appeal period, unless the Vice President for Student Affairs authorizes an exception. Students appealing a sanction of separation (suspension or dismissal) must comply with the restrictions noted in the Appeals section.

**A. Primary Sanctions**

1. **Permanent Dismissal** is an involuntary separation of the student from the College without the possibility of future readmission. The student must leave the campus and is not eligible to participate in classes or any College-sponsored or College-related activities. The student is not permitted on campus without prior written permission from the Dean of Students or designee. The sanction of dismissal is permanently noted on the student’s transcript.

2. **Indefinite Suspension** is an involuntary separation from the College during which the student must leave the campus and is not eligible to participate in classes or any College-sponsored or College-related activities, with a date determined by a committee or administrative officer when the student may petition for reinstatement. In such instances, the student must first satisfy the committee or administrative officer by his/her conduct and record that he/she is in fact entitled to reinstatement. During the period of separation, the student is not permitted on campus without prior written consent from the Dean of Students or designee. The sanction of indefinite suspension is noted on the student’s transcript but is removed if the student is reinstated to good standing at the College.

   a. **Reinstatement Hearing**
      
      1) When a Board assigns the sanction of indefinite suspension, a similar Board of five persons will be appointed by the Dean of Students or designee at the appropriate time to determine whether the charged party has met the conditions necessary for reinstatement.
      
      2) The Board will have access to all file materials from the original hearing, may require the charged party to make a personal appearance before the committee, and may solicit other information to reach a decision. The same general

17. As defined in Title 18 of the U.S. Code Section 16.

18. The sanctions of Permanent Dismissal, Indefinite Suspension, or Suspension may be administered even though the student may not currently be on probation, has not previously been placed on probation, or has otherwise not been disciplined. Students who are suspended or dismissed from the College are considered not to be in good standing during the term of suspension/dismissal. Students will not be eligible for any refund of tuition, general fees, or residence fees if required to withdraw by the College. Students may not earn course credit while serving a suspension sanction, nor may a student transfer credits taken elsewhere while suspended.
procedures employed in the original hearing will be followed with the same rights assured for reinstatement.

3. **Suspension** is an involuntary separation from the College for a period determined by the appropriate committee or administrative officer during which time the student must leave the campus and is not eligible to participate in classes or any College-sponsored or College-related activities. The student is not permitted to return to the campus without prior written permission from the Dean of Students or designee. At the end of the period of suspension, the student automatically is eligible for readmission provided there is no other encumbrance upon his/her return. Suspensions are noted on the student’s transcript but are removed once the period of suspension has been completed.

4. **Probation with Loss of Privileges** is continued enrollment but exclusion from participation in College, fraternal, intercollegiate athletics, and/or other student extracurricular activity for a specified period of time. Such probation also constitutes a warning that further misconduct or violation of College regulations during the period of probation will be referred to the appropriate committee or administrative officer and will most likely result in the student’s separation from the College.

5. **Probation** is continued enrollment but with a warning that further misconduct or violation of College regulations during the period of probation will be referred to the appropriate committee or administrative officer and may result in the student’s separation from the College.

6. **Warning** is a notation confirming that a minor violation of College policy has occurred and that future violations may result in more severe sanctions. No student may receive more than two warnings in an academic year without more serious action being taken.

**B. Secondary Sanctions**

1. **Loss or Restriction of Privileges** is limitation or removal of specified social or personal privileges including, but not limited to, loss or restriction of computer privileges, entertainment of guests in the private areas of a residence hall, participation in social activities sponsored by the College or a residence hall, and/or the right to operate an automobile on campus. In addition, a student’s current or subsequent year’s Housing Agreement may be terminated or special conditions attached to it, or the student may suffer a reduction in priority of a specified number of places in the room selection process of a subsequent year.

2. **Educational Requirement** is the requirement that the student complete one or more specific educational activities directly related to the violation committed.

3. **Task/Service Participation** is the requirement that the student participate in assigned tasks that are appropriate to the regulation violated or behavior displayed.

4. **Restitution** is the requirement that the student reimburse the College, appropriate individual or organization for damage, personal injury, or misappropriation.

**Section VIII. Appeals of Student Conduct Actions**

**A. Right of Appeal.** Only the student found responsible for a conduct violation has the right of appeal, except in disciplinary cases involving “crimes of violence.”

**B. Timeline and Form of Appeal**

1. Appeals by the charged party must be submitted to the Vice President of Student Affairs within five working days following written notification of the decision.

2. A reporting party who wishes to appeal a conduct action of alleged sexual misconduct or a crime of violence must submit a written appeal to the Vice President for Student Affairs within five working days following written notification of the decision.

3. All appeals must be in writing and must clearly cite the grounds for the appeal and the evidence supporting it.

**C. Grounds for Appeal**

1. A charged party may appeal Administrative Resolutions only on the ground of an excessive

---

19. As currently defined in Section 16 of Title 18 of the U.S. Code
2. Students may appeal Administrative or Committee Hearings on the following grounds:
   a. Procedural irregularity severe enough to have denied the student a fair hearing. Procedural deviations will not be sufficient to sustain an appeal unless they are found to be severe enough to have denied the student a fair hearing.
   b. Discrimination in the hearing on a basis prohibited by College policy which caused an unfair hearing.
   c. Lack of sufficient evidence to support the decision.
   d. New material evidence that is not merely corroborative or repetitive, unknown by the student at the time of the hearing and pertinent to the case.
   e. An excessive or inappropriate sanction.

3. **Notice to Reporting Party:** A reporting party reporting a crime of violence will receive prompt notice from the Dean of Students or designee of any appeal received by the charged party.

4. **Appeals by the Reporting Party.**
   a. A party alleging a “crime of violence” may appeal a sanction(s) on one or more of the following four grounds. The reporting party may appeal a “not responsible” finding on any of the first three grounds.
      1) Procedural irregularity severe enough to have caused an unfair hearing. Procedural or technical deviations will not be sufficient to sustain an appeal unless found to have denied the reporting party a fair hearing.
      2) Discrimination on a basis prohibited by College policy which caused an unfair hearing.
      3) New material evidence which is not merely corroborative or repetitive, unknown to the reporting party at the time of the hearing and pertinent to the case.
      4) A sanction which is too lenient or inappropriate. (This ground is not available if the student was found “not responsible.”)
   b. In preparation for a possible appeal, the Reporting Party in a reported case of crime of violence may review the case file in the presence of the Dean of Students or designee.

D. **Procedures for Appeal by Charged Party**

1. **Appellate Review Bodies**
   a. Appeals for cases in which the primary sanction issued is Probation with Loss of Privileges, Suspension, or Dismissal are considered by the Appeals Committee.
      1) Upon receipt of a timely appeal, the Vice President for Student Affairs will convene a committee comprised of four members of the Appeals Committee, one administrator, one faculty member, and two students (from the academic unit of the charged party), to hear the appeal.
   b. All other appeals are considered by the Dean of Students.

2. **Appellate Outcomes**
   a. Appeals to the Dean of Students
      1) The Dean may decide one of the following:
         a) There is no basis for the appeal. The appeal then is dismissed, and the original decision stands.
         b) An incorrect finding of responsibility was reached. The Dean then will dismiss the case.
         c) The sanction administered is excessive or inappropriate. The Dean then determines a sanction that is fair to the facts and circumstances of the case. The Dean will not increase the level of the sanction.
   b. Reviews by the Appeals Committee
      1) The Committee may decide one of the following:
         a) The appeal is without merit. The decision regarding lack of merit is final.
b) The appeal has merit. The Committee may find:
   i) The finding of responsibility should be reviewed and/or
   ii) The sanction should be reviewed.

c. If the Committee finds that the appeal has merit, then the Provost or designee will review the appeal. The Provost or designee may:
   1) Reverse a finding of responsibility and dismiss the case;
   2) Order a rehearing before a board/administrator;
   3) Modify the sanction to one that is fair to the facts and circumstances of the case (the Provost or designee will not increase the level of the sanction); and/or
   4) Uphold the decision(s) of the original hearing body.

3. Continued Enrollment During Appeal
   a. If the sanction being appealed includes suspension or dismissal from the College, the student will not take part in any College function except scheduled classes while the appeal is pending without the written permission of the Dean of Students. Where appropriate, the Dean also may restrict the student from parts of the campus or specific functions or activities during the appeal period.
   b. In those cases where the Dean determines that the continued presence of the student constitutes a risk to the educational process, to him/herself, or to the safety of others, the Dean may prohibit the student from attending classes until the appeal is complete.

E. Procedures for Appeal by the Reporting Party
   1. The Appeals Committee decides appeals submitted by the Reporting Party.
   2. When the Appeals Committee determines that a reporting party’s appeal regarding a “not responsible” finding has merit, the committee will deem the results of the first hearing void and order a new hearing using the original method of adjudication. When the committee determines that a reporting party’s appeal regarding sanctions has merit, the committee will forward the case to the Provost or designee who may modify the sanction to one that is fair to the facts and circumstances of the case or uphold the decision(s) of the original hearing body. The Provost or designee may increase the level of the sanction.

F. Notification and Access to Record During Appeal
   1. The individual or committee hearing an appeal will have access to the full record of the case and may invite the appealing party to make a personal appearance to discuss the appeal. In such instances, the case administrator or the chair of the student conduct committee whose decision is being appealed may also be invited to be present to respond to the appeal.
   2. The student and the administrator or board that heard the original case will receive written notification of the decision regarding the appeal, including the reasons for the decision if appropriate. The case file maintained by the Office of the Dean of Students will include a copy of the appeal findings and all correspondence.

Section IX. Special Regulations for Recognized Student Organizations

A. Accountability and Jurisdiction. As a condition of recognition by the College, all student organizations must abide by the rules and regulations of the College as well as by the terms of contracts and agreements into which they enter with the College. Recognized organizations and sponsored activities are subject to the same rules and regulations as individual students and may be held accountable for their actions even though the College pursues charges of misconduct for the same incident against individual members of the group. An organization will be deemed culpable for its conduct when it can be demonstrated that:
   1. The activity involved such a significant number of members of the organization that a reasonable person would conclude that the activity was clearly a function of the organization, and/or
   2. The organization, either in whole or in part, planned and/or implemented and/or condoned the action from which the complaint arises, and/or
3. The organization knew or should have known about the activity and failed to act responsibly in preventing it.

The College may also hold an organization responsible for violations of College regulations which occur on or adjacent to property or facilities assigned to the organization for its use, or for violations which occur off-campus if the conduct adversely affects the College community or its members.

B. Procedures. In the case of alleged misconduct by a recognized organization, the organization will have the right to resolve a matter informally with a case administrator via an Administrative Resolution or to have a hearing with a case administrator or with the appropriate student conduct committee. The same general procedures that apply to individual misconduct will be followed.

C. Sanctions. The sanctions listed below are categorized as primary and secondary. At least one primary sanction and any combination of primary and secondary sanctions may be imposed for any single violation. A due date will be given with any task and/or restitution penalty. All other sanctions are effective immediately upon completion of the appeal or appeal period, unless the Vice President for Student Affairs authorizes an exception.

1. Primary Sanctions
   a. **Termination** is removal of institutional recognition. The organization is denied all privileges associated with recognition including, but not limited to, the right to reserve space in College facilities or to use College property or resources, the right to receive student activity fee or other funding from College resources, and the right to participate in or sponsor extracurricular or social activities on campus.
   b. **Suspension** is removal of institutional recognition for a stated period of time. During the period of suspension, the organization will be denied the use of all College facilities and resources and may not in any way participate in or sponsor any extracurricular or social activity on campus. At the end of the prescribed period of time, the organization will be allowed to re-form subject to any condition(s) set forth at the time of suspension.
   c. **Probation with Loss of Privileges** is continued recognition with loss of the right to sponsor or participate in all extracurricular and/or social activities for a stated period of time. Further misconduct during the period of probation or violation of the terms of the probation will most likely result in a loss of recognition.
   d. **Probation** is continued recognition and operation with a warning that further misconduct during the period of probation or violation of the terms of the probation may result in loss of institutional recognition. Conditions may be attached as terms of continuance during the period of probation.
   e. **Warning** is notifying the organization that it has violated College regulations and is a caution that repetition of the behavior or other misconduct may result in a more severe sanctions. An organization may not receive more than two warnings for the same conduct in an academic year without more serious action being taken.

2. Secondary Sanctions
   a. **Loss or Restriction of Privileges** is limitation or removal of social privileges including, but not limited to, the opportunity to schedule social functions, to use College facilities or vehicles, or to post notices. In addition, consistent with the provision of written agreements (should such exist), an organization’s assignment of space in College facilities may be canceled and/or other privileges removed.
   b. **Educational Requirement** is requiring an organization to complete specific assignments at the organization’s expense directly related to the violation committed.
   c. **Restitution** is requiring an organization to reimburse the College, appropriate individual(s), or vendor(s) for damage or misappropriation.
   d. **Task Participation** is requiring the organization’s members to participate in assigned tasks or service projects appropriate to the regulation(s) violated.
Section X. Records of Action Taken

When a student is found “not responsible” for a charge and all opportunity for appeal has been exhausted, the Director of Student Conduct will destroy all statements of charges not related to other pending reports of alleged misconduct after two weeks and will ensure that no reference to the proceedings appears in the student’s official educational records.

Sanctions of Permanent Dismissal, Indefinite Suspension, or Suspension are posted as notations on the student’s transcript while the student is ineligible to enroll. The College maintains information concerning such sanctions permanently even though the notation placed on the student’s transcript is removed once the student becomes eligible to re-enroll.

The College will maintain records of sanctions less than separation for three years after the student graduates. Warnings, however, will not be disclosed to persons or entities outside the College unless the student has consented in writing to disclosure or has received subsequent conduct action. Sanctions greater than warnings, on the other hand, will be maintained for three years after the student graduates, at which time the Director will destroy the record unless it involves separation from the College. The College will keep records of separation permanently. Also, when the graduates of a school or program must be licensed by a regulatory body (e.g., Law, Education, Accounting), the College may maintain records permanently.

Review and Amendments to the Handbook

All sections of the Handbook are subject to periodic review and modification. For the most up to date version of these policies, please see the website (www.wm.edu/studenthandbook).

Each spring semester, the Vice President for Student Affairs requests suggestions for amendments to the Handbook. All members of the College community are encouraged to submit suggestions to the Dean of Students (deanofstudents@wm.edu) by March 1st of each year. The Vice President for Student Affairs disseminates proposals for public comment prior to recommending amendments to the President.
Honor System

This document does not, and shall not be interpreted to limit the authority of the President of the College.

I. Purpose

A. The College’s Honor Code is based upon the premise that a person’s honor is his or her most cherished attribute. In a community devoted to learning, a foundation of honor among individuals must exist if that community is to thrive with respect and harmony among its members. An Honor System is an ideal mechanism to ensure such a state of affairs. With it, students and faculty are afforded a freedom that otherwise may not be available. With this freedom comes each individual’s responsibility to conduct himself or herself in such a way that the spirit of mutual trust which sustains the system is not compromised.

B. While we endeavor to create a climate of honor that is self-sustaining, it is imperative that all members of the community work to uphold the Code. Reasonable precautions by instructors to deter violations are not incompatible with the letter or spirit of this Code provided that they respect students’ right to privacy and non-discrimination. Students, faculty, administrators and other members of the community are encouraged to take action when they believe that any person may have violated the Honor Code; although failure to take action is not, in itself, a violation of the Honor Code, it detracts from the community of trust.

II. Authority

A. Jurisdiction of the Honor Code. The Honor Code applies to alleged acts of lying, stealing or cheating that adversely affect the College community, whether committed by a student on campus or elsewhere. For reported behavior that alleges possible violations of either the Honor Code or the Code of Student Conduct or both, the Dean of Students/designee will determine which process, Honor or Student Conduct, is appropriate to resolve the matter.

B. Honor Council with Authority for Review. When a student is alleged to have violated the Honor Code, the Honor Council for the academic unit in which the student is enrolled as a degree candidate will have authority to resolve the case.

1. Non-Degree-Seeking Students. A student who is not enrolled as a degree candidate in any specific academic unit will be subject to the Honor Council associated with the course in which the violation is alleged to have occurred, if the alleged violation is associated with a particular course, or the Undergraduate Honor Council if the matter is not associated with an academic course.

2. Joint Degree-Seeking Students. For students declared as joint degree seeking, the matter will be subject only to the authority of the Council in which the alleged violation occurred, if the violation is an academic matter. If the violation is non-academic, the joint degree Respondent may elect to have the matter referred to the Honor Council of either of the academic programs in which he or she is enrolled.

III. Definitions

A. Academic matter: any work, required or volunteered, that is a) submitted to a faculty member, b) submitted for publication in a College-sponsored or College-affiliated academic publication, or c) submitted for use in conjunction with a College-sponsored event or activity.

B. Attempt: any act beyond mere preparation carried out with the intent to engage in conduct that violates Honor Code. Attempted violations may be sanctioned in the same manner as completed violations. A student need not complete the intended act in order to be held accountable.

C. Beyond a Reasonable Doubt: the amount of proof required to find a student in violation of the Honor Code. Reasonable doubt is doubt based upon reason and common sense that is based on the information presented at the hearing. Reasonable doubt is not doubt created in order to avoid the unpleasant duty of finding a student responsible.

20. See Section I of the Code of Conduct for the definition of “student.”

21. For matters referred to be resolved via the Code of Conduct, the Code of Conduct’s resolution process will apply.
D. **Dishonorable conduct:** an act of cheating, lying, or stealing that adversely affects the College community.

E. **Inconsequential conduct:** conduct that is of too minimal a scope to affect the College community.

F. **Intent:** an act that is not the result of accident. A student acts with intent if he or she carries out an act knowingly and voluntarily; one need not prove that the student intended a particular result or particular harm in order to establish intent under the Code of Conduct or the Honor Code.

G. **Principal parties:** the Respondent and Reporting Party.

H. **Respondent:** the student suspected of engaging in behavior in violation of the Honor Code.

I. **Reporting Party:** the party reporting the matter for review by the Honor Council. The Reporting Party need not be the individual who directly witnessed, or was affected by, the alleged conduct (e.g., an instructor in whose course a student observes academic cheating or a student who discovers that a classmate has submitted an inflated grade point may serve as the Reporting Party).

## IV. Administrative Procedures

### A. The Honor Councils

1. Students administer the Honor Code through a system of six Honor Councils constituted in each of the major academic units of the College: (1) the undergraduate student body and the graduate schools of (2) Arts and Sciences, (3) Business, (4) Education, (5) Law, and (6) Marine Science.

2. In addition to conducting investigations, hearings and deliberations as outlined in the Honor Code, each Council is responsible for overseeing its own operations, ensuring that the Council has valid Bylaws, educating its student body regarding Honor Code expectations and procedures, and ensuring that all members of the Council receive, at a minimum, initial training provided by the Office of Student Conduct. Each Council also will ensure that all entering students, upon matriculation, execute a pledge to abide by and uphold the Honor Code.

### B. Student Governing Bodies

1. A student governing body for each academic unit will
   a. approve the procedures for selecting and removing its Honor Council members and qualifications for continued service on that Council, and
   b. approve amendments to the Code on behalf of its students as outlined in Sec. XIII.

2. The governing bodies are as follows:
   a. Undergraduate: the undergraduate members of the Student Assembly Senate
   b. Arts and Sciences: the Graduate Student Association
   c. Business: the MBA Association in conjunction with the MAC Council
   d. Education: the Education Association in the Graduate School of Education
   e. Law: the Student Bar Association
   f. Marine Science: the Graduate School Association in the School of Marine Science.

### C. Honor System Advisory Committee (HSAC)

1. The Honor System Advisory Committee’s responsibilities consist of the following:
   a. reviewing and recommending changes to core provisions of the Code (Sec. XIII)
   b. approving amendments to procedural provisions of the Code (Sec. XIII)
   c. establishing the presumptive initial levels of sanction for each category of violation in consultation with the Council of each academic unit (Sec. X)
   d. issuing periodic guidance to the Councils, students and faculty on issues pertaining to interpretation and application of the Code
   e. assisting with efforts to educate the College community regarding the Code
   f. assessing the climate of academic integrity
   g. reviewing concerns and grievances about the system
   h. responding to evolving challenges regarding honor and integrity
i. publishing each semester a brief summary of cases in a manner that does not identify the student, to include the charges, a short summary of the case, the findings, and sanctions imposed; this summary is to be provided to student media publications and posted on the Honor Council website.

2. The Honor System Advisory Committee’s composition is as follows:
   a. Voting Members:
      1) Two undergraduate students nominated by the President and approved by the Student Assembly Senate serving a one year renewable term;
      2) One graduate/professional student nominated by the President and approved by the Student Assembly Senate serving a one year renewable term;
      3) The Undergraduate Honor Council Chair or another member of the Undergraduate Honor Council designated by the Chair to represent it;
      4) One graduate/professional Honor Council Chair selected by the group of graduate school chairs;
      5) One member of the Dean of Students staff;
      6) Two faculty members nominated by the President and approved by the Faculty Assembly (one with a role in teaching graduate/professional students) serving two year renewable terms;
      7) One administrator with current or previous Appeals Committee experience nominated by the President and approved by a majority of the other members of HSAC.
   b. Non-voting members:
      1) The Chairs of the other four graduate/professional Honor Councils (aside from the voting member designated under Sec. IV.C.2.a.4).
      2) The Chair of the Undergraduate Student Conduct Council or another member of the Student Conduct Council designated by the Chair to represent it.
      3) The Chair of the Conduct/Honor Advisors Program (CHAP) or another member of CHAP designated by the Chair to represent it.

V. Rights and Duties

A. Rights and Duties of the Respondent
   1. Right to Freedom from Harassment and Retaliation. The right to be free from harassment, intimidation, and coercion, including attempts to change testimony. Any violations of this right may be considered a serious violation of the Student Code of Conduct.
   2. Right to Notice.
      a. The right to preliminary written notice of the nature of the allegations received from the Reporting Party as soon as practical and not less than one week in advance of a hearing.\textsuperscript{23}
      b. The right to subsequent written notice of the formal charges and of the date, time and location of any hearing no fewer than 72 hours in advance of the hearing. The panel may not find the student responsible for charges other than those reasonably embraced within the original charges.
      c. If a student, after being properly notified of the date, time, and location of the hearing, does not appear, the Council may proceed with the hearing in the absence of the student.
   3. Right to Know the Evidence to be Presented. The Respondent will have the opportunity to inspect, review and request copies of all evidence to be considered by the hearing panel at least 72 hours prior to the hearing. The Respondent may be required to sign an agreement that he/she will not make copies of or disseminate the work product of an instructor or

\textsuperscript{22} The list of rights and duties is provided as an addition to other enumerated rights outlined in the Honor Code.
\textsuperscript{23} Written notice includes notice by letter delivered to the student’s residence and/or email delivered to the student’s official William and Mary email account.
other materials containing information about other students that are protected under the Family Educational Rights and Privacy Act and must return the materials immediately after the hearing. The student will be instructed that failure to abide by the agreement may be considered a serious violation of the Student Code of Conduct.

4. **Right to Assistance.**

   a. The right to have another willing currently-enrolled William and Mary student serve as a student advisor. The Respondent should be informed of this right immediately after the initial discussion with the Reporting Party. The advisor may assist the Respondent at any point in the process, but the scheduling of matters may not be constrained due solely to the inability of the advisor to be present (another advisor may be obtained in the event that the student’s original advisor is unavailable).

   b. The right to the presence of a silent supporter (who may be legal counsel) and one immediate family member to attend the hearing. Neither the silent supporter nor the family member may participate in the hearing in any manner.

   c. The right to the assistance of a designated Procedural Advisor, a member of the Honor Council who may explain and answer questions about the process but may not offer advice or strategy.

5. **Right to Confidentiality.** The Respondent has the right to confidentiality regarding all matters related to the alleged violations. Violations of that right may be considered an infraction of the Code of Conduct.

6. **Right to Receive Notification.** The right to be notified of the outcome of the hearing following post-hearing review by the Office of the Dean of Students and prior to the commencement of the appeal period.

7. **Right to Continue Course Attendance and Participation.** The Respondent will continue to enjoy the right to attend courses, including the course in which the alleged violation occurred, until a finding of responsibility is found and the appeal process is completed. However, no degree or academic credit will be awarded until the process is completed. Students who have been suspended are not allowed to participate in College activities during the appeal period without the permission of the Vice President for Student Affairs.

8. **Rights within the Hearing.**

   a. The right to the presumption of innocence until the panel has found the student in violation by evidence beyond a reasonable doubt.

   b. The right to a separate hearing on each charge if multiple and unrelated charges have been filed.

   c. The right to request a separate hearing if two or more students are charged with the same offense.

   d. The right to present evidence relevant to the charges and, if necessary, possible sanctions and to request the presence of necessary witnesses. The Dean of Students may assist in procuring the presence of student witnesses upon request. The number of witnesses may be limited by the Presiding Chair if the Chair finds the proposed testimony will duplicate that of the other witnesses or the proposed testimony is immaterial. The Respondent may submit written statements from witnesses in lieu of personal appearances.

   e. The right to ask relevant question of all witnesses.

   f. The right to a closed hearing and the right to request an open hearing.

24. The student advisor for undergraduate students must be undergraduate students; graduate and professional students may consult an undergraduate student advisor.

25. All parties will keep matters confidential except from those who have a legitimate educational interest in the information under the Family Educational Rights and Privacy Act. Examples include the instructor of the course in question or members of the Dean of Students staff who serve as advisors to the Council.

26. A request for a separate hearing may be denied by the Chair in cases where the student is unable to distinguish his or her case from the others charged or in extraordinary circumstances, such as if a matter involves a large number of charged students and separate hearings would be impractical. If the Chair denies the student’s request, the Chair must provide the student with a written explanation of the basis for the denial.

27. If a witness fails to appear, the Presiding Chair will determine whether the hearing should proceed in the witness’s absence, and the Respondent may appeal the Chair’s decision through the Appeals process.
9. **Right to be Free from Conflict of Interest.**
   a. The right to have the Reporting Party or witnesses barred from participating in the matter in any other capacity.28
   b. The right to request that a Council member be removed from his/her case on the grounds of possible bias or conflict of interest. The Respondent must provide reason as to why the Council member in question is unable to hear the case fairly, and the decision whether to grant the request is left to the Council’s Chair, who, where such a request is rejected, will provide a written explanation.

10. **Right to Prepare for Appeal.** The right to review the documentary evidence and recording in preparation for appeal. The review must occur in the presence of at least one Honor Council member or member of the Dean of Students staff.

11. **Right to Waive any Rights.** The Respondent has the right to sign a knowing and voluntary waiver of any of the rights accorded in the Honor Code.

12. **Duty to Cooperate.** The Respondent will reasonably cooperate with the investigation and, if necessary, hearing. This duty includes answering questions fully and honestly and presenting requested information; however, the Respondent has the right not to answer questions if he/she is facing charges in criminal court for the same or similar behavior.29 Lying in the course of an investigation or hearing may be considered a separate violation of the Honor Code. This duty also includes complying promptly with requests for meetings or information.

B. **Rights and Duties of the Reporting Party**

1. **Right to Freedom from Harassment and Retaliation.** The right to be free from harassment, intimidation, and coercion, including attempts to change testimony. Any violations of this right may be considered a serious violation of the Student Code of Conduct.

2. **Duty to Preserve Confidentiality.** The Reporting Party will keep all matters regarding the honor case confidential except from those who have a legitimate educational interest in the information under the Family Educational Rights and Privacy Act.30

3. **Right to Know the Outcome of the Case.** Faculty reporters will have the right to know the outcome of the case, both following the hearing, and if applicable, the appeals process. This right does not extend to all case materials. Due to the protections afforded student records, this provision does not extend to those who do not have a legitimate educational interest in receiving the information.

4. **Right to Know Grounds for Dismissal of Case.** Faculty reporters will have the right to know the basis for dismissal of a particular case, regardless of the stage at which the case is dismissed, if such knowledge serves a legitimate educational purpose.

5. **Right to Request Student not Participate in End of Semester Evaluations.** A faculty member who reports a student for a potential violation of the Honor Code will have the right to request that the student be excluded from conducting a formal end of semester evaluation.

6. **Duty to Cooperate.** The Reporting Party will cooperate reasonably with the investigation and, if necessary, hearing. This duty includes answering questions fully and honestly and presenting requested information and complying promptly with requests for meetings or information.

C. **Rights and Duties of Witnesses**

1. **Right to Freedom from Harassment and Retaliation.** The right to be free from harassment, intimidation, and coercion, including attempts to change testimony. Any violation of this right may be considered a serious violation of the Student Code of Conduct.

2. **Duty to Preserve Confidentiality.** Witnesses will keep all matters regarding the honor case confidential.

3. **Duty to Cooperate.** Student witnesses will reasonably cooperate with the investigation and, if necessary, hearing. This duty includes answering questions fully and honestly and presenting

28. For example, when either the Dean of Students or the Director of Student Conduct is the Reporting Party, he/she would not also conduct the post-hearing review or provide advice to the panel or Presiding Chair.

29. The Respondent should make the Chair aware of any reasonably foreseeable criminal charges during the investigation phase, and the Chair may deem an assertion of this right improper if the party was aware of pending charges and failed to make the Chair aware until the hearing. One cannot assert the right not to answer questions solely in order to protect another.

30. Examples include faculty supervisors and members of the Dean of Students staff.
requested information; however, the witness has the right not to answer questions if he/she is facing charges in criminal court for the same or similar behavior.\textsuperscript{31} Lying in the course of an investigation or hearing may be considered a separate violation of the Honor Code. This duty also includes complying promptly with requests for meetings or information.

D. Rights and Duties of the College and the Council

1. The College has the right to have its own counsel present when a student chooses to have legal counsel present.\textsuperscript{32}

2. Members of the Council will have the right to be free from harassment and retaliation specified in Sec. V.B.1. above.

3. The College and the Council have the duty to treat all parties fairly and with respect.

4. Pending final disposition of a case, the College has the right to withhold the awarding of academic credit for any courses taken during the term in which the alleged violation occurred and/or to withhold the awarding of an academic degree.

E. Students with Disabilities. The College is committed to providing reasonable accommodations for students with documented disabilities. Such accommodations may include, but are not limited to, administrative assistance, additional time, and/or an alternative to the formal hearing process. Students with disabilities who need reasonable modifications to address a suspected violation of the Honor Code are encouraged to meet with the Director of Disability Services/designee as early in the process as possible to identify and plan specific accommodations. Students will be asked to provide medical documentation. The Director of Disability Services/designee will inform the Council of appropriate accommodation(s).

VI. Honor Code Violations\textsuperscript{33}

A student violates the Honor Code if the student engages in dishonorable conduct as defined below. The Honor Code will be applied reasonably in accordance with the examples below. Examples of proscribed conduct are meant to be instructive and not all-inclusive.

A. Lying: the presentation of false information with the intent to deceive. Lying includes, but is not limited to:

1. Misrepresenting oneself or one’s accomplishments for the purpose of gaining an academic advantage or an advantage in opportunities for employment or other co-curricular opportunities;

2. Falsifying College documents including alteration or forgery;

3. Providing false or misleading information to Honor or Student Conduct members during the course of an investigation or hearing of an alleged violation of the Honor Code or Student Code of Conduct. Lying within this context may be charged as a separate offense.

B. Stealing: knowingly taking or appropriating the property of another, including property of the College, without the rightful owner’s permission and with the intent to permanently or substantially deprive the owner of the property. One does not receive rightful permission if it is induced by fraud or deception.

C. Cheating: including, but not limited to, the following acts:

1. Plagiarism: the presentation, with intent to deceive, or with disregard for proper scholarly procedures of a significant scope, of any information, ideas or phrasing of another as if they were one’s own without giving appropriate credit to the original source.

   a. One commits plagiarism when one includes the words of another without quotation or when one includes the substantive work of another without properly crediting the source with footnotes, quotation marks, or other appropriate citation.

\textsuperscript{31} The party should make the Chair aware of any reasonably foreseeable criminal charges during the investigation phase, and the Chair may deem an assertion of this right improper if the party was aware of pending charges and failed to make the Chair aware until the hearing. One cannot assert the right not to answer questions solely in order to protect another.

\textsuperscript{32} The College’s counsel may include the College’s legal counsel or a member of the Dean of Students staff. Students must notify the Chair of the presence of legal counsel at least 48 hours prior to the hearing, and the Chair retains the right to bar any legal counsel from the hearing if sufficient notice has not been provided.

\textsuperscript{33} Specific application of these policies may vary by department or school, and schools, departments, and/or faculty are encouraged to make all students within their programs aware in advance of the particular expectations of their students. Students are expected to be responsible for knowing College, school, departmental and individual instructor policies regarding the Honor Code.
b. A student’s intent may be inferred based on the extent and context of the improperly cited material and whether the student has provided false citation or has manipulated the original text such that a reasonable person may conclude the student did so in order to avoid detection.

c. Disregard for proper scholarly procedure that is minimal in scope may be addressed solely as an academic matter, and the instructor may determine whether an academic penalty should be applied without pursuing resolution under the Honor Code. But any intentional acts of plagiarism or disregard for scholarly procedure of a significant scope should be treated as a violation of the Honor Code and addressed under either Sec. VIII or Sec. IX below.

2. **Unauthorized Assistance/Collaboration**: giving unauthorized aid to another student or receiving unauthorized aid from another person on tests, quizzes, assignments or examinations. Unauthorized assistance includes providing information to another about an assignment or examination prior to the conclusion of the administration of such exams/assignments to all related sections of the course unless permitted by the instructor.

3. **Use of Unauthorized Materials**: using or consulting unauthorized materials (including electronic materials) or using unauthorized equipment or devices on tests, quizzes, assignments, or examinations.

4. **Unauthorized Dual Submission of Previous Academic Work**: using any material portion of a paper or project to fulfill the requirements of more than one course unless the student has received prior permission to do so from the appropriate instructor(s).

5. **Time Constraint Violation**: intentionally commencing work or failing to end work on any examination, test, quiz, or assignment according to the time constraints imposed.

6. **Directions Violation**: failing to follow instructions for an assignment or examination despite knowing or having reason to know that such conduct would result in an unfair academic advantage.

VII. **Reporting Violations**

A. **Timeline for Addressing and Reporting.** Alleged academic cheating or lying violations must be addressed and reported within 30 days of discovery unless the Vice President for Student Affairs finds good cause for delay. Allegations of non-academic lying or stealing must be addressed and reported within four months of discovery unless the Vice-President for Student Affairs finds good cause for the delay and he/she determines that a fair hearing may be held despite the delay. Once a party officially reports an alleged violation, he/she may not withdraw the complaint unless the Chair agrees such withdrawal is appropriate.  

B. **Good Faith Requirement.** The Code is not designed to be a tool of harassment. The Chair of the appropriate Council may decline to pursue allegations that appear to be motivated by personal animosity, and students alleging misconduct without a good faith basis to do so may be charged with an Honor violation or with “Abusing the Conduct System” under the Student Code of Conduct.

C. **Initial Discussion.** Prior to formally pursuing a suspected violation under the Code, the Reporting Party must make a diligent and good-faith effort to discuss the matter with the alleged violator, preferably in person. This discussion should occur as soon as practical after the Reporting Party observes or learns about the alleged violation, as specified in Sec. VII.A. The Reporting Party should request a truthful explanation of the suspected violation, reminding the Respondent of his/her obligation to uphold the Honor Code. If the student offers an explanation that satisfies the Reporting Party that no violation has occurred, both parties are to move forward as though there is no violation. If, however, the Reporting Party remains concerned that a violation has occurred, or if despite good faith efforts an initial discussion between the parties is not held, he or she should pursue the matter under Sec. VIII (if appropriate) or Sec. IX.

---

34. An example would be when another person accepts responsibility for the alleged violation.
VIII. Optional Early Resolution Procedures

A. Early Resolution under the Honor Code. In participating academic units, a faculty member may propose early resolution of suspected Level I and II Honor Code violations (see Appendix I) directly to the student rather than refer the matter to the Honor Council. An instructor considering this option contacts the Office of Student Conduct (prior or subsequent to an initial conversation with the student under Sec. VII.C above) for guidance on the level of conduct at issue, the student’s eligibility for early resolution (which may be restricted due to previous Honor or serious Conduct violations), and the sanctions available (see Appendix I).

B. Early Resolution Proposals

1. **Level I Violations.** The instructor proposes a grade penalty and an educational requirement in accordance with Appendix I.

2. **Level II Violations.** The instructor proposes both a grade penalty and referral to the Honor Council for hearings on an additional sanction in accordance with Appendix I.

3. **Level III Violations.** Level III Violations are not eligible for early resolution and must be referred to the Honor Council for investigation and, if necessary, hearing.

C. Early Resolution Process

1. An instructor who chooses to offer early resolution informs the student of the student’s option to consult with the Office of Student Conduct staff and of the right to consult a student advisor prior to agreeing to the proposal.

2. An instructor who chooses to offer early resolution reports the proposal to the Office of Student Conduct.

3. The Office of Student Conduct summarizes the suspected violation(s) and proposed sanction in writing, and the student has one business day to decide if he/she accepts the instructor’s proposed early resolution.

4. If the student agrees to the proposed early resolution, the Office of Student Conduct provides a copy of the agreement to the instructor, the Honor Council, and the student.

5. If the student agrees to the proposed early resolution, the matter of the violation is considered resolved, and no subsequent appeal is possible (although any additional sanction imposed by the Honor Council in Level II violations under Sec. VIII.B.1 above may be appealed).

6. If the student contests the suspected violation and/or declines the early resolution proposal, the instructor reports the alleged violation to the Office of Student Conduct and informs the student of the duty to report to the Honor Council under Sec. IX.

7. An instructor who chooses not to offer early resolution reports the alleged violation to the Office of Student Conduct and informs the student of the duty to report to the Honor Council under Sec. IX.

8. If the student is not enrolled in the course that was allegedly compromised, the instructor handles the matter under Sec. IX.

IX. Honor Council Resolution Procedures

A. Referring to the Honor Council. If after initial discussion with the student (VII.C), the Reporting Party remains concerned that a violation may have occurred (and provided an early resolution agreement under Sec. VIII is not possible), he or she submits a report through the Office of Student Conduct to the Chair of the appropriate Honor Council within five days (or longer, provided the latter finds good cause for the delay). Upon receipt of the report, the Chair will notify the Respondent of the alleged misconduct, inform him/her of his/her right to receive the assistance of a student advisor and provide him/her with a list of current Council members, as well as instructions for the Respondent to indicate whether he or she believes any member of the Council would be unable to render a fair decision based on the facts and circumstances presented.

---

35. Early resolution is an option for all Level I or II violations when the Respondent is an undergraduate. The Council for each graduate/professional school, in consultation with the Honor System Advisory Committee, decides whether to make early resolution an option for all Level I or II violations involving Respondents enrolled in that school.

36. Graduate and Professional students may opt to request the assistance of trained undergraduate student advisors if desired.

37. Respondents must document in writing the reasons they believe a member is unable to fairly hear the case, and the Chair will promptly respond in writing the decision and, in the event of a denial, the basis for the decision.
B. Reporting to the Honor Council or Resigning from the College. The Respondent will have the option of reporting himself/herself to the Honor Council Chair or resigning from the College within two business days. The Respondent may meet with the Dean of Students/designee to discuss options before making a decision.

1. Resignation. Resignation is an agreement that the student will leave the College within 48 hours and will not seek or receive re-enrollment at any point in the future as a student in any program. The Dean of Students will place a permanent notation on the student’s transcript: “Resigned under suspicion of an honor code violation: ineligible to return.” The student must sign a notarized statement indicating the intention to resign and the understanding of the terms attendant with resigning.

2. Failure to Report/Resign. The Honor Council may proceed in investigating the matter if, after two business days have passed, the Respondent has not contacted the Chair or resigned from the College.

C. Honor Council Chair’s Obligation to Report to the Office of Student Conduct. The Chair will immediately notify the Office of Student Conduct of any reports of alleged violation received by that Council.

D. Determining Jurisdiction.

1. Alleged violations of both the Honor Council and the Student Code of Conduct. If the alleged misconduct involves possible violations of the Honor and Student Conduct codes, the Dean of Students will determine which forum, student conduct or honor, is appropriate to resolve the charges. In any case, there may only be one hearing to resolve the matters asserted. The Dean’s decision is final and may not be appealed.

2. Proper Jurisdiction. Before commencing an investigation, the Chair must first determine that the Honor Council has proper jurisdiction over the matter. Proper jurisdiction results when the alleged conduct reasonably constitutes a possible violation of the Code, the alleged violation was committed while the person was a student as defined in the Student Handbook, and the matter asserted is not inconsequential. The Chair must disclose the decision regarding jurisdiction to the Reporting Party, the Respondent, and the Council within two days. If the Chair finds that the Council does not have proper jurisdiction for any of the above reasons, he/she will submit a 1-3 line summary of the matter, to be maintained by the Dean of Students, and dismiss the case. All other records of the matter will be destroyed within two weeks of the decision.

E. Investigations

1. If the Chair determines that the Council has jurisdiction, he or she will appoint an investigation team to investigate the matter. Based on the complexity of the matter asserted or the number of possible witnesses involved, the Chair may appoint the number of investigators he/she deems necessary to conduct a timely and thorough investigation. The investigation team’s responsibilities include interviewing necessary witnesses and collecting and preserving other necessary and relevant information. The team will prepare an investigation report detailing the significant facts and information gathered in the investigation. The report will not contain opinions regarding whether the student has violated the Code, regarding witness credibility, or regarding the reliability of any information provided, although the report may point out consistencies or inconsistencies between witness statements and/or other available evidence. Both the Reporting Party and the Respondent will be provided the opportunity to submit written statements to be included in the investigation report prior to its completion.

2. In general, the investigation report should be completed within seven days unless the Chair grants an extension in writing for good cause shown. The Chair must notify the Reporting Party and the Respondent of any extension and deadline for completion of the investigation.

F. Sufficient Evidence Determination. Within five days of receipt of the final investigation report, the Chair will refer the case to a three-member Sufficient Evidence Panel (SEP) to review the investigation report and determine if sufficient evidence exists to refer the matter to a hearing. The SEP will not base its decision on whether it ultimately believes the student has violated the Code, but whether there is sufficient evidence for a hearing panel to conduct a more thorough hearing into the matter and that the matter at issue is legitimately embraced within the proscribed conduct outlined in the Code. If at least two of the three panel members find sufficient evidence, the matter will be referred to a hearing as soon as practical. The Chair will prepare and present
to the Reporting Party and Respondent a brief written statement outlining the SEP’s decision and its bases and, if a finding of sufficient evidence was reached, the primary information expected to be presented at the hearing. The SEP’s decision is final and may not be appealed.38

G. Hearings. As soon as practical, the Chair will meet with the Respondent and his/her student advisor, if the student has chosen one, to provide: a copy of the charges that will be addressed at the hearing; a copy of the investigation report and list of potential witnesses expected to appear; written notice of the date, time, and location of the hearing; and a copy of this Honor Code if the student has not received one previously. If the Respondent does not reply to reasonable efforts by the Chair to schedule this meeting, the Chair may send the information to the student electronically.

1. **Type of Hearing Conducted.** The Respondent will be provided at least 72 hours to review the investigation report and, if desired, she or he may elect in writing to accept the findings of the report and accept responsibility for the charges.
   a. **Student Not Challenging Charges.** If the student accepts the charges in writing as specified above, the panel will hear information about the alleged offense but will focus primarily on the issue of sanctioning.
   b. **Student Challenging the Charges.** If the student does not accept the charges, or if the student does not respond, the hearing will focus first on the issue of whether the student violated the Code and, if so, what sanctions should apply.

2. **Composition of the Panel.** Hearings will be conducted before a panel of six Honor Council members appointed by the Chair/designee.39 Where possible, the Chair will serve as Presiding Chair of the hearing panel, though another Council member may be designated to serve in that capacity where necessary. One Council member will serve as Hearing Recorder and will operate the recorder and type hearing notes during the hearing.40

3. **Rules of Evidence.** Hearings will be conducted in an equitable manner so as to provide fairness to the principal parties and all other interested parties. Formal rules of evidence employed by the Courts of Law do not apply to Honor Code proceedings. Information that does not come from a first-hand source may be considered, although a finding of responsibility will not be premised solely on such information. Lie detector/polygraph evidence is not permissible.

4. **Timeline.** Hearings will be conducted no sooner than a) one week from the time the student was originally informed of the allegation or b) 72 hours after the Respondent is formally notified of the SEP decision and charges, whichever time period is longer. The hearing will not occur more than two weeks after this notification unless the Chair has granted an extension for good cause. Hearings will not be conducted in conflict with religious holidays or practices of the principal parties and should be scheduled, to the extent feasible, to accommodate the schedules of the principal parties.

5. **Location of the Hearing.** Hearings will be conducted in an environment that provides an appropriate level of confidentiality.

6. **Requests for an Open Hearing.** The Respondent will enjoy the right to have his hearing closed to the public unless he/she waives this right in writing at least 72 hours prior to the hearing. The only persons permitted in a closed hearing are the Honor Council members involved in the hearing, the Respondent, witnesses during their portion of testimony, and, if chosen, his/her student advisor, one silent supporter, and one immediate family member. The student advisor, silent supporter and family member will not serve as witnesses in the hearing. A request for an open hearing does not necessitate a change in the ordinary location of the hearing. The presiding chair may close an open hearing for the following reasons: a request is made by one or more students in a case where two or more are charged in the same incident; a Reporting Party can demonstrate that an open hearing would violate his/her rights; or if the open hearing results in disruption of the process or raises safety

38. If the Provost determines that consequential new information has arisen regarding a case that has been dismissed by a previous SEP, he/she may refer the matter to the appropriate Council for a new investigation and, if warranted, hearing.

39. No member who has served on the investigation team or SEP will be appointed to the hearing panel. If insufficient members from the Council are available for the hearing, the Chair may appoint to the panel other members of the student body of the academic unit in which the Respondent is enrolled. These appointees must receive advance training from the Office of Student Conduct prior to hearing the case.

40. Hearing notes are not a verbatim transcript. The notes and the recording will remain the property of the College.
or security concerns. The Presiding Chair must announce the closing and the reasons for closing the hearing on the record, and the Respondent may appeal on this basis if she or he can establish that this decision may have affected the outcome of the case.

7. **Conduct of the Hearing.** The hearing normally will consist of distinct phases: the “responsibility phase,” during which the panel will consider evidence regarding whether a violation has occurred and the “sanctions” phase, during which the panel will consider evidence related to what sanctions to administer.

   a. Where the Respondent is challenging the charge, a finding of responsibility will require at least five of the six panel members deciding that the evidence presented establishes the Respondent’s responsibility for the charge beyond a reasonable doubt.

   b. The Presiding Chair will exercise control over the proceedings and the conduct of all persons participating in or observing the hearing. The Presiding Chair also makes determinations regarding the relevance or admissibility of evidence. The presiding chair may limit questions that are repetitive or unlikely to produce new information.

   c. The number of character witnesses permitted to testify during the sanctions phase generally will be limited to two, although the Respondent may introduce letters from other parties that are relevant to the issue of sanctioning.

   d. The hearing will begin with the Presiding Chair reminding all parties that the proceedings are confidential unless the Respondent has requested an open hearing and that request has been granted.

   e. The Presiding Chair will read the charge and ask the Respondent to indicate whether he is accepting responsibility for each violation.

   f. A member of the investigating team will present the results of the investigation and call witnesses as necessary to provide the panel with information required to make an informed decision. A member of the investigating team, the panel members, the Presiding Chair, and the Respondent and his/her advisor will be permitted to question the Reporting Party and all witnesses.

   g. The Respondent will be permitted to present his/her case.

   h. A member of the investigating team, the Presiding Chair, and the panel members will be permitted to question the Respondent and any witnesses.

   i. Following presentation of all information, the Presiding Chair will remind the panel of the duty to evaluate carefully the evidence presented in order to determine whether a violation has occurred and that a finding of responsibility requires a vote of at least five of the six panel members finding proof beyond a reasonable doubt. All panel deliberations will occur in private, and the panel may consult the Presiding Chair or the Dean of Students/designee with questions about interpretation of the Code, case precedent, or procedural matters.

   j. If the panel finds the Respondent responsible for at least one violation, it will conduct the sanctions portion of the hearing during which the panel will determine the appropriate sanctions for the violation(s). The panel will consider the gravity of the violation, the impact or potential impact of the violation on the community, and actions necessary to remedy the violation. The panel also may consider extraordinary circumstances present at the time of the violation that impacted the Respondent’s actions and any aggravating factors such as a prior record of violation or the Respondent’s failure to cooperate fully with the process. The sanction will require the support of at least four of six panel members. The sanctions hearing usually will occur on the same day, although the sanctions hearing and deliberations may be postponed for good cause (e.g., to accommodate participation by previously-scheduled character witnesses) and scheduled as soon as possible (with the same panel composition) thereafter, but not more than seven days later unless approval is granted by the Dean of Students.

   k. Following the determination of sanction, the Presiding Chair will inform the Respondent of the sanctions in writing, including a statement affirming that the sanctions were supported by at least four of the five panel members.

   l. The Hearing Secretary will prepare a summary report of the hearing, including the decision of the Honor Council. The Secretary will deliver the case file, the hearing
notes, and the panel’s decision and rationale to the Office of Student Conduct, typically by the end of the next working day. The record of the hearing will consist of the audio recording of the hearing and the tangible evidence presented at the hearing.

X. Sanctions

A. Initial Level. The presumptive initial levels of sanction for each category of violation defined in Sec. VI are established by the Honor System Advisory Committee (see Honor Code Appendix I) in consultation with the Councils. Those levels may be different for undergraduates and students in each graduate/professional program.

B. Sanction Hearing. Following early resolution of a Level II violation or a finding of responsibility in an Honor Council hearing, the panel will determine the appropriate final sanction(s) to assign. It will consider extraordinary circumstances or aggravating circumstances by evaluating the facts and circumstances of the offense, the gravity of the violation(s), the harm/potential harm created by the act, and the student’s prior record of Honor or Code of Conduct violations. The Council may assign any of the primary sanctions listed in Sec. VII. of the Student Handbook and any combination of secondary sanctions including, but not limited to, loss or restriction of particular privileges, community service, an essay, restitution, or other reasonable sanctions.

C. Written Finding. All sanctions imposed by a hearing panel must be accompanied by written findings that explain why the panel determined such a sanction to be appropriate. Any significant deviation from the initial presumptive sanction level in Appendix I must be substantiated in the panel’s rationale.

D. Grade Determination

1. An instructor may assign a grade penalty up to, and including, a failing course grade if the student either accepts a proposal for early resolution (Sec. VIII) or is found in violation by the Honor Council (Sec. IX). Following a hearing, the Honor Council may recommend a grade penalty, but the instructor retains the final decision regarding the student’s earned grade. If the student receives a failing grade as a result of an academic integrity violation, that grade will remain on the transcript even if the student has withdrawn, or has been withdrawn from the course, and regardless of whether the student retakes the course.

2. In some cases the alleged misconduct may be found not to be a violation of the Honor Code, but instead may be considered a failure of the student to understand or abide by the instructor’s directions for the assignment. In such a case, the faculty member may assign a grade penalty proportionate to the violation of directions on his/her own authority independent of the Honor Code.

XI. Post-Hearing Review Procedures

A. Dean of Students Review. Upon receipt of an Honor Council’s written finding of responsibility, the Dean of Students/designee, in consultation with the Dean of the school with jurisdiction, will commence a review of the case, including the case documents, hearing notes, rationale of the panel, and, if necessary, the hearing recording.

1. If the Dean of Students finds that the judgment and/or sanction was discriminatory or that material prejudicial procedural error occurred that significantly affected the outcome, the Dean of Students may set aside the judgment and, if the error can be corrected on re-hearing, order that the matter be reheard.

2. If the Dean of Students finds that the sanction is impractical or cannot be implemented under law or College policy, the Dean may modify the sanction.

B. Sanction Modification. The Dean of Student’s decision to modify the sanction will be provided in writing to the Respondent and the Chair of the Honor Council; the student may appeal the decision to modify the sanction. The Dean of Students will summarize the outcome of the case in an official letter to the Respondent.

XII. Appeals Procedures

A. Timeline for Appeal. The Respondent must submit a written appeal specifying the ground(s) for appeal and the reasoning supporting the grounds to the Vice President for Student Affairs within
seven days of receiving written notice from the Dean of Students/designee. The Vice President may grant reasonable extensions for good cause.

B. **Grounds for Appeal.** Appeals are limited to the following grounds:
   1. The judgment and/or sanction violate College discrimination policy;
   2. Violation of rights provided in the Code in Sec. VI.A.;
   3. Procedural error that significantly affected the outcome of the hearing;
   4. Insufficient evidence to support the finding of responsibility;
   5. Excessive or inappropriate sanction; or
   6. New or potentially exculpatory evidence discovered after the hearing that is not merely corroborative and could not have been discovered by due diligence.

C. **Appeals of Permanent Dismissal** may be directed to the Provost for a complete review and do not require review by the Appeals Committee.

D. **Grounds for Appeal of Early Resolutions**
   1. For Level I violations resolved informally, the Respondent may not appeal the violation or the sanctions issued; however, the Respondent will retain the option of requesting a grade review in accordance with the policies established in the relevant *Course Catalog*.
   2. For Level II violations resolved informally, the Respondent may request an appeal limited to the sanctions issued. The Respondent also may request a grade review in accordance with the policies established in the relevant *Course Catalog*.

E. **Appeals of Council Resolutions.** Respondents may appeal the outcome of their case on the bases and according to the procedures established in this section. All appeals of honor cases will automatically be referred to the Appeals Committee. If the Committee finds merit in the appeal, it will be referred to the Provost for review. The Provost’s decision is final and may not be appealed further.

F. **Appeals Procedures**
   1. Upon receipt of a properly filed and timely appeal, the Vice President for Student Affairs/designee will send the Respondent the list of Appeals Committee members and instructions that the Respondent may raise objections to any particular member of the Committee whom the Respondent believes has a conflict of interest to review the case. The Respondent will be required to state the reason for conflict of interest with specificity, and the Vice President/designee will determine whether there is indeed a conflict that would prevent the member from fairly reviewing the appeal.
   2. The Vice President/designee will promptly notify the Appeals Committee members of the name of the Respondent, the Reporting Party and material witnesses in order to permit the members to recuse themselves from serving on the panel if the member has a real or perceived conflict of interest.
   3. The Vice President/designee will appoint a four-member panel, composed of one faculty member, one administrator, and two students from the Respondent’s academic unit, to review the student’s appeal. Should temporary Appeals Committee members be required, the Vice President may make the necessary appointments.
   4. The Appeals panel will review the Respondent’s appeal letter, the case file, and any other records it deems advisable.
   5. The panel will render its decision within seven days from the time the appeal was filed unless the Vice President authorizes a reasonable extension for good cause.
   6. The Appeals panel will determine whether the Respondent has made a claim that has potential merit, and if so, the panel will submit its brief rationale to the Provost to be included among the materials for review.
   7. If the Appeals panel finds “no merit,” the appeal will be denied, and this decision will be final, and no further appeal may be submitted.

G. **Provost’s Review**
   1. The Provost may order a new hearing take place if he/she finds that the matter may be corrected upon rehearing. The Provost has discretion to order that the new hearing take place before a new panel if he/she concludes that the previous panel cannot re-hear the matter fairly.
2. If the Provost finds that the sanctions imposed are excessive or inappropriate, or not permitted by law or College policy, he/she may lessen the sanctions as appropriate.

3. If the Provost concludes that a re-hearing cannot remedy the issue, he/she may dismiss the case.

4. The decision of the Provost is considered final, and no further appeal may be submitted.

XIII. Amendments

A. Approval of Processes for Review. The Honor System Advisory Committee must approve each governing body’s procedures for approval or rejection of any proposed Code changes.

B. Amendments to Core Provisions of the Code

1. Sections I-III, V-VII, X and XIII are considered core provisions of the Code. Proposals to modify core provisions may be submitted to the Honor System Advisory Committee from any Council or any member of the College community and should be accompanied by an explanation and/or rationale. Preliminary approval of core provisions requires the assent of at least 7 of the 9 voting members. Following preliminary approval, proposals will be forwarded to the governing bodies of each Council which will have at least one month to consider and vote upon the recommendations. Proposed recommendations must be approved by all six governing bodies, and if so, will be submitted to the President who will render the final decision. Proposals that do not garner the approval by all six governing bodies or the President will be returned the Honor System Advisory Committee for reconsideration, and the Committee will have the option to amend the proposals and resubmit them to the governing bodies. The governing bodies will be granted at least two weeks to reconsider any previously rejected proposal.

C. Amendments to Procedural Provisions of the Code

1. Sections IV, VIII and IX as well as Appendix I are considered procedural provisions. Procedural provisions may be received and approved by the HSAC with the assent of at least 7 of the 9 voting members. No further review is required.

D. Amendments to Council Bylaws

1. Each Honor Council will maintain Bylaws governing the internal operation of the Council, the qualification of members and their manner of selection and removal.

2. Councils will submit changes to its Bylaws to the Honor System Advisory Committee. The Committee will review the proposed changes and, in a timely fashion, indicate whether it approves of the changes or has reservations with them. If a majority of Committee members indicates reservations, the committee will convene to discuss the proposed changes. By a majority vote, the Committee may accept, reject, or revise and return the proposals to the Council for reconsideration.

Appendix I: Sexual Misconduct Policy and Procedure

I. Introduction

We encourage members of the campus community who experience any form of sexual misconduct discussed in this policy to contact one of the persons/offices listed in Section II below – regardless of when or where the act occurred. These resources can assist the student in recovering from the experience and in deciding what options may be available, such as the student conduct process, the criminal justice system and the civil courts. Some of these resources may also be available for non-students.

For more information on sexual misconduct, see the Sexual Assault Resources and Education website.

As a recipient of federal funds, the College is required to comply with Title IX of the Higher Education Amendments of 1972, 20 U.S.C. § 1681 et seq., which prohibits discrimination on the basis of sex in education programs or activities. Sexual misconduct, as defined in this policy, is a form of sex discrimination prohibited by Title IX.

In compliance with Title IX, the College provides a procedure (described below) for reporting, investigating and adjudicating sexual misconduct committed by students. (Students experiencing sexual misconduct committed by a university employee or third party should contact the Office of Equal Opportunity or the College’s Title IX Coordinator for information about applicable complaint procedures.) Although the College encourages students to use College procedures, students may also file a Title IX complaint with the Office of Civil Rights of the U.S. Department of Education.

Anonymity and Confidentiality; Students Who Do Not Want to Take Formal Action or Pursue Conduct Charges

Students or others who are not sure whether they want to make a complaint should still seek help from the resources listed below. Contacting the Dean of Students Office or another campus resource does not mean that the student must file an official report with the College or report the assault to law enforcement. These resources are provided to offer non-judgmental support and information to help the student decide what is best for him or her as he or she recovers.

The College makes every effort to protect students’ privacy and confidentiality. Information reported will be shared only on a need-to-know basis, and after consultation with the reporting student. The College also takes steps to protect students against further misconduct, including retaliation, as described below. If a student (or other person) informs a campus resource of an incident of sexual violence or other form of sexual harassment, the College may need to investigate and take appropriate action to fulfill its Title IX obligation to provide a non-discriminatory environment, even if the student wishes to remain anonymous or not to pursue a conduct charge.42

Amnesty from Student Discipline for the Reporting Party

Assisting students who are reporting sexual misconduct is the College’s primary interest. In order to facilitate reporting and assist in case resolution, the Dean of Students may choose not to charge students who report sexual misconduct and any material witnesses with Code of Conduct violations for behavior that otherwise would be considered violations (for example consuming alcohol under age or consuming illegal drugs).

42. Title IX requires the College to provide a non-discriminatory environment for all students. Accordingly, if a reported act of sexual misconduct indicates that this environment may be compromised, the Dean of Students Office may conduct a preliminary investigation into the alleged sexual misconduct and may weigh a reporting party’s request for anonymity against the following factors: the seriousness of the alleged conduct; whether there have been other complaints of sexual misconduct against the same student; and the right of the student alleged to have committed sexual misconduct to receive information about the allegations if the information is maintained by the College as an “education record” under FERPA. The Dean of Students will inform the reporting party if the College cannot ensure absolute privacy.
Protecting Students Reporting Sexual Misconduct

When a student reports sexual misconduct to any campus resource, that resource will work with the Dean of Students Office to make sure the reporting student is protected (such as against further misconduct). The Dean will consult with the reporting party regarding protective measures such as changes to College housing and/or academic schedules, removing the student’s information from the College directory, and issuing a “no contact order.” The Office of the Dean of Students will enforce protective measures under the Code of Conduct.

Hospital Emergency Room
Sentara Regional Medical Center (Williamsburg) and Riverside Hospital (Newport News) are the nearest hospitals with a SANE Nurse (Sexual Assault Nurse Examiner) on staff. If sexual misconduct occurred within the last 72 hours, a SANE Nurse can collect forensic evidence for use in a possible criminal investigation. Having evidence collected does not mean that the student has to make a decision about whether to report the assault at that time. The student can request an anonymous Physical Evidence Recovery Kit (PERK) and make the decision to report the assault when he/she is ready. The PERK can be stored for a year while the student decides. If the student decides to go to the hospital, he or she should consider contacting an advocate so that the student has the information needed to make the choices that are right for him/her.

II. Overview and Purpose of Sexual Misconduct Policy
Our community of trust requires that students treat one another with respect, dignity and fairness. In an intimate relationship, these values are of paramount importance. Sexual misconduct, as defined by this policy, includes a broad range of behavior such as inappropriate physical touching, sexual exploitation, and sexual intercourse without consent and other forms of sexual violence. Sexual misconduct may be a crime.

The College is committed to maintaining an environment that is free from sexual violence and in which the freedom to make individual choices regarding sexual behavior is respected by all. Sexual intimacy requires effective consent (as defined in Section III.B). Sexual misconduct by anyone is unacceptable and will be addressed in a timely fashion and with serious consequences by the College.

This policy and procedure are the university’s grievance procedure required by Title IX. This policy and procedure are designed to provide students charged with sexual misconduct with due process while ensuring a reporting party’s protections under Title IX and providing prompt and equitable resolution of charges.

Violations
Sexual Misconduct is a category of behavior that includes actual or attempted
1. Sexual harassment,
2. Non-consensual sexual contact,
3. Non-consensual sexual intercourse, and
4. Sexual exploitation.

Sexual misconduct can occur between strangers or non-strangers, including people involved in
an intimate or sexual relationship. Sexual misconduct can be committed by males or by females, and it can occur between people of the same or different sex. Sexual violence is also sexual misconduct.

**Sexual Harassment**

Sexual harassment is unwelcome verbal or physical conduct, including sexual violence, when:

- Submission to such conduct is made a term or condition of employment, education, or participation in a College activity, such as admission into a class or program; or
- Submission to or rejection of such conduct is a factor in a decision affecting employment, education, or participation in a College activity, such as a student’s grade.

Another form of sexual harassment is unwelcome verbal or physical conduct based on sex or gender that unreasonably interferes with a student’s academic (or work) performance or living conditions, or creates an intimidating, hostile, or offensive environment. This form of harassment may include acts of intimidation, aggression or hostility based on sex or sex-stereotyping, even if the acts do not involve conduct of a sexual nature.

**Non-Consensual Sexual Contact**

Non-Consensual Sexual Contact is either of the following without effective consent (see below for the definition of consent):

- deliberately touching a person’s intimate parts (including genitalia, groin, breast or buttocks, or clothing covering any of those areas), or
- using force or threat of force to cause a person to touch his or her own or another person’s intimate parts.

**Non-Consensual Sexual Intercourse**

Non-Consensual Sexual Intercourse is the penetration (anal, oral or vaginal) by a penis, tongue, finger, or an inanimate object without effective consent.

**Sexual Exploitation**

Sexual Exploitation is taking sexual advantage of another person without effective consent and includes, without limitation, causing the incapacitation of another person for a sexual purpose; causing the prostitution of another person; electronically recording, photographing, or transmitting intimate or sexual utterances, sounds or images of another person; allowing third parties to observe sexual acts; engaging in voyeurism; distributing intimate or sexual information about another person; and/or knowingly transmitting a sexually transmitted infection, including HIV, to another person.

**Effective Consent and Incapacitation**

**Effective Consent for Sexual Activity**

Students choosing to engage in any form of sexual activity – from touching or kissing to intercourse – must obtain consent from their partner(s) prior to engaging in such activity. Consent for sexual activity can only be obtained in situations where all people involved have equal power in deciding what will and will not happen during an encounter. Getting consent is an active process that involves clearly communicating intentions and desires. Consent for sexual activity is based on the mutual understanding and respect of all people involved for the desires and wishes of their partner(s). Consent is informed, with all people involved having the information relevant to the sexual activity in question. Consent:

- Is mutually understandable when a reasonable person would consider the words or actions of the parties to have manifested an understandable agreement between them to do the same thing, in the same way, at the same time and with one another.
- Is not merely the absence of a verbally stated “no”

---

44. Conduct is unwelcome if the person to whom it was directed did not request or invite it and regarded the conduct as offensive or undesirable.

45. This form of sexual harassment is known as “quid pro quo” harassment.

46. For more information regarding the College’s Sexual Harassment policy, see the Office of Equal Opportunity’s website.

• Is never final or irrevocable
• Is time-limited and situation-specific; even if someone obtained consent from a partner(s) in the past, this does not mean that consent is automatically granted again
• Can only be given by someone who is free from verbal or physical pressure, coercion, intimidation, threat, or force
• Can only be given by someone in an unimpaired state of mind who is able to understand what is happening; consent is not valid if the party from whom consent is sought is impaired by the use of alcohol or drugs, if the party is asleep, passed out or unconscious.

The use of drugs or alcohol is not an excuse for failing to obtain consent for sexual activity.

**Incapacitation**

One who is incapacitated cannot provide effective consent. Incapacitation is the physical and/or mental inability to make informed, rational judgments. States of incapacitation include, without limitation, sleep, and blackouts. Where alcohol or drugs are involved, incapacitation is a state beyond drunkenness or intoxication, and is defined with respect to how the alcohol consumed impacts a person’s decision-making capacity, awareness of consequences, and ability to make fully informed judgments.48

**Examples of Sexual Misconduct**49

1. Angela and Aaron have been in an ongoing relationship for a year-and-a-half and have engaged in consensual sexual intercourse. One night while becoming intimate, Angela stops and says she doesn’t feel like having sex that night. Aaron continues to touch her, saying that she got him excited and it wasn’t fair of her to lead him on like that. Again Angela tells him she does not want to have sex, and then is silent. Aaron decides she has given in, and proceeds to have sexual intercourse with her. **This is a violation of the Sexual Misconduct Policy.** Aaron had sexual intercourse with Angela against her will. The fact that Angela has freely consented to sexual intercourse with Aaron in the past does NOT mean he has her consent in this situation.

2. Sasha is dancing with Miguel, a student she knows from her chemistry class, at a crowded party. After dancing for a while, Miguel kisses Sasha, and she kisses him back. A short time later, Miguel moves his hands to Sasha’s buttocks. She tells him to stop, saying she doesn’t want to be touched in that way, and then is silent. Aaron decides she has given in, and proceeds to have sexual intercourse with her. **This is a violation of the Sexual Misconduct Policy.** Miguel touched Sasha in a sexual way without her consent, and continued to do so after she told him to stop. Even though Sasha appears to have consented to kissing, this consent does not extend to other sexual contact. This behavior is a form of non-consensual sexual contact.

3. Kristen and Myra have been intimate for a few weeks. One night, Myra calls Kristen and asks her to come over. When she arrives, Myra kisses Kristen passionately and leads her into the bedroom. They each express their excitement and desire to “hook up,” and are soon making out heavily in Myra’s bed. After a while, Kristen tries to engage in oral sex with Myra. Myra tells Kristen that she really likes her, but that she doesn’t feel ready for that. Kristen tells Myra she’s just being shy, and ignores her when she repeats that she doesn’t feel ready. Finally, Kristen threatens to reveal on the Internet that Myra is a lesbian. Because Myra has not yet come out to her friends and family, she becomes frightened and silent. Kristen proceeds with oral sex. **This is a violation of the Sexual Misconduct Policy. Because of Kristen’s manipulative and threatening arguments, Myra was afraid and unable to freely give her consent. Kristen did not receive consent from Myra and has committed non-consensual sexual intercourse.**

4. Liz and Kwan have been together for six months. She often tells her friends stories of Kwan’s sexual prowess, and decided to prove it to them. One night, she and Kwan engage in consensual sexual intercourse. Without Kwan’s knowledge, Liz sets up her digital camera to videotape them having sex. The next evening, she uploads the video to an online video-sharing site and discusses it with her friends online. This is a violation of the Sexual Misconduct Policy. **Liz’s consent to engage in sexual intercourse with Kwan did NOT mean Liz had obtained his consent to videotape it. This is a form of sexual exploitation.**

49. Examples are adapted with permission from Duke University’s Sexual Misconduct Policy.
5. Andrew and Felix have been flirting with each other all night at a party. Around 12:30 a.m., Felix excuses himself to find a bathroom. Andrew notices Felix slurring his speech. Andrew wonders if Felix went to the bathroom to vomit. When Felix returns, the two begin flirting more heavily and move to a couch. As the conversation continues, the two become more relaxed and more physically affectionate. Andrew soon suggests they go back to his room, and Felix agrees. As they walk down the stairs, Andrew notices that Felix looks unstable and offers his arm for support and balance. When they get back to his room, Andrew leads Felix to the bed and they begin to become intimate. Felix becomes increasingly passive and appears disoriented. Andrew soon begins to have sexual intercourse with him. The next morning, Felix thinks they had sex but cannot piece together the events leading up to it. This is a violation of the Sexual Misconduct Policy. Felix was clearly under the influence of alcohol and thus unable to freely consent to engage in sexual activity with Andrew. Although Andrew may not have known how much alcohol Felix had consumed, he saw indicators from which a reasonable person would conclude that Felix was incapacitated, and therefore unable to give consent. Andrew in no way obtained consent from Felix for sexual intercourse.

6. Denise is an undergraduate teaching assistant in Paul’s economics class. She notes that he has not been performing well on take-home assignments and exams. Both of them have come to tailgate, each with their own group of friends. Denise has consumed one can of beer, while Paul is rather intoxicated. Denise sees Paul and approaches him. She flirts with him, telling him that she can help him improve his grades if he will hook-up with her. As Paul turns to walk away, Denise grabs his buttocks and squeezes them. This is a violation of the Sexual Misconduct policy. Denise, in a position of power over Paul as his teaching assistant, attempted to arrange a quid pro quo sexual relationship. Additionally, she did not seek consent from Paul to touch him, even if a reasonable person could conclude that Paul was not too intoxicated in order to provide consent. Denise has sexually harassed Paul.

III. Procedural Considerations

A. Who May Report an Alleged Violation. Any person may file a report of sexual misconduct against a William and Mary student or student organization under this Policy. See Section I. of the Code of Conduct for information about the definition of “student.” If the report is alleging misconduct by a person who is not a student, the reporting party is encouraged to file a report with the Office of Equal Opportunity.

B. Geographic Jurisdiction. This policy applies to any allegation of Sexual Misconduct against a student, regardless of where the alleged misconduct occurred.

C. Timing of Reports and Availability of Procedures. As long as the College has jurisdiction over the reported student, there is no time limit to invoking this policy in cases of alleged sexual misconduct. Nevertheless, persons are encouraged to report alleged sexual misconduct as soon as possible in order to maximize the College’s ability to respond promptly and effectively. Where the charged party is a degree candidate, the reporting party is encouraged to consult with the Office of the Dean of Students concerning the charged party’s intended date of graduation and to file a report in a timely manner in cases where authority over the student would otherwise be lost due to pending graduation. In no circumstances will the College permit an impending graduation to compromise its processes for resolution. The conferral of a degree may therefore be held, if necessary, until proper resolution of any sexual misconduct charges, provided that a hearing opportunity will be scheduled for the earliest practicable date that can accommodate the parties and their witnesses.

D. Retaliation. It is a violation of College policy to retaliate against any person making a report of sexual misconduct or against any person cooperating in the investigation of (including testifying as a witness to) any allegation of sexual misconduct. “Retaliation” includes intimidation, threats, or harassment against any such reporting party or third party. Retaliation should be reported promptly to the Dean and may result in disciplinary action independent of the sanction or interim measures imposed in response to the underlying allegations of sexual misconduct. For more information, including examples of retaliation, please visit the College’s Office of Equal Opportunity’s website.

E. Standard of Proof. The Department of Education’s Office of Civil Rights has interpreted Title IX to require schools to evaluate reports of alleged sexual misconduct under a “preponderance of the evidence” standard and that is the standard adopted by this Policy. A preponderance of
the evidence exists when a reasonable person, after a careful balancing of available information, would conclude a violation has occurred and the student/organization charged is responsible for the violation.

F. Sanctions.

1. Primary Sanctions for Sexual Harassment, Non-Consensual Sexual Contact and Sexual Exploitation range from probation to permanent dismissal.

2. Primary Sanctions for Non-Consensual Sexual Intercourse range from Suspension to Permanent Dismissal.

G. Related Misconduct. In accordance with this Policy, the Sexual Misconduct Hearing Board is empowered to hear allegations of, and to impose sanctions for, sexual misconduct and any violations of the College’s Student Code of Conduct pending against the charged party directly related to the alleged sexual misconduct or any alleged violations of this Policy.

Students who appear before the Sexual Misconduct Hearing Board, whether as parties to the proceedings or as witnesses, are expected to provide truthful testimony in accordance with the College’s Honor Code.

H. Effect of Criminal Proceedings. Because sexual misconduct may constitute both a violation of College policy and criminal activity, the College encourages persons to report alleged sexual misconduct promptly to campus or local law enforcement agencies. Criminal investigations may be useful in the gathering of relevant evidence, particularly forensic evidence. Because the standards for finding a violation of criminal law are different from the standards for finding a violation of this Policy, criminal investigations or reports are not determinative of whether sexual misconduct, for purposes of this Policy, has occurred. In other words, conduct may constitute sexual misconduct under this Policy even if it is not a crime or law enforcement agencies lack sufficient evidence of a crime and therefore decline to prosecute. In such cases, the reporting party may not initially understand the results of the criminal investigation, the nature of criminal procedure, or the grounds for the law enforcement decision not to prosecute. The reporting party in such cases may request that the Dean identify a senior member of the Dean of Students Office to assist him or her in seeking and attending a meeting with the local prosecutor to gain an understanding of the decision to decline a prosecution.

The filing of a report of sexual misconduct under this Policy is independent of any criminal investigation or proceeding, and (except that the College’s investigation may be delayed temporarily while the criminal investigators are gathering evidence) the College will not wait for the conclusion of any criminal investigation or proceedings to commence its own investigation and take interim measures to protect the reporting party and the College community, if necessary.

I. Modified Procedures for Alleged Violations of the Sexual Misconduct Policy. With the exceptions below, the investigation and adjudication of reports of sexual misconduct is governed by the policies set forth in Section IV of the Code of Conduct.

1. For sexual misconduct cases, the College’s investigation of the report (including all investigation required to prepare formal charges, if any) will be completed within 60 days, unless the Vice President for Student Affairs grants an extension for good cause. If a case of alleged sexual misconduct is not resolved informally, the matter will be scheduled for a hearing before the Sexual Misconduct Hearing Board.

2. The Sexual Misconduct Hearing Board is comprised of one student (one of the two Student Conduct Council co-chairs or, in the cases of a graduate or professional student, a graduate member of the Student Conduct Council) and two members of the administrative staff appointed by the Dean of Students or designee, one male and one female.

3. The reporting party may have a silent supporter of his/her choosing present at the hearing. The supporter will not participate in the hearing process and will be bound by the rules of confidentiality governing the hearing.

4. The reporting party is permitted, but not required, to be present throughout the hearing. The reporting party, the charged party, and case administrator may not ask repetitive questions of any witness. Upon prior consultation, either the reporting party or the case administrator may make summary comments in the hearing.

5. Both parties have a right not to have their unrelated past sexual histories discussed in the hearing. The hearing officers or chair of the Conduct Board will determine whether proposed testimony regarding past sexual history between the parties is related to the case at
issue and may be introduced during the hearing.

6. The reporting party may choose to be physically separated from the charged party during hearing proceedings. This choice should be made at least two working days prior to the hearing.

7. The Dean of Students will review all evidence submitted to the Sexual Misconduct Hearing Board to determine whether remedial or protective action (such as changes to a student’s on campus living arrangements) is appropriate.

8. The Dean of Students or designee will provide the reporting party with notification of the outcome of a conduct proceeding and any sanction(s) imposed at approximately the same time notice is provided to the charged party.

9. The reporting party has right of appeal (see Section VIII. of the Code of Conduct).

IV. AMENDMENTS

This Policy may be amended, in writing, by the President.

Appendix I is adapted with permission from the University of Virginia’s Policy and Procedures for Sexual Misconduct Complaints (http://www.virginia.edu/sexualviolence/documents/sexual_misconduct_policy070811.pdf).

Appendix II: Weapons, Firearms, Combustibles, and Explosives

A. Proscribed conduct includes, but is not limited to:

1. Illegal or unauthorized possession of firearms, explosives, fireworks, other weapons, or dangerous chemicals or combustibles on College premises.

2. Use of any such item, even if legally possessed, in a manner that harms, threatens or causes fear to others.

3. Possession of counterfeit, replica, or blank-firing firearms or realistic-looking toy firearms, knives, or swords. Students may possess single-edged knives with blade lengths of three inches or less. Students who live in residence halls may possess kitchen knives; such knives must be stored out of sight when not in use.

4. Possession of pellet, paint, and bb guns.

B. Confiscation

The College reserves the right to confiscate weapons, fireworks, and any instruments, non-conforming toys, or other items that reasonably appear to be weapons or other prohibited items listed above, to hold those items for appropriate disposition, and to refer the possessor for disciplinary action.

C. Obtaining Permission to Possess

Any student who wishes to possess an object that is deemed a “weapon” by this policy on campus for any reason, including participating in an academic activity, club sport, or extra-curricular activity, must seek and obtain approval from the Dean of Students Office prior to bringing the object to the College. The College reserves the right to refuse permission to any request and/or to place conditions on the approval of such requests.

D. Self-Defense Items.

Students may possess mace, pepper spray, and other such items that are intended for self-defense purposes only. Use in other ways would constitute a violation of College regulations. Stun guns and tasers are prohibited.
Appendix III: Alcohol Beverage Policy

A. The following conduct is prohibited by law:
   1. Possessing, purchasing, or consuming alcohol under the age of 21.
   2. Selling or providing alcohol to any person under the age of 21.
   3. Appearing intoxicated in a public area.
   4. Selling or serving alcoholic beverages to an intoxicated person.
   5. Possessing an open container of alcohol in a public area.
   6. Driving a vehicle under the influence of alcohol or with a blood alcohol level (as shown by a lawfully administered blood or breath test) in excess of that permitted for drivers by Virginia law.
   7. Bringing any type of alcoholic beverage into an Alcoholic Beverage Control (ABC) licensed facility or area, and taking alcoholic beverages out of an ABC area.

B. The following additional conduct is prohibited on campus at the College:
   1. Possessing alcohol in public. Public areas where alcohol is prohibited include all indoor and outdoor College property, unless an event has been approved through the College’s event registration process.\(^{50}\)
   2. Participating in drinking games or progressive drinking parties by students or guests.
   3. Possessing items used predominantly for drinking games (e.g., beer pong tables and beer bongs).
   4. Possessing “common containers” of alcohol, including but not limited to, kegs, pony kegs, beer balls, box wines and containers greater than 750 ml., and mixed alcoholic punch. The Office of Student Leadership Development may grant permission for the use of common container alcohol at special functions.

C. The following additional provisions apply to possession or consumption of alcoholic beverages in Residential Facilities:
   1. Alcohol is not permitted in common areas of residence halls, unless an event has been approved through the College’s event registration process. Common areas include lobbies, lounges, bathrooms, kitchens and hallways of residential spaces.
   2. Freshman Residence Halls:
      a. Alcohol is not permitted in any individual room in a freshman residence hall unless one of the residents is at least 21 years of age and the alcohol belongs to that resident. In freshman residence halls, guests of underage residents, regardless of the guest’s age, may not possess alcohol in any freshman residence.
      b. Alcohol is not permitted in the public areas of freshman residences nor may functions with alcohol be scheduled in freshman residence halls.
   3. Empty alcohol containers in residence hall facilities may constitute evidence of alcohol consumption or possession, and may, therefore, be subject to inspection and seizure, and residents may be subject to referral to the Office of Student Conduct.
   4. Any person who desires to host and have alcohol available in his or her private residence hall room, apartment or lodge must register the event with the Office of Student Leadership Development if the number of individuals present is more than eight over the room, apartment, or lodge occupancy. Maximum occupancy restrictions of the room, apartment or lodge may not be exceeded.\(^{51}\)

50. “Public areas” does not include a student’s residence hall room.
51. Refer to Residence Life Contract for occupancy information.
Appendix IV: Events Where Alcoholic Beverages Are Served

A. General Policies: Except as otherwise noted, the following apply to all events at which alcoholic beverages are served:

1. ABC Banquet/Special Event License: The College (and/or VA Department of Alcohol Beverage Control) may require a license from the Virginia Alcoholic Beverage Control Board for certain events. The event organizer is responsible to check and secure any license in advance. Allow two weeks for processing. Submission of an application for an ABC license does not guarantee approval. Students may obtain applications from the Office of Student Leadership Development.

2. Advertising (for non-private events):
   a. Advertising means publicity that promotes attendance at an event. It includes, but is not limited to ads, posters, flyers or electronic media.
   b. Advertising for private functions is not permitted.
   c. Advertising for campus-wide events, banquets or events with a Special Event License, or any event that involves the sale of alcohol must be limited to the campus.
   d. Information provided on the advertisement must be limited to the type of function, names of band or entertainment, location, and time.
   e. The advertisement for non-private events must include the name of the sponsoring organization and a statement indicating that a William and Mary ID and proof of age are required for entry into the event.
   f. Terms or illustrations descriptive of alcoholic beverages or which encourage or promote the consumption of alcoholic beverages (including but not limited to “cocktails,” “happy hours,” “beverages”) are prohibited.

3. Alternative Beverages and Food Items: Non-alcoholic beverages must be visible and available on the same basis as any alcoholic beverages served at approved functions. The event host is responsible for providing appropriate food items and sufficient quantities to last throughout the function as long as alcoholic beverages are present.

4. Entrance and ID checking:
   a. A completely sober individual (who has refrained from consuming any alcohol) must check to ensure that every guest either has a William and Mary ID card or is accompanied by a William and Mary student with a valid ID. An additional ID that provides proof of legal drinking age is required to consume alcohol. The use of false, altered, or borrowed identification of any type is lying, an infraction of the Honor Code, and is also a criminal offense.
   b. Wrist Bands/Hand Stamps: At functions where alcoholic beverages are served, sold, or consumed, the sponsoring organization must distinguish between those of age and those under age by either a separate drinking area or by use of wrist bands and/or hand stamps.

5. Campus Event Approval Committee: References to the Campus Event Approval Committee in this policy refer to designated staff from the Office of Student Leadership Development.

6. Event Management:
   a. All registered events require at least one “Event Manager.” The Event Manager takes full responsibility for management of the event. Events where the alcohol is served/provided by the hosting organization must have a TiPS® trained Event Manager. Events where the alcohol is served by licensed caterer are encouraged, not required, to have a TiPS® trained Event Manager.
   b. All Event Management Staff must be sober (have refrained from consuming any alcohol).
   c. Events where alcohol is provided/served by the hosting organization:
      1) If the event has more than 25 guests: at least one Event Manager and one server are required.
      2) If the event has fewer than 25 guests: the Event Manager may also be the Server.
d. Additional event management requirements:
1) Two individuals stationed at main entrances for any event with more than 50 guests.
2) One individual stationed at each additional point of entry/exit.
3) Minimum of one monitor per 50 guests, whose purpose is to address violations of the alcoholic beverage policy that are not occurring at the bar and/or entrance to the event.

7. Event Managers:
   a. Are responsible for registering the event with The Office of Student Leadership Development
   b. Are responsible for supervising the serving and management of alcohol.
   c. Are responsible for designating the Event Management Staff for the event and for ensuring that they carry out all responsibilities of the Event Management Staff.
   d. Are responsible for the process of checking identification and verification of those eligible to be served throughout the entire event.
   e. Must be present in the area where the alcohol is being served and consumed throughout the entire event.
   f. Must display notice at all entrances stating “Private Function. Members and invited guests only.”
   g. May share responsibility with their organization and possibly face student conduct action and/or legal penalties for violating the provisions of this policy and/or the laws of the Commonwealth.

8. Event Termination: Events that fail to comply with the College’s Alcohol Beverage Policy or state law or with generally accepted rules of safety may be terminated by a member of the Student Affairs staff, law enforcement officers, including agents of the Virginia Alcoholic Beverage Control, or an appropriate fire or safety officer (depending on the circumstances).

9. Focus of Events: Progressive drinking parties, drinking games, and other activities where drinking alcohol is the principal attraction are not permitted.

10. Guests and Guest Lists (for private events): Individuals or groups sponsoring social functions are responsible for the actions of all guests in attendance at the event.
    a. All private events must have a guest list. Guests are defined as those individuals who are known to the host(s) of the function and have previously been identified as invited guests to the function.
    b. Guest lists must be approved by the Office of Student Leadership Development by 12 noon on the day of the function or no later than 12 noon on Friday for functions occurring on the weekend.
    c. The sponsoring organization must submit to the Office of Student Leadership Development two copies of their guest list with names of all guests. Guest lists must conform to the format provided by Student Leadership Development.
    d. The maximum number of guests on a guest list will be two and a half times the occupancy of the room, not to exceed 400 total, without an exception granted from the Campus Event Approval Committee.
    e. At no time may the number of guests at a function exceed the maximum occupancy restrictions for that facility.
    f. The signed guest list must be turned into the Office of Student Leadership Development on the first business day following the event. Failure to turn in a guest list, prior to or following the event, may result in loss of privileges. The College reserves the right to confirm the accuracy of guest lists by reasonable means.

11. Outdoor Events:
    a. Outdoor events with alcohol will be approved on an individual basis based on the ability to be shielded from public view; control access; and the distance from residential or academic areas.
    b. Alcohol service must end by 12:30AM and the event must end by 1AM.
c. Amplified music at outdoor events must have the volume reduced to a reasonable level after 11PM and must conclude by 12AM.

   b. Area Directors/ADFSH must sign completed forms for events to be held in residential spaces.
   c. Forms for events that are approved must be picked up and displayed at the event or the event is considered “unauthorized.”
   d. For smaller, more spontaneous weekend events of fewer than 20 students, the host may submit a request, via an online form, to the Campus Event Approval Committee by 12PM on the Friday preceding the event. The event is not considered approved unless the requestor or Event Manager receives an email from a representative from this committee. Student Leadership Development will provide notice of approval to the William and Mary Police and the appropriate Residence Life staff.

14. **Security:** The College may require professional security personnel to be present for any event that involves the serving or sale of alcoholic beverages. The Campus Event Approval Committee will make this determination in consultation with W&M Police. The number of attendees, amount of alcohol present, location of the event, and potential for crowd control issues will all be factors in determining security for an event. W&M Police or professional security personnel may be required at registered events scheduled for the Sunken Garden, the Alumni House, and the Lake Matoaka Amphitheatre shelter and/or amphitheater.

15. **Servers:**
   a. Must be at least 21 years of age.
   b. Events where alcohol is served by students:
      1) Must be trained through participation at a TiPS® Training seminar sponsored by the College.
      2) May share responsibility with their organization and possibly face disciplinary action and/or legal penalties for violating the provisions of this policy and/or the laws of the Commonwealth.
   c. Events where alcohol is served by an establishment that does not hold an off-site catering license:
      1) Servers are not required to have participated in The College’s TiPS® or event management seminars.
      2) Servers may not be students or employees of The College.
   d. Events where alcohol is served by an establishment that does hold an off-site catering license:
      1) Servers are not required to have participated in The College’s TiPS® or event management seminars.

16. **Serving of Alcoholic Beverages:**
   a. Alcohol service is limited to one standard drink per person at the time of serving.
   b. Self-service disbursement of alcohol including bars, taps, and beer trucks or trailers with open taps are prohibited.
   c. No alcohol may be served or consumed in glass containers at functions in or on College owned or controlled facilities or grounds. This includes outdoor functions. Glass bottles are permitted, but all alcohol must be served to guests in plastic cups.

---

52. Student residence hall rooms are not considered public property.
d. Alcoholic beverages may not be served or consumed in academic buildings without the prior written approval of the Department Chair and the Campus Event Approval Committee. Alcoholic beverages may not be served or consumed in the arena area (including the stands) of William and Mary Hall, in Zable Stadium, in any area of the Student Recreation Center, or on any athletic or intramural field without prior written approval by the Campus Event Approval Committee in concurrence with the appropriate facility director or supervisor.

1) The serving or consumption of alcohol at any activity or event related to membership recruitment, initiation or induction is prohibited.

17. **Third Party Vendors:** Caterers with the appropriate ABC issued off-site catering license may be used in place of Event Management Staff (an Event Manager is still required). A third party vendor must be a company, business, or establishment that is insured and has been issued a Mixed Beverage Caterer’s License by the Virginia Alcohol Beverage Control Board.

18. **Timing of Events:**

a. The College may limit the number, frequency, and duration of events. The College will not approve functions with alcohol during the first week of each semester and after the last day of classes each semester, with the exception of officially scheduled events associated with Commencement. No events with alcohol may be scheduled during reading and exam periods without prior written permission from the Campus Event Approval Committee.

b. Alcoholic beverages may not be sold or served prior to 3PM Monday through Friday and 12 noon on Saturday and Sunday unless written permission is granted by the Campus Event Approval Committee.

c. The maximum duration of an event with alcohol is five hours.

d. Functions scheduled Sunday through Thursday must conclude by midnight and events scheduled Friday and Saturday must conclude by 2AM unless prior written permission has been granted by the Campus Event Approval Committee. Exception: outdoor events must end by 1AM (please refer to “outdoor events” item 10 above.

e. Events in residential areas must conform to the rules and times established by the pertinent hall council but may not exceed the above time limits under any circumstances.

19. **TiPS® Training and Event Management Seminar:** Eligibility to be either an Event Manager or a server requires the following:

a. Participation in TiPS® Training. All approved individuals must have completed TiPS® at least once in their William and Mary tenure.

b. Participation in the Event Management Seminar in any academic year a person wishes to be eligible to be an Event Manager or server. (Note: A William and Mary hosted TiPS® Training session includes the College specific Event Management Seminar.)

c. Information on TiPS® Training and the Event Management Seminar can be found on the Office of Student Leadership Development’s website.

20. **Types of Alcohol:** Beer, wine, malt beverages or wine coolers are the only alcoholic beverages that may be served and/or consumed at an event. Hard liquor is not permitted except under special circumstances approved in advance by the Campus Event Approval Committee. Grain alcohol served in any form is strictly prohibited.

**B. Types of Events (defined)**

1. **Campus-wide events** are those limited to William and Mary students, faculty, staff, and their invited guests. In campus-wide events these restrictions apply:

a. A Virginia ABC license is required or a licensed third party vendor must be used if the host is charging an admission fee or charging for drinks.

b. Alcoholic beverages must be sold individually and not given away.

c. Beer, wine, malt beverages or wine coolers are the only alcoholic beverages that may be served.

d. Admission is restricted to persons who are at least 21 years of age, unless alcoholic beverages are confined to a separate restricted area that has been approved for that
2. **Private events** are those to which attendance is limited to an invited group. In private events these restrictions apply:
   
a. Announcement of the event may be by personal invitation only; advertising of the event is not permitted. Advertising includes, but is not limited to ads, posters, flyers, or electronic postings/messages.
   
b. The percentage of the group’s membership, residents, and/or guest list that is of legal drinking age will be a factor in determining what quantity of alcohol may be served. A separate area may be required for the consumption of alcohol.

3. **B.Y.O. (Bring Your Own) Events:** Even though the attendees provide the alcohol, BYO events must conform to the same guidelines as all other events where alcohol is to be present. The student or organization sponsoring the event will control the collection, serving and disbursing of alcoholic beverages, a designated serving area will be established, and only one drink at a time may be obtained. Tickets or a punch card system must be in place for attendees to obtain beverages from the serving area, and hosts must adhere to food and alternate beverage requirements set forth in this policy. Deviations from these regulations must be approved in advance by the Campus Event Approval Committee.

   Nothing in the Alcoholic Beverages policies shall operate or be interpreted as assumption of liability by the College for any injury, damage, or loss caused by any student’s, sponsor’s or organization’s failure to comply with the foregoing policy. Each student, organization and sponsor is responsible for becoming informed and observing the law. Permission by the College to conduct any activity covered by these rules does not release the student, organization or sponsor from responsibility under applicable laws governing the activity. Student organizations or sponsors are not agents of the College and have no authority to make any representations or undertake any actions or contracts on behalf of the College.
Appendix V: Amnesty Policy

Student health and safety are of primary concern at the College. As such, in cases of significant intoxication as a result of alcohol or other substances, the College encourages individuals to seek medical assistance for themselves or others.

The Dean of Students Office will not pursue conduct charges against the following individuals for violations of the College’s Alcoholic Beverages or Drugs policies:

- The intoxicated student and
- Student(s) actively assisting the intoxicated student.

**Actively assisting requires that an individual:**

- Call William and Mary Police (221-4596 or 911) or seek another individual qualified to assess the student’s condition such as a Resident Advisor (RA) or other Residence Life professional and
- Monitor the intoxicated student’s condition.

**The following are not covered by the Medical Amnesty Policy:**

- Students waiting until the police or other appropriate authorities (RA, Head Resident, etc.) arrive before seeking assistance
- Action by police or other law enforcement personnel
- Violations of the Code of Conduct other than the alcohol/drugs policy
- Possession with the intent to distribute drugs.

**Actions by the Office of Student Conduct:**

- The intoxicated student (and possibly those who were attending to/assisting the student) will be required to meet with a member of the Dean of Students staff who may issue educational requirements that may include, but are not limited to, alcohol and/or drug education, counseling, and/or a substance abuse assessment.
- Serious or repeated incidents will prompt a higher degree of concern/response.
- Failure to complete the educational assignments or treatment recommendations normally will result in disciplinary action.
- The student will be responsible for any costs associated with drug or alcohol education interventions.

**Application to Student Organizations:**

In circumstances where an organization is found to be hosting an event where medical assistance is sought for an intoxicated guest, the organization (depending upon the circumstances) may be held responsible for violations of the Alcohol Policy or Drug Policy. However, the organization’s willingness to seek medical assistance for a member or guest will be viewed as a mitigating factor in determining a sanction for any violations of the Alcohol Policy or Drug Policy.

**Disclosure of Amnesty Incidents:**

The College may disclose amnesty incidents when the student provides consent. The College also may disclose an incident if a student is applying for a position within Residence Life, the Conduct system, or Orientation or for study abroad if an incident occurred within one year of application or if the College has received subsequent alcohol or drug related incidents involving the student.

**Illustrative Examples:**

1. John and Sarah are at a party when Sarah begins to show signs of intoxication (slurred speech, unsteady on her feet). John decides to walk Sarah home. While walking, a WMPD officer sees Sarah walking unsteadily and stops her. The WMPD officer cites Sarah for underage possession/consumption of alcohol and public intoxication. John also is cited for underage possession/consumption.
• The Amnesty policy does not apply because John was not actively seeking medical attention for Sarah, and he did not seek out a qualified individual (such as an RA) to assess Sarah’s condition.

2. Ramon comes home to find his roommate, Zach, passed out on his bed. Ramon finds the RA who determines that Zach needs medical attention. The RA calls WMPD who sends EMS, and EMS transports Zach to the hospital. The RA documents the incident and notes that Ramon also appeared to be intoxicated.

• The Amnesty policy does apply to both Ramon and Zach because Ramon sought assistance from an RA for Zach. Both students will receive amnesty and will not receive disciplinary charges as a result of this incident. Both will receive some form of alcohol education as a result of this incident.

3. A Williamsburg Police officer observes a large group of people exiting the delis late one night. The officer observes Jean being held up by two of her friends; Jean is unable to speak coherently and is passing in and out of consciousness. The Williamsburg Police officer arrests Jean and transports her to jail.

• Jean will not receive amnesty because her friends were not seeking medical attention for her. Had the friends affirmatively called 911, Jean would receive amnesty and likely would have been transported to the hospital in lieu of being arrested (although our policy does not apply to the Williamsburg Police).

4. Alex is at a party of the Beta Iota Pi fraternity. Sometime during the party, Alex passes out. A member of the fraternity calls for medical assistance, and Alex is taken to the hospital. Alex’s friends later confirm that he had been consuming liquor at the party, and Alex is 19 years old.

• Alex will receive amnesty. Beta Iota Pi will not receive amnesty because the policy does not apply to organizations. However, the organization will receive a lesser sanction because its members called for assistance; conversely, had the organization not called for assistance, it would receive a harsher than normal sanction.
Appendix VI. Policy Notice Regarding Alcohol and Other Drug Use

In keeping with the Federal Drug-Free Schools and Communities Act Amendments of 1989, which require that all College students receive annual notice of the laws regarding alcohol and other drug use, the following information is offered:

Members of the College community enjoy a high degree of personal freedom, guaranteed by the United States, the Commonwealth of Virginia, and the College of William and Mary's Statement of Rights and Responsibilities. That freedom exists within the context of local, State and Federal law and the obligations imposed by College regulations. The Student Handbook is the official document describing College policy for student behavior, the student discipline system of the College of William and Mary, and sanctions for violation of College policy.

- The College of William and Mary clearly prohibits the use and distribution of illicit drugs and the abuse of alcohol.
- Violations of local, State, or Federal law also constitute violation of College regulations.
- When a student is charged with a violation of law, it is the practice of the College to initiate its own disciplinary proceedings without awaiting court action. Behavior off-campus is subject to disciplinary action.

Alcohol Policy and Sanctions

All students of the College and their guests and all organizations must observe Virginia law as it pertains to the purchase and consumption of alcoholic beverages. Virginia law specifically states that persons under the age of 21 may not purchase, possess, or consume any type of alcoholic beverages. The sanctions for violation of this regulation shall range from warning to dismissal and will usually include alcohol education or treatment.

Drug Policy and Sanctions

For the purpose of these regulations, drugs are defined as including marijuana, hashish, amphetamines, LSD compounds, mescaline, PSilocybin, DMT, narcotics, opiates, and other hallucinogens, except when taken under a physician's prescription in accordance with law.

College regulations, in conformity with Federal and State statutes governing drug use, provide the following:

- Manufacturing or providing drugs to others is prohibited. The penalty for violation of this regulation shall range from disciplinary probation to dismissal from the College.
- Possession or consumption of drugs is also prohibited. Possession of drug paraphernalia is prohibited. The penalty for violation of this regulation ordinarily shall range from probation to dismissal.

Sanctions for Students under the College Discipline System

Violations of College policy by students are addressed through the Student Conduct System or the Honor Council as appropriate.

When a student is found responsible for violating College regulations, the following sanctions may be levied individually or in combination with other sanctions: warning; loss or restriction of privileges; restitution; task participation (including for example, service to the community and/or participation in an educational program); disciplinary probation; probation with loss of privileges; suspension; indefinite suspension; and permanent dismissal. In extraordinary circumstances an interim suspension can also be imposed.

I. Legal Sanctions

Members of the William and Mary community should be aware of legal penalties applied for conviction in cases of drug and/or alcohol abuse. An offense is classified in the Code of Virginia as a misdemeanor or a felony, depending upon the type and the amount of the substance(s) involved.
A. Alcohol

Virginia’s Alcohol Beverage Control Act contains a variety of provisions governing the possession, use and consumption of alcoholic beverages. The Act applies to all students and employees of this institution. As required by the Federal Drug-Free Schools and Communities Act Amendments of 1989, the pertinent laws, and sanctions for violations, are summarized below:

1. It is unlawful for any person under age 21 to purchase or possess any alcoholic beverage. Violation of the law exposes the violator to a misdemeanor conviction for which the punishment is confinement in jail for up to twelve months and a fine up to $2,500, either or both. Additionally, such person’s Virginia driver’s license may be suspended for a period of not more than one year.

2. It is unlawful for any person to sell alcoholic beverages to persons under the age of 21 years of age. Violation of the law exposes the violator to a misdemeanor conviction for which the punishment is confinement in jail for up to twelve months and a fine up to $2,500, either or both.

3. It is unlawful for any person to purchase alcoholic beverages for another when, at the time of the purchase, he knows or has reason to know that the person for whom the alcohol is purchased is under the legal drinking age. The criminal sanction for violation of the law is the same as #2 above.

4. It is unlawful for any person to consume alcoholic beverages in unlicensed public places. Violating the law, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is a fine up to $250.

B. Controlled Substances and Illicit Drugs

The unlawful possession, distribution, and use of controlled substances and illicit drugs, as defined by the Virginia Drug Control Act, are prohibited in Virginia. Controlled substances are classified under the Act into “schedules,” ranging from Schedule I through Schedule VI, as defined in sections 54.1-3446 through 54.1-3456 of the Code of Virginia (1950), as amended. As required by the Federal Drug-Free Schools and Communities Act Amendments of 1989, the pertinent laws, including sanctions for their violation, are summarized below.

1. Possession of a controlled substance classified in Schedules I or II of the Drug Control Act, upon conviction, exposes the violator to a felony conviction for which the punishment is a term of imprisonment of ranging from one to ten years, or in the discretion of the jury of the court trying the case without a jury, confinement in jail for up to twelve months and a fine up to $2,500, either or both.

2. Possession of a controlled substance classified in Schedule III of the Drug Control Act, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is confinement in jail for up to twelve months and a fine up to $2,500, either or both.

3. Possession of a controlled substance classified in Schedule IV of the Drug Control Act, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is confinement in jail for up to six months and a fine up to $1,000, either or both.

4. Possession of a controlled substance classified in Schedule V of the Drug Control Act, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is a fine up to $500.

5. Possession of a controlled substance classified in Schedule VI of the Drug Control Act, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is a fine up to $250.

6. Possession of a controlled substance classified in Schedule I or II of the Drug Control Act with the intent to sell or otherwise distribute, upon conviction, exposes the violator to a felony conviction for which the punishment is imprisonment from five to forty years and a fine up to $500,000. Upon a second conviction, the violator must be imprisoned for not less than five years but may suffer life imprisonment, and fined up to $500,000.

7. Possession of a controlled substance classified in Schedules III, IV, or V of the Drug Control Act with the intent to sell or otherwise distribute, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is confinement in jail for up to one year and a fine up to $2,500, either or both.

8. Possession of marijuana, upon conviction, exposes the violator to a misdemeanor conviction
for which the punishment is confinement in jail for up to thirty days and a fine up to $500, either or both. Upon a second conviction, punishment is confinement in jail for up to one year and a fine up to $2,500, either or both.

9. Possession of less than one-half ounce of marijuana with intent to sell or otherwise distribute, upon conviction, exposes the violator to a misdemeanor conviction for which the punishment is confinement in jail for up to one year and a fine up to $2,500, either or both. If the amount of marijuana involved is more than one-half ounce to five pounds, the crime is a felony with a sanction of imprisonment from one to ten years, or in the discretion of the jury or the court trying the case without a jury, confinement in jail for up to one year and a fine up to $2,500, either or both. If the amount of marijuana involved is more than five pounds, the crime is a felony with a sanction of imprisonment from five to thirty years.

II. Risks

The College of William and Mary is dedicated to the education of students and employees about risks associated with the abuse of alcohol and other drugs. Descriptions of some of these health risks are offered below. In addition, behavioral difficulties at work or in school, in relationships, and with the law can be linked to the abuse of alcohol and other drugs.

Effects of Alcohol

Alcohol consumption causes a number of marked changes in behavior. Even low doses significantly impair the judgment and coordination required to drive a car or walk home safely. Low to moderate doses of alcohol also are associated with increased incidence of a variety of aggressive acts, including sexual assault, vandalism, and fighting. Moderate to high doses of alcohol cause marked impairments in higher mental functions, severely altering a person’s ability to learn, memorize and perform academically, sometimes for weeks after the drinking occurrence. Very high doses cause respiratory depression and death. If combined with other depressants of the central nervous system, much lower doses of alcohol will produce the effects just described.

Repeated use of alcohol can lead to impairment, high tolerance, and dependence. Sudden cessation of alcohol intake is likely to produce withdrawal symptoms, including severe anxiety, tremors, hallucinations, and convulsions. Alcohol withdrawal can be life-threatening. Long-term consumption of large quantities of alcohol, particularly when combined with poor nutrition, can also lead to permanent damage to vital organs such as the brain and liver.

Mothers who drink alcohol during pregnancy may give birth to infants with fetal alcohol syndrome. These infants often have irreversible physical abnormalities and mental retardation. Research indicates that children of alcoholic parents have a greater risk of becoming alcoholics.

2013-2014 Housing Contract Terms and Conditions

The student’s signature on or electronic acceptance of the Residence Life Housing Agreement indicates that the student agrees to and accepts the following terms and conditions:

This is a legally binding contract for a full academic year or 11½ months for Tribe Square and is specific to the room indicated on the Residence Hall Housing Agreement. Prior to occupancy, this Agreement must be signed and dated or electronically accepted as evidence of acceptance of the terms, conditions and regulations which are stated in this Contract. At the time of occupancy, if the student is not 18 years old, a parent or legal guardian of the student will be required to cosign the Agreement. When a student properly changes rooms, this contract is transferred to the new space. Failure to pick up a key does NOT release the student from this Contract.

College Regulations

The resident will abide by the regulations of the College set forth in the current edition of the Student Handbook and Use of Campus Facilities Policy, the regulations set forth in the Housing Contract and Resource Guide and by the regulations established by the Residence Hall Council of the building in which he/she resides. This includes provisions outlined in the Community Agreements established on each living unit. The provisions of this Housing Contract may only be waived or modified in writing by the Associate Vice President/Director of Residence Life.

The Vice President for Student Affairs, Dean of Students, Associate Vice President/Director of Residence Life, Associate Directors of Residence Life, Director of Housing Operations, Assistant Directors of Residence Life, Area Directors and the staff of residences (Complex Director, Head Residents, Hall Directors, Resident Assistants, Graduate Resident Assistants, Housing Assistants and Program Advocates) are responsible for enforcing regulations as outlined in the current edition of the Student Handbook and Use of Campus Facilities Policy.

It is expressly understood that violation of policies in the Student Handbook and Use of Campus Facilities Policy, Residence Life Resource Guide or of the terms of this Housing Contract by the resident may result in penalties ranging from a warning to the resident being discharged from the College’s residence halls to permanent dismissal from the College. The College is under no obligation to house a resident whose Contract has been previously terminated due to a failure to abide by the conditions of this Contract.

Where appropriate for the personal safety of the resident(s) and by adherence to the College judicial process, the College reserves the right to remove a student from his/her residence hall. Students removed from the residence halls for violations of the Contract will still be held to the financial obligations for the Contract period (fall and spring). In addition, the College may exclude a student from the residences to protect the public health or the health of the student under the policy and procedure outlined in the Student Handbook and Use of Campus Facilities Policy.

Inapplicability of Virginia Landlord Tenant Law and the "Virginia Residential Landlord & Tenant Act"

This Contract sets forth the terms and conditions under which the College of William and Mary will grant the Student the ability to occupy a space in student housing incidental to the College’s provision of academic services to the Student. It is not a lease. Therefore, in accordance with Virginia Landlord & Tenant laws, this Agreement is entered into by The College and the Student in full acknowledgement that public and private higher education institutions in the Commonwealth of Virginia (such as William and Mary) with residential on-campus student housing assignments are not bound by the Virginia Landlord and Tenant Laws. Among other things, the University is not obligated to follow civil court proceedings related to removal of the Student and the Student’s property from the on-campus student housing assignment, but may automatically remove the Student and the Student’s property from on-campus housing if the University determines that this Contract has been violated or the Student otherwise does not qualify for student housing.

Checking into a Room

A. Room Key. Each resident will receive a room key and, where applicable, a front door key or the combination to an entry door lock. I.D. card readers are available on most residence halls.
Residents sign a Check-In key envelope indicating that they have obtained their key(s) or combination. Residents may not change or add locks (including chain locks, deadbolts, etc.). Duplication of room keys is prohibited.

B. **Room Condition.** Residence Life staff members conduct pre-occupancy readiness inspections of all resident rooms prior to check-in. In addition, residents will get an opportunity to submit information about the condition of their room via an on-line form. This form must be completed within 2 weeks of check-in. After 2 weeks the resident may be held financially responsible for damages or loss to the assigned space.

C. **Early Check-In.** Residents must abide by the appointed schedule for arrival. Early arrivals will be limited to those student leaders and groups designated essential to university activities in advance of the official opening. Individual residents who are approved by Residence Life to arrive early will be assessed an additional charge which will be charged to their student account. All early arrivals must abide by all university rules, regulations and policies.

### Checking out of a Room

A. **Keys.** Residents who change rooms, withdraw or otherwise leave university housing must return their keys to a Residence Life staff member or the Residence Life Office within 48 hours. If a key is lost or not returned by the stated deadline, a $40 charge per key will be assessed. Unauthorized copies of keys will not be accepted. At final checkout, keys must be received by the Area Director by noon on the day following Commencement.

B. **Late Check-Out.** Non-graduating residents who are approved by Residence Life to remain beyond the stated deadline will be billed an additional charge.

C. **Withdrawals/Room changes during the semester.** Should the resident change rooms, withdraw or be separated from the university or its residences for any reason, the resident will remove all personal belongings from the College premises, vacate the residence and return key(s) within 48 hours. All residents are provided with an opportunity to meet with a Residence Life staff member once they have moved all of their belongings from their room. The staff member may collect the room key and evaluate the condition of the room, noting any damages, missing items or cleaning concerns. Residents who fail to check out with a Residence Life staff member are subject to charges for any or all damages/loss to the room. Exceptions to the 48-hour provision may be authorized for good cause by Residence Life.

D. **Withdrawals at the end of the fall semester.** Students who will not continue to live in the same room during the spring semester are required to remove all their belongings from their room at the end of the fall semester. The resident will be provided with an opportunity to meet with a Residence Life staff member who will collect the room key and evaluate the condition of the room and note any damages, missing items or cleaning concerns.

E. **Abandoned Property.** The university will not be responsible for damage or loss of any personal property not removed within 48 hours after a student withdraws, separates from the university or after the residence halls close in the spring. A room-cleaning charge will be assessed against any student who fails to remove his/her items of personal property within 48 hours of withdrawal or separation. Personal property left in hallways, stairwells and lounges will be considered abandoned property and will be discarded.

### Contract Period

The term of this Contract is for both fall 2013 and spring 2014 semesters until 48 hours after completion of a resident’s last regularly scheduled exam for non-graduating students and noon on the day following Commencement in May for graduating students. The Housing Contract for residents of Tribe Square covers 11½ months, consisting of summer 2013, fall 2013 and spring 2014 and ends at noon on the day following Commencement in May for students who have not contracted to live in Tribe Square for the next academic year.

A. **Cancellation Policy.** Students who select housing either through a manual process or an on-line process have 24-hours from the time of their selection or acceptance of housing to cancel their housing assignment without penalty. Cancelling a housing selection during any part of the Room Selection Process removes the student from the Room Selection Process for that year. The cancellation policy does not apply to members of a Fraternity or Sorority organization who have committed to their chapter houses and it does not apply to freshman housing assignments.
After the 24-hour cancellation period and prior to August 1 the following cancellation schedule and fees apply:

1. Prior to April 30: If a request for cancellation is received on or before this date the student may cancel their contract but the $200 room reservation deposit is forfeited and the student is charged a $100 cancellation fee.

2. May 1 to May 31: If a request for cancellation is received between these dates the student may cancel their contract but the $200 room reservation deposit if forfeited and the student is charged a $250 cancellation fee.

3. June 1 to June 30: If a request for cancellation is received between these dates the student may cancel their contract but the $200 room reservation deposit is forfeited and the student is charged a $400 cancellation fee.

4. July 1 to July 31: If a request for cancellation is received between these dates the student may cancel their contract but the $200 room reservation deposit is forfeited and the student is charged a $500 cancellation fee.

Cancellation requests should be emailed from the student’s William and Mary email account to living@wm.edu and include student name, student ID number, space selected and a statement requesting cancellation.

Beginning August 1 students seeking to be released from their on-campus housing contract must petition the Contract Release Committee. A release may be granted only to students who can demonstrate through the written petition and supporting documentation that their situation is extraordinary and cannot be resolved in campus housing. Petitions are considered on a case by case basis and release is not guaranteed.

B. **Release from Housing Contract.** The Housing Contract covers an entire academic year (fall and spring semesters) and cannot be broken midyear. The Housing Contract for residents of Tribe Square covers 11½ months, consisting of summer, fall and spring. If a student enrolls at the College but does not occupy the assigned room, he/she must still pay for the room for the entire academic year. Failure to pick up a room key does not release a currently enrolled student from this contract. A student will only be released from his/her Housing Contract for the following reasons: If he/she: (1) gets married (a copy of the current marriage certificate is required for verification); (2) is accepted in a William and Mary approved Domestic or Study Abroad program; (3) is academically dismissed; (4) is required to withdraw due to medical reasons; (5) transfers to another institution (copy of acceptance letter to the institution required for verification); (6) completes and pays the cancellation fee as noted above; or (7) is released by the Contract Release Committee. Refunds will follow the policies set forth in the Undergraduate Program Catalog and may include forfeiture of the Room Reservation Deposit.

C. **Contract Release Committee.** Upper class and Graduate students with extraordinary circumstances may seek to be released from their Housing Contract by appealing in writing to the Contract Release Committee. In and of itself the following reasons do not constitute “extraordinary circumstances”: delay in receiving housing due to wait list status, failure to read and understand that the housing contract is “binding”, displeasure with housing assignment or roommate assignment, or signing a lease or purchasing a home off campus. Students are strongly encouraged to gain contract release approval prior to making any commitments off campus. Documentation must be received in the Residence Life office in care of the Contract Release Committee. This Committee will review the written documentation and the student will be notified by e-mail of the Committee’s decision. The Committee will review petitions during the first and third weeks of each month and the decision of the Committee is final. Freshmen seeking a change to their on-campus housing requirement must contact the Dean of Students in writing.

D. **Temporary Housing.** The College reserves the right to assign incoming freshmen to temporary accommodations in the event that regular room assignments are not available. Freshmen assigned to temporary assignments will be relocated and required to move to a permanent space as rooms become available.

E. **Special Interest House Allocation.** In the event a group loses its Special Interest House allocation, Residence Life reserves the right to reassign individuals to alternative spaces. If loss of Special Interest Housing for the succeeding year occurs after individual Housing Contracts are signed but prior to the annual room selection process, the individual Housing Contract will be canceled so that students will have the option of selecting rooms in the room selection process.
Damage/Loss Charges

A. Room Damage/Loss - The resident (and roommate(s) where assigned) is responsible for damages to his/her room, as well as damage and/or loss to the furnishings and fixtures the College has provided. The resident agrees to pay for the restoration of the property to its condition at the time of occupancy or for repairs or replacement (except normal wear and tear), unless the identity of others responsible for the damage or loss is established and proven by the resident(s). Resident(s) are responsible for any damage or loss to the premises caused by their guests. This responsibility extends until the resident is officially checked out by a Residence Life staff member. Charges for damages, cleaning, replacement of furniture, etc. shall be divided by the number of students assigned to the room. If one or more roommates assume responsibility for damages, cleaning, replacement of furniture, etc., a written statement signed by the responsible party must be noted on the Closing Agreement, which has been signed by all of the room’s residents and submitted to the Area Director indicating who specifically should be charged. Charges will not be assessed to one roommate based solely on another roommate’s claim of wrongdoing. Students should assure that all windows and doors to the room are locked and secured before their final departure at check-out.

B. Common Area Damage/Loss - It is understood that the residents are responsible for any damage or loss caused or non-routine cleaning or trash removal required to the common areas of the residence halls and their furnishings, including vending machines and other equipment placed in the residence halls as a convenience to the residents. Common areas include corridors, recreation rooms, kitchens, study rooms, living rooms, laundry rooms, common baths and lounges. When damage occurs, the student(s) will be billed directly for the repairs. Individual Hall Councils have the authority (along with Residence Life Staff) to assess and assign charges for these damages. Common Area Charges that are assigned by the Hall/Apartments Councils will be collected directly by Hall/Apartments Council representatives prior to the end of the semester. Residents are expected to provide payment to the Hall/Apartments Council representative. If at the end of the year charges assigned by the Hall/Apartments Council have not been paid, Residence Life will bill the student directly with the addition of a $15 administrative charge. Damages may also result in College judicial action. Those students who are responsible for vandalism or theft may be removed from and/or denied future housing in College residence halls.

C. Procedures for appealing damage charges - In the event the resident wishes to contest the charges for damages or loss, the following procedure is prescribed:

1. Contact in writing the Area Director for the building in which the alleged damage occurred. For Hall/Apartment Council levied damage billing; appeals may be heard by the Hall/Apartment Council or the Hall/Apartment Council’s designates prior to the last day of classes in the spring semester. After the last day of classes in the spring semester the Area Director will hear all appeals.

2. If the matter is still unresolved, contact in writing the Director of Housing Operations.

3. Appeals will be heard by the Appeals Board consisting of three representatives from the Residence Hall Association (RHA). The decision of the Appeals Board is final.

4. Charges must be appealed in writing within 30 days of the date of the bill. Bills received during the summer must be appealed in writing before the end of the first full week of fall classes.

Eligibility

Only registered and currently enrolled William and Mary students, including research graduates, are eligible to reside in College housing.

All freshmen students are required to live in College housing. Freshmen student status, as defined by this policy is first-time, full-time college student status for two semesters (i.e., no full-time college experience after high school).

Exceptions to the freshmen residency requirement may be made for:

- freshmen who commute daily within a 30-mile radius from the homes of their parents or legal guardians;
- freshmen who are 21 years of age or older; or
- married freshmen.

Freshmen who transfer to William and Mary before completing two full-time semesters at another
college or university will be eligible to reside in campus housing, provided they have been admitted and a housing application is received in Residence Life by the first week in May for the Fall semester and the first week in December for the Spring semester.

The movement of a first year student assigned to a first year student residence to an upper-level residence or offcampus is not permitted. The same policy applies to upper-level students requesting a move to first year student buildings.

Part-time and unclassified students may apply for housing but will only be offered a space after all full-time degree seeking students have been accommodated. Students currently residing in campus housing who are approved to drop to part-time status will not be required to leave campus housing.

**Emergency Evacuation Plans**

All students in campus housing are required to have an emergency evacuation plan on file with the university prior to the first day of classes. Failure to submit a plan will result in a referral to the Office of Student Conduct.

In the event the College determines evacuation of the residence halls is necessary all students in housing will be required to vacate their rooms and will not be allowed to return until the College officially opens. This includes residents of Tribe Square and the Graduate Complex.

**Extermination**

Residents must take care in keeping their own rooms and common areas clean to prevent insect infestation. The College is under contract with an exterminator to respond to specific insect and pest problems. This service must be requested through the Facilities Management work order request system by the resident(s). [web.wm.edu/facman/FM/FM-WorkOrders.php](http://web.wm.edu/facman/FM/FM-WorkOrders.php).

**Facilities Management**

The follow services are provided by Facilities Management and can be accessed by calling 757-221-2270, through the on-line work order system or by working with a member of the Residence Life staff.

**A. Custodial Services/Trash Removal.** Custodial Services staff is responsible for routine cleaning of common areas, such as hallways, stairwells, common area bathrooms and lounges. Hallways and stairwells must be kept free of personal belongings that could impede the ability of Custodial Services staff to maintain these areas. No custodial services are provided for apartments, Lodges or suite/private bathrooms. Students are expected to maintain their rooms in an orderly and sanitary condition. This includes removal of personal trash (ex: trash bags, pizza boxes, etc.) to a College dumpster and recycling to College approved recycling areas. Residents may be charged a fee for the removal of personal trash from common areas.

**B. Maintenance.** While the College will be responsible for the routine maintenance, the resident is responsible for reporting maintenance concerns. The College will provide electrical power, heat and water and maintain these utilities under controllable conditions. Residents must understand that, as a condition of this Contract, the College shall not be responsible or liable for any damage or loss to his/her personal property while on the premises caused by the cessation or failure of such utilities, no matter the reason. Moreover, the College will not be in breach of this Contract if such utility service is suspended for any reason; provided, if the premises are rendered unsafe or unfit for occupancy, the College will offer alternate housing if it is available on campus or provide a prorated refund of the unused portion of the rent in accordance with the schedule printed in the College Catalog.

**C. Repairs.** Requests for repairs should be filed by the resident on the Facilities Management web site ([web.wm.edu/facman/FM/FM-WorkOrders.php](http://web.wm.edu/facman/FM/FM-WorkOrders.php)). If the repair is not made within a reasonable amount of time, a second request should be submitted by the resident. If the repair is still not made, the Area Director should be notified of the situation and given the opportunity to resolve the problem.

**D. Emergency Repairs.** The Emergency Call Center (757-221-2270) operates Monday through Friday, 4:30 p.m. to 7:30 a.m. and 24 hours a day on weekends and holidays. Routine facilities issues should be reported through the on-line request form [www.wm.edu/offices/facilities/workorders/index.php](http://www.wm.edu/offices/facilities/workorders/index.php).

**E. Rent Rebates.** If after a reasonable amount of time repairs are not made or sufficient reason
for the delay provided, the resident may appeal to the Director of Housing Operations for a rent rebate or other solution. Rebates are granted only in cases where the College has remained unresponsive and the condition of the premises is such that reasonable occupancy and use thereof is precluded. The decision of the Director of Housing Operations concerning whether a rebate is granted may be appealed to the Residence Hall Association (RHA) Appeals Board. Once a rebate has been granted, the amount of the rebate may not be appealed.

**Furnishings/Fixtures**

The following is provided in each room: one bed, mattress (typically 36”x 80”), chest of drawers, closet/wardrobe, desk and chair per student and one recycling container per room. Other furnishings will vary according to the individual residence hall. College furniture may not be removed from a resident’s room or apartment and should not be switched between rooms or with lounge furniture. College furniture from student rooms and common areas may not be taken outside. In addition, window screens shall not be removed unless approved by Residence Life. Students approved for a window air conditioner by the Student Health Center will automatically have their screen removed and stored by Facilities Management.

**Guests/Visitation**

A. **Guests on the Hall.** Guests are expected to abide by all rules and regulations of the College, Residence Life, and individual building’s Community Agreements. The resident is responsible for the behavior of his/her guests, including restitution for damage to College facilities.

B. **Guests in the Room.** In order to have a guest(s), residents must have the consent of the roommate(s)/apartment mate(s) on each occasion. Extended visits are not permitted, nor is cohabitation (residency with someone other than the officially assigned roommate).

**Inspections/Room Entry/Searches**

Authorized personnel may enter a student room:

1. For the purpose of assuring fire protection, life safety, sanitation or scheduled maintenance and use of the College’s furnishings, fixtures and facilities. Any such inspections or entry, except in the case of emergencies, shall be announced 48 hours in advance by the posting of a notice in the residence hall or via e-mail notification. The resident’s absence will not prevent the carrying out of such maintenance or safety inspections.

2. When an occupant has requested repairs or extermination by filing a Work Order Request, authorized maintenance personnel may enter in the resident’s absence for the sole purpose of making the repairs or exterminating as requested.

3. In order to secure the buildings, Residence Life staff will enter and check all resident rooms during the Thanksgiving and semester breaks. Visible violations of College policy will result in College conduct action.

4. If a roommate moves out of a room, a member of the Residence Life staff may enter the room following the completion of the move to inspect for damages and insure space is available for a new occupant.

5. To verify that all vacancies are prepared for new occupants for the Spring semester. Conduct action and/or cleaning charges may be imposed on a resident if his/her room is not ready for a new occupant.

6. If noise (unattended loud music, alarm clock, etc.) coming from a room where the occupants are not present is causing a disruption to the community.

7. To unlock a suite bathroom door if it is reasonable to assume that suitemates will be gone overnight and/or being locked out of the bathroom creates a major inconvenience or presents a safety hazard to locked-out residents.

College policy prohibits staff members from unlocking room doors for anyone other than the occupant(s) (except in those cases outlined in the “Statement of Rights and Responsibilities” found in the *Student Handbook* and *Use of Campus Facilities Policy*).

It is understood and agreed that a resident’s room or possessions on campus will not be searched by university authorities for violation of university rules and regulations or applicable law unless there is reasonable administrative cause to believe that a resident is using his/her room for purposes in
violation of university rules or regulations, or in violation of this Contract and unless a certificate authorizing the search has been issued and signed by the Vice President of Student Affairs. The certificate shall state the source of information, the violation, the location of the search, the materials to be seized or information sought and the name(s) of the person(s) authorized to conduct the search. The foregoing does not apply to searches conducted by local or William and Mary Police. Such searches are governed by the Code of Virginia.

Insurance
The university is not responsible or liable for any loss or damage to property resulting from fire, theft, casualty or any cause, or for personal injury occurring within the leased premises, except as may be required by Virginia law. It is strongly recommended that personal property insurance be obtained by each student.

Prohibited Items in the Residence Halls
Some examples of items not permitted in the residence halls are listed here; however, this list is not necessarily all-inclusive: animals (excluding fish and service animals), non-fused extension cords, outside antennas, bread machines, candles, incense, ceiling fans, chain locks, crock pots, dead-bolt locks, explosives, firearms, fireworks, gasoline and other combustible liquids, hot pots that are not thermostatically controlled, immersion coils, incense, oil lamps, open flames, space heaters, torcheire-style (pole) halogen lamps, waterbeds and weapons. Live cut Christmas trees, as mandated by the State fire code, are not permitted in the residence halls.

A. Prohibited Items in Student Rooms. The following kitchen appliances are prohibited in student rooms, but may be used in residence hall kitchens: hot plates, toaster ovens, broilers, George Foreman Grills, electric skillets/woks and other portable electric cooking devices.

B. Prohibited Activity in Student Rooms. Residential facilities and student rooms/apartments may not be used to conduct a business.

Rates
The resident agrees to pay the College in advance, on a semester basis (including the summer session for Tribe Square residents), the rent established for the room which is assigned. The initial rate for the assigned space at which the resident is billed for the assigned space (except for clerical error) is guaranteed for the entire academic session unless: (1) the occupancy level of the room changes or (2) the resident changes to another room and the rate for the new room is different. Then a refund or additional payment may be required. These procedures exclude graduate students living at the Graduate Complex who choose to pay by installments. Room rates will be prorated on a daily basis for students acquiring on-campus housing more than two weeks after the first day of occupancy. Room rates are not based on the presence of air-conditioning.

Refund/Forfeiture Policies
If the resident withdraws from College during the course of the semester, refunds of the room rent will be prorated based on the date the resident officially checks out of the room with the required paperwork completed by a Residence Life staff member. Residents who are required to withdraw by the College because of a failure to meet obligations under the Housing Contract or for other reasons, who are removed from the residences, or who, while remaining enrolled at the College, move out of the residence halls are financially obligated for the remainder of the semester.

Room Changes
Residents may not move from one room to another without prior written consent from Residence Life. Violation of this requirement will result in a $25 charge (the resident will be required to move back into the original assignment) and is a violation of this Contract which may result in a referral to the Office of the Dean of Students. See Discrimination Clause.

A. Room Change Dates. The room change process begins one week after the first day of classes in the fall and continues through the spring semester.

B. General Room Changes. Students interested in changing rooms should go to Residence Life (212 Campus Center) once the room change period begins to complete the Room Change Request
Changes are typically approved on a first come, first served basis, but may be made based on the individual circumstances involved. Once a change has been granted, students should complete their move within 48 hours. Exceptions to the 48-hour provision may be authorized for good cause by the Associate Director.

C. **Direct Room Switches.** A direct switch is when two residents of the same residence hall area exchange room assignments. Area Directors may approve direct switches during the academic year. Room changes into vacant spaces or into another residence hall area must follow the General Room Change guidelines. Direct room changes (person for person) over the summer will be honored during the month of June provided that all students involved provide written or e-mail (from the student’s William and Mary account) agreement to Residence Life between June 1 and June 30 and there are no vacancies involved. Direct room switches involving special interest housing will require approval from the academic department overseeing the house. Otherwise, requests for room changes will not be accepted until one week after the first day of classes at the beginning of the fall semester.

D. **End of Fall Semester Room Changes.** At the end of the fall semester, there are a substantial number of room changes. Individuals who change rooms must officially check-out of their old assignment before the halls close for the semester break and will be given instructions at the time they sign the room change approval paperwork.

**Room Reservation Deposit**

The $200 Room Reservation Deposit will be credited toward the fall room rent charge due to the College. Failure to pay the deposit by the stated deadline will make the student ineligible to participate in the room selection process. Please note that payment of the deposit is the responsibility of the student. Bills and reminders concerning the Room Reservation Deposit are not sent to parents.

A. **Currently Enrolled Students.** To request a room in a College residence for the following academic year, a currently enrolled student or a student readmitted by the Dean of Students before the deposit deadline must pay a $200 deposit by the advertised deadline date and sign or electronically accepted a contract with the College at the time of assignment to a room. This $200 Room Reservation Deposit serves as the student’s indication that he/she wishes to reside in College housing. It is NONREFUNDABLE except in the event the resident transfers (must submit copy to Residence Life of acceptance letter), gets married (a copy of the current marriage certificate is required for verification), is academically dropped, is selected to participate in an approved Semester Study Away program, is unable to enroll due to illness, or is temporarily wait listed from the Room Selection Process. A person who is wait listed from the Room Selection Process can take one prospective roommate with him/her to move off campus as long as they request a refund together and apply by the stated deadline.

Residence Life MUST be notified before the first day of classes that a resident has transferred, married or will be participating in an approved Semester Study Away program. This notification is necessary to cancel the contract and refund the $200 deposit. If notification is not received by the first day of classes, the $200 deposit shall be forfeited and other charges may apply.

B. **Transfer/Returning/New Students.** Once a student has received an offer of campus housing, he/she must submit their electronic Housing Contract to secure the Housing assignment.

**Room Responsibility**

Residents are responsible for the security of their room/apartment/Lodge. Residents are encouraged to keep their room doors locked when they are away from the room or sleeping and are discouraged from leaving guests unattended in their room/apartment/Lodge. Residents will be presumed to be responsible for any violations that occur in their assigned residence space.

**Safety and Security**

A. **General Safety**

1. The College cannot guarantee the safety and security of the premises. Residents are responsible for their personal security and that of their belongings within College facilities.

2. Due to the risk of injury and property damage, residents are prohibited from planning and/or participating in events and activities that involve the use of water and water devices within or adjacent to campus residences, i.e. swimming pools, water balloons, water guns, or slip-n-slides.
3. Computerized I.D. access or other security systems are provided in the residence halls for the protection of the residents. While the College is in session, the exterior doors to the residence halls will be controlled to restrict access to residents and guests. Access to residences by non-residents may be restricted to earlier hours, if the Residence Hall Council decides, or if the College determines that this is necessary for safety and security reasons.

4. Residents may not engage in any activity which creates a safety risk or which jeopardizes the security of the premises, including but not limited to, the propping of exterior doors and the removal of window screens.

5. For safety reasons, the roofs, porches, window ledges, unfinished attics and mechanical equipment rooms of all College buildings are restricted areas and may not be accessed.

6. Individuals observed in the hall who are not residents or guests should be reported immediately to a Residence Life staff member or William and Mary Police.

B. Electrical Safety

1. Permanent electrical circuits cannot be altered by occupants or anyone not authorized by the College.

2. Appliances, lamps, power cords and other electrical equipment with damaged, worn, spliced, cracked, or frayed cords and plugs must be replaced.

3. All lighting fixtures must use only light bulbs of type and wattage as recommended by the manufacturer. Lamp shades must also meet manufacturer specifications for the specific fixture.

4. Electrical cords or other communication cables may not be installed under carpets, hung over nails or run through doorways and windows.

5. The following are prohibited in residence hall rooms: multi-plug adapters (the type that are affixed directly to the wall outlet), cube adapters, non-fused plug strips or items such as air fresheners that include an outlet on them.

6. Grounded re-locatable power taps or surge protector strips with heavy duty cords and a “reset” switch will be the only allowable receptacle extensions from wall outlets. Each power tap will be connected directly into a wall receptacle and they shall not be plugged into one another.

7. Non-fused extension cords and flexible cords are prohibited in Residence Hall rooms.

8. No power cord, of any type, shall be extended through walls, ceilings or floors, or under doors or floor coverings, nor shall any cord be subject to environmental damage or physical impact.

C. Fire Safety

1. Open flames (from any source) and burning materials of any kind are absolutely prohibited in the residence halls.

2. The integrity of all ceilings, floors and walls must remain intact and not be disturbed. Ceiling tiles are not to be removed, disturbed or broken – nor should items be stored above a drop ceiling. Also, light fixtures must have proper globe or deflector in place. Any open bulb fixtures are a fire hazard and should be reported.

3. Additional wall coverings (e.g. paneling, wallpaper, etc.) cannot be installed by occupants.

4. According to Virginia State Fire Code, candles and incense are prohibited in residence halls, even if such items are unlit or being used for decorative purpose only.

5. According to Virginia State Fire Code, no more than 10% of a residence hall room’s wall surface area may be covered by potentially flammable objects. This includes but is not limited to posters, framed pictures, photos, flags, tapestries or any other decorative objects that are mounted on the wall. Residents in residence hall rooms that approach or surpass this 10% level may be required to remove items as necessary to comply with state fire safety requirements. In addition, wall hangings cannot contact electrical outlets or come closer than 12 inches to the heating unit. All ceiling decorations are prohibited.

6. Window decorations other than college furnished shades, drapes or blinds may be used but must carry a recognized fire rating and be constructed of fire retardant material.

7. Living areas must be kept uncluttered and access to the doors clear. Hallways and stairways must remain clear and unobstructed.

8. At no time may the maximum capacity restrictions of a room, apartment, or lodge be exceeded.
9. Residents may make use of the working fireplaces in the following areas: DuPont, Graduate Complex building 800 lounge, Sororities (with the exception of the 2nd floor fireplace in House 1), Lodges, Tazewell and Taliaferro.
   a. Fires in fireplaces should never be unattended.
   b. There should always be a fire extinguisher present in the vicinity when there is an attended fire in the fireplace.
   c. The use of chemical fire starters is prohibited.

Smoke-Free
Complying with the requirements of the Commonwealth of Virginia and in accordance with the College of William & Mary’s smoking policy, all residence halls, apartments, and houses are smoke-free. Residents, guests and employees must refrain from smoking at any time they are physically present in the building, including private residence rooms and within a 25-foot radius surrounding all college owned and operated facilities.

Storage
A. Academic Year Storage. The College will not store College furnishings outside the resident’s room. Personal belongings in stackable containers may be stored in approved storage areas of selected residences during the academic year at the sole risk of the owner/user. Personal property left in hallways, stairwells and lounges will be considered abandoned property and will be discarded. The College is not responsible for any damage, deterioration or loss and makes no representation, express or implied, as to the fitness of the premises. All personal belongings must be removed from these storage areas at the end of the regular academic school year. It is agreed that personal belongings not removed from student rooms or storage areas may be discarded or auctioned by the College at the end of the regular academic year.

B. Summer Storage. Summer storage is very limited and restricted to the area designated by Residence Life. All stored items must be in stackable containers labeled with name, residence hall address and date of pickup. Refrigerators, bicycles and lofts may be stored but loft frames must be disassembled, securely bundled and labeled. Personal property left in hallways, stairwells and lounges will be considered abandoned property and will be discarded. Access to items stored over the summer may not be gained until the official opening of the residences in the fall. No carpets, rugs, mattresses, sofas or chairs (or any other furniture items) may be stored. Absolutely no combustible, flammable or explosive items are permitted in storage areas. The College will discard or auction items not removed from these areas by the publicized date in the fall semester and the owners may be charged for the removal of such items.

Subletting
Students may not transfer this Contract or sublet the assigned room to another party.

Vacancies
Residence Life reserves the right to fill all vacancies. If a space becomes available in a room because a roommate has not been assigned or a roommate moves out, Residence Life reserves the right to fill the vacancy. If spaces are not needed after October 15 (fall) or March 6 (spring), the resident may request to continue to live in the room at an increased rate for the balance of the semester and be assured that the College will not assign someone to that space.

A “double as single” rate shall be charged equal to the cost of the current rate plus the prorated amount of onehalf the cost of the remaining half of the room.

Residents who engage in conduct designed or intended to dissuade or intimidate other students from moving into a room or who otherwise attempt to manipulate the housing assignment process may be subject to conduct action. This includes not responding to phone, e-mail or other attempts to make contact.

Vacation Periods
The residences, with the exception of graduate housing and Tribe Square, are not open for occupancy during the Semester Break. In addition, only selected buildings are open for the Thanksgiving
Break (Cabell, Graduate Complex, Living Learning Communities in the Randolph Complex, Lodges, Ludwell, Nicholas, Reves, Tazewell, Tribe Square and all Fraternity and Sorority Houses). Students are encouraged to plan ahead and make alternate arrangements during this time (10 a.m. on Wednesday, November 20 through 9 a.m. on Sunday, November 24). Residence halls remain open during both fall and spring breaks.

Additional Provisions
If the premises become uninhabitable because of fire, strike, earthquake, accident, flood, riot, emergency; act of God or any reason beyond the control of the College, the College of William and Mary is no longer obligated to provide housing and the student will not be required to pay rent for the time remaining on this Contract. Residence Life will attempt to identify and provide alternate housing for each student affected. A refund of the room rent will be made (in accordance with the schedule printed in the College Catalog) if the student chooses not to accept alternate housing offered by the College or if the College is unable to offer alternate housing. Should any of the conditions described above result in damage or loss to personal property, loss of other items of value, or if there is any other resulting expense, the College will not be responsible.

Nothing in this document proscribes or limits the authority and power of the Board of Visitors of the College of William and Mary to establish policy, rules and regulations, which shall be applicable upon their effective date and operate prospectively unless otherwise stated.

Further, the College reserves the right to make reasonable modifications to this Contract to insure personal safety or protection of property, provided reasonable advance notice is given.

Policies
A. Air Conditioning. Room rates are not based on the presence of air-conditioning. To help maintain low utility costs, all central air-conditioning in the residences will be turned off on or about October 15 of each year. The following guidelines will be used to determine the exact date of shut-down: three consecutive days of daily temperatures no higher than 68 degrees and/or nighttime temperatures no higher than 50 degrees and a downward or stable trend forecast for seven days. All central air conditioning will be turned off by November 1st regardless of weather. Air conditioning will be turned on in the spring on or about April 15. The following guidelines will be used to determine the exact date of start-up: three consecutive days of daily high temperatures higher than 70 degrees and/or nighttime temperatures no lower than 60 degrees. All air conditioning will be turned on no later than April 20 regardless of weather. The following buildings have central air: Bryan Complex (Bryan, Camm, Dawson, Madison, Stith), DuPont, Graduate Complex, Jamestown North, Jamestown South, Jefferson, Lodges, Ludwell Apartments, Fraternity Houses, Old Dominion, Randolph Complex (Cabell, Giles, Harrison, Page, Pleasant, Preston, Nicholas, Tazewell), Reves, Tribe Square and Yates. The Botetourt Complex (Spotswood, Fauquier, Nicholson, Gooch and Dinwiddie) and Taliaferro have air-conditioned lobbies off the first floor. The rest of the residence halls are not air-conditioned.

B. Window Air Conditioners
1. Room air conditioners are not permitted unless a medical exemption is provided by the Student Health Center to Residence Life prior to installation. Students should ask their physician to provide the Student Health Center with medical documentation of need for air conditioning, which must include the medications a student is currently taking.

2. Students must provide their own air conditioning unit, which must either be installed or inspected by staff from Facilities Management. Requests to schedule installation/removal of air conditioning units must be submitted in writing.

3. Only one air conditioner is allowed per student room. Room units must be wired for 110-120 volts and should not exceed 6,000 BTUs.

4. Failure to remove unapproved units may result in College judicial action.

5. Air conditioners are not permitted in the first floor of student rooms in Sorority Houses due to the presence of security screens.

6. Window size restrictions: Approximate heights of windows in Botetourt Complex are 17 inches, Randolph Complex window height is 20 inches and Fraternity Complex windows are non-standard sizes.
C. Animals/Pets. To preserve the health and safety of the residents, only fish in bowls or aquariums (no larger than 20 gallons) and service animals are permissible in student rooms or student apartments. In addition, since the College of William and Mary presumes that non-human life has its own intrinsic value; it calls on its students to refrain from activities which might prove needlessly harmful or wantonly cruel to animals.

D. Appliances. The College’s residence halls are of varying design and construction type. The College reserves the right to impose reasonable requirements with respect to the type and use of appliances, equipment and other items students bring into the residence halls. Residents are strongly urged to use appliances that are Energy Star compliant. (See Prohibited Items in Housing Contract Terms and Conditions.) Non-fused extension cords and flexible extension codes are prohibited in Residence Hall rooms.

1. Refrigerators. Refrigerators no larger than 4.3 cubic feet and Energy Star rated are permitted in residence hall rooms.

2. Microwave Ovens. Microwave ovens (without convection oven options) are permitted in residence hall rooms.

3. Other Approved Appliances. Hot air popcorn poppers and Underwriters Laboratory (UL) listed and thermostatically controlled (switches the power off if the appliance overheats) hot pots and coffee makers are permitted.

4. Appliances in Apartments. Apartments are furnished with refrigerators and stove/oven units. Apartment units with kitchens may be furnished with other kitchen appliances.

E. Bicycles. All students are required to register their bicycles with William and Mary Police. Bicycle registration is free, takes only a few minutes, and can be done 24 hours a day at the William and Mary Police station. Bicycles must be parked in bicycle racks and should always be locked, even when left for a short period, to reduce the potential for theft. Bicycles found locked to stairways, handicap ramps, in common areas or in violation of fire code are subject to being ticketed and immediately impounded at the owner’s expense. Bicycles may not be kept in buildings when school is in session; however, students may store their bicycles in their residence hall rooms during breaks in the school year.

F. Capacity Numbers. Based on fire safety; maximum room, apartment, and lodge capacities are as follows and should never be exceeded.

G. Decorations Policy. Residents are permitted to decorate rooms, hallways and common areas as long as they adhere to the following policies:

1. Smoke detectors, sprinklers, fire alarms and light fixtures must remain uncovered. Residents must not drape or attach decorations to these items.

2. Decorations must not obstruct hallways, fire exits, exit signs and access to fire safety equipment.

3. Free-standing or table top decorations are permitted. When hanging items in common areas, the use of tape, tacks, nails or staples to attach decorations to walls, ceilings and doors (including room doors) is not permitted. Decorations may be applied to bulletin boards as
long as they comply with the other policies listed here.

4. All light bulbs and light strings generate enough heat to ignite paper and cloth. Residents must ensure that light bulbs and light strings do not come into contact with anything flammable.

5. All lighting to decorate trees or rooms must be UL approved. String lights or light ropes can be used to decorate student rooms. Decorative lights must either be plugged directly into an outlet or into a surge protector. Residents may run decorative light strings in series up to three strings per outlet. The use of string lights in common areas is prohibited unless they are being used on a tree or they are battery powered. No crimping of cords may occur, so don’t run cords under doorways or windows.

6. For everyone’s safety, lights must be turned off when the area is unattended.

7. Use of live garland, greenery, wreaths, leaves, twigs, bamboo, branches, hay or sand as decoration is prohibited. Floors must not be covered with any material other than carpet or rugs.

8. Artificial trees may be used in residence hall rooms, lounges, lobbies or living room areas; however, live, cut trees are prohibited by state fire code.

9. All decorations must be removed after the specific function or, in the case of holidays, prior to residence halls closing for semester break. Decorations left during the semester break in common areas will be removed and discarded and the hall/group responsible for the decorations may be billed.

H. **Discrimination Clause.** Room, roommate, and room change assignments are made without regard to race, creed, religion, national origin, political belief, sexual orientation, disability, veteran status and all other categories ensured by the Commonwealth and by federal law.

I. **Lockouts.** Students locked out of their room should contact a Residence Life staff member for admittance to the room or follow other instructions as provided. Students must provide proof of residency (student I.D. number). Students will only be admitted to their assigned rooms. A 7-day loan key is available at the Duty Office if the key is temporarily misplaced.

Replacements for lost or temporarily misplaced keys may also be obtained from the Residence Life office during normal weekday working hours or by calling 757-221-6525 on weekends.

J. **Core Changes.** If the residents of the room are present during the core change, they may sign for their new key(s) from the locksmith. If residents are not present, a note will be left by the locksmith indicating that the new keys will be available in Residence Life until 5 p.m. the day of the change or after 7 p.m. in their area duty office.

1. **Non-Emergency Core Changes.** Loaned keys not returned to the duty office by the end of the 7-day period will result in a non-emergency core change. The student account of the resident who checked out the loaned key will be billed the $40 per core for the change. Non-emergency core changes are done on Wednesdays except during finals.

2. **Emergency Core Changes.** An emergency core change may be requested in their duty office by the student if their original key is lost or stolen and changing the lock cannot wait until the next scheduled core change day. The student account of the student requesting the emergency core change may be billed the $40 per core for the change.

K. **Lofts.** Residents may construct lofts in their rooms. The following rules and regulations will be adhered to concerning construction, use and disassembly of lofts in residence halls:

1. A loft is defined as a free standing platform intended to provide a sleeping surface only. Large structures that cover more than two-thirds of the room or are intended to add a second level to a room are not allowed.

2. Before constructing a loft, a resident must read and sign a “Waiver of Liability” available in area Duty Offices.

3. While the loft is being constructed or dismantled, hallways, doors or window areas must not be blocked with lumber, furniture, fixtures, etc. Doors and windows must never be obstructed.

4. **Construction Guidelines:**
   a. Lofts must be free-standing. Bolts, nails, chains, etc. cannot be sunken, attached or adhered in any way to the walls, floors and/or ceilings to support the loft.
b. Desks, dressers, wardrobes, etc. must not be used to support the loft.

c. Lofts must not be larger than 90” x 48”. Lofts must also be constructed in such a way as to allow 36” clearance between the top of the mattress and an 8’ or 9’ ceiling. In rooms with ceilings over 9’, bunk beds or lofts may not exceed 7’ in height.

d. In a room with more than one loft, no more than two lofts may be attached to each other to increase structural integrity. Lofts may NOT be attached for the purpose of adding a second room level.

e. Lofts must be located and constructed in such a way that they do not interfere with access to windows, air conditioning, heating or plumbing units, smoke detectors or other items requiring periodic maintenance and do not interfere with or obstruct egress from the room in case of emergency.

f. Attached room fixtures (ceiling tiles, lights, electrical outlets or switches, air conditioning/heating covers, smoke detectors, shades, etc.) must not be removed or relocated as a result of loft construction, use or disassembly.

g. A ladder must be permanently attached to the loft and should be used for mounting and dismounting the loft.

5. Residents of the room assume responsibility for any damages resulting from any cutting, sawing, painting or staining done in the residence halls.

6. College beds, mattresses, desks, dressers, chairs, etc. must not be removed from the room.

7. Lofts must be completely dismantled and removed from the room when the occupants vacate the room, either by changing rooms during the year or upon final check-out at the end of the fall or spring semester. At that time, the room should conform to the original room condition with all furniture assembled as it was upon check-in. Failure to dismantle and remove all materials or re-assemble college furnishings will result in assessment of labor and replacement costs to residents of the room.

8. In the case of a mid-semester or midyear check-out or room change, lofts belonging to the departing resident of a room may be left standing only if the new occupant of the room agrees to accept the loft and provides the Area Director with a signed “Waiver of Liability” form.

9. Lofts are subject to periodic inspection by the staff from Facilities Management for compliance with the aforementioned guidelines. Residents whose lofts do not meet these guidelines will be required to modify or replace their loft.

10. The following tips can assist in the safe use of lofts:

   a. Tighten all bolts regularly.

   b. Bed rails should be provided to help prevent falls.

   c. Do not decorate lofts with flammable materials. Electrical appliances should be kept and used away from the loft.

   d. Clip-on reading lights should be mounted at least 24” away from the mattress or pillow. This has been a common cause of room fires in the past at the College.

L. Painting Rooms. Student rooms are painted in an off-white color on a rotating schedule. Students may not paint their rooms in any other color, or add murals or border designs to their room walls or ceilings. Students who wish to touch up their walls may pick up the approved off-white, semi-gloss latex paint from Residence Life (212 Campus Center). Brushes, rollers, drop cloths, etc. will be provided by the resident.

M. Quiet Hours. Under the policy of Self-Determination, quiet hours are determined by each community and approved by the Residence Hall Council.

2. **Student Involvement in Self-Determination.** Students in residence halls exercise the responsibility of self-governance through the Residence Hall Councils. The residents develop rules and guidelines which pertain to the maintenance of a clean and orderly environment in the residence hall, the maintenance of reasonable quiet, the regulation of conduct which infringes on the rights of other residents or which restricts the use of common areas, the assurance of a reasonable level of safety and security and the regulation of visitation of guests.

3. **Governance Function of the Council**
   a. Exercising the principle of Self-Determination, the Residence Hall Council has the responsibility to determine rules and guidelines governing common areas, both those
rules and guidelines for residents and the policies for allowing outside groups to use residence hall space. The Council also has the responsibility to clearly outline consequences for failure to abide by established rules and regulations. Until the elected Residence Hall Council is functioning at the beginning of the fall semester, rules and guidelines developed during the preceding academic year will be in effect. The Residence Life staff will be responsible for making these policies known.

1) No rule or guideline may be established which is inconsistent with or contrary to the rules, regulations and policies of the College. Rules may be established that are more stringent than the general provisions of the College. In addition, the Residence Hall Council may permit the residents of a floor or section of a residence to elect hours of access or visitation or to establish other regulations more restrictive than those employed by the remainder of the residence hall.

2) All rules and guidelines established by the Residence Hall Council must be approved according to the provisions stated in the respective constitutions.

3) Any rule or guideline shall be subject to a referendum according to the provisions stated in the respective constitutions.

4) All rules and guidelines established by the Residence Hall Council will be reviewed by the Residence Life Staff. Copies of all rules and guidelines shall be posted in the residence hall and also be on file in the Residence Life Office.

b. Community Agreements should cover areas such as quiet hours, visitation regulations, use of unit lounge, kitchen and hallway space, and mutual expectations of unit residents. All residents of a living unit are expected to participate in the development of the Community Agreement and sign the completed agreement. A copy of each Community Agreement shall be posted in the living unit, and a copy kept on file in the Residence Life office as well.

1) The Community Agreement may be amended at any time. Any resident of a living unit may call a unit meeting to discuss modification of the Community Agreement.

The Residence Hall Council has the authority to levy charges against users of area property, equipment or furnishings and for damage to or misuse of same.

4. **Recommendation of Physical Improvements.** The Residence Hall Council has the responsibility to represent the residents of the unit in matters which pertain to needed and desired physical improvements in the residence. The Council may designate funds for the purchase and/or refurbishing of furniture, recreational equipment and other items based on residents’ needs and interests. The Residence Hall Council has the authority to establish policies regulating the use of such furniture and equipment.
