

APPLICATION FOR FACULTY RESEARCH GRANTS

DEADLINE: March 15, 2013

Use the following application for Summer Research grants, Inter-institutional Collaboration grants, and Transition grants

Instructions: Submit one complete electronic copy (in a single pdf file) to wandmwise@gmail.com. The application will consist of (1) this application cover sheet, (2) a 2-3 page research proposal, and (3) a current curriculum vita. For Inter-institutional Collaboration grants a detailed budget must also be included. For collaborative applications, include a brief (500 word) description of the role of the collaborator and also include the collaborator's vita. Failure to follow instructions may result in an unsuccessful application. Any information in the application that is found to be inaccurate will cause the application to be removed from consideration.

Questions should be addressed to Pamela Hunt (pshunt@wm.edu) or Catherine Forestell (caforestell@wm.edu).

Please provide the following information, typed and in the spaces provided, on this cover page.
