

PERSONAL INFORMATION

Name: Stephanie (“Anya”) Lunden
Office Address: Tucker 012
Office Phone: 221-3963

Email: lunden@wm.edu
Website: <http://wmpeople.wm.edu/site/page/sllund>
Date: December 26, 2017

Position: Assistant Professor
Department: English

EDUCATION

Ph.D. in Linguistics, 2006 / University of California, Santa Cruz
M.A. in Linguistics, 2003 / University of California, Santa Cruz
B.A. in Linguistics, 1998 / University of California, Irvine

ACADEMIC POSITIONS

2012-current Assistant Professor of English, College of William & Mary
2010-2012 Assistant Professor of English, University of Georgia
2006-2010 Visiting Assistant Professor of English, College of William & Mary

COURSES TAUGHT

ENGL/LING 220/ANTH 204 Study of Language (F06, S07(2), F07(2), F08, S09, F09(2), S10; F12, S13, F13, F14, S16, F16, F17)
ENGL/LING 304 Generative Syntax (F08, F17)
ENGL/LING 307 Phonetics & Phonology (S07, F08, S08, S09, S10; S14, F14, S15, S16, S17)
ENGL/LING 404/ANTH 412 Historical Linguistics (S09; F12, F13, F16)
LING 407 (previously ENGL/LING 464/474) Advanced Phonetics & Phonology (F06, S08, F09; F13, S14, S15, S17)
INTR 480 Independent Study (F07, S09; F13)
INTR/ LING 495, 496 Honors (see list at end of cv)

FELLOWSHIPS AND GRANTS

Awarded by William & Mary

- William & Mary Summer Research Grant, 2014, 2013
- WISE Summer Grant, 2014

RESEARCH

- * denotes undergraduate student co-author from William & Mary
- † denotes (other) undergraduate student co-author
- ** denotes graduate student co-author from William & Mary
- †† denotes (other) graduate student co-author

Refereed Articles

Lunden, Anya, Jessica Campbell, * Mark Hutchens,* and Nick Kalivoda.†† 2017. An investigation of the presumed relation between vowel length contrasts and phonetic cues to stress. *Phonology* 34: 565—580.

Lunden, Anya and Kelsey Renoll.* 2017. Position and stress as factors in long distance metathesis. *The Linguistic Review* 34: 615—634.

Lunden, Anya. 2017. Duration, vowel quality, and the rhythmic pattern of English. *Laboratory Phonology* 8: 1—20.

Bernadini, Francesco, **A. Lunden**, Michael Covington, Beth Broussard, Brooke Halpern, Yazeed Alolayan, Anthony Crisafio, Luca Pauselli, Pierfrancesco M. Balducci, Leslie Capulong, Luigi Attademo, Emanuela Lucarini, Gianfranco Salierno, Luca Natalicchi, Roberto Quartesan, and Michael T. Compton. 2016. Associations of acoustically measured tongue/jaw movements and portion of time speaking with negative symptom severity in patients with schizophrenia in Italy and the United States. *Psychiatry Research*, 239: 253-258.

Lunden, Anya. 2013. Reanalyzing final consonant extrametricality: proportional theory of weight. *Journal of Comparative Germanic Linguistics* 16: 1–31.

Covington, Michael A., **S.L. Anya Lunden**, Sarah L. Cristofaro,† Claire Ramsay Wan, † C. Thomas Bailey†, Beth Broussard, Robert Fogarty†, Stephanie Johnson,† Shayi Zhang† and Michael T. Compton. 2012. Phonetic measures of reduced tongue movement correlate with negative symptom severity in hospitalized patients with first-episode schizophrenia-spectrum disorders. *Schizophrenia Research* 142: 93–95.

Conference chapters based on peer-reviewed abstracts

Lunden, Anya. Explaining word-final stress lapse. To appear. In *The Study of Word Stress and Accent: Theories, methods and data*. Goedemans, R.W.N, J. Hienz, and H. van der Hulst, eds. Cambridge University Press. 24 pages. [Talk given at the Workshop on Word Stress and Accent, Leiden August 15-17 2014 (31% acceptance rate.)]

Conference Proceedings based on peer-reviewed abstracts

Lunden, Anya. 2017. Syllable weight and duration: A rime/interval comparison. In *Proceedings of the Linguistic Society of America 2*, pp 1-12. [Talk given at the LSA Annual Meeting, Austin, TX, January 5-8, 2017.]

Ament, Erin and **Anya Lunden.** 2015. Experimental evidence for the syllabic role of word-final consonants. In *Proceedings of the Poster Session of the 33rd West Coast Conference on Formal Linguistics*. Published online by Simon Fraser University Working Papers in Linguistics 5 at <http://www.sfu.ca/gradlings/working-papers/working-papers-vol--5.html>. pp 1-7. [Poster given at WCCFL 33, Simon Fraser University, March 27-29 2015.]

Lunden, Anya and Nick Kalivoda. †† 2014. Oddities of Yidij stress revisited. In *Proceedings of the 2013 Annual Meeting on Phonology*. Published online by the Linguistic Society of America at <http://journals.linguisticsociety.org/proceedings/index.php/amphonology/issue/view/1>. pp 1-8. [Poster given at AMP 2013, University of Massachusetts, Amherst, November 9-10, 2013.]

Deschenes,* Nick and **Anya Lunden.** 2013. Abolishing the lapse asymmetry. In *Proceedings of the North East Linguistic Society 41*, pp 157–161. [Poster given at NELS 41, Philadelphia, PA, October 22-24, 2010 (14% acceptance rate).]

Lunden Anya. 2011. The weight of final syllables in English. In *Proceedings of the West Coast Conference on Formal Linguistics 28*, pp 152–159. [Talk given at WCCFL 28, University of Southern California, February 19-21, 2010 (10% talk acceptance rate).]

Lunden, Anya. 2011. Evidence for conjoined constraint disjunction in Creek. In *Proceedings of the 39th Annual Meeting of the North East Linguistic Society*, eds. Suzi Lima, Kevin Mullin, and Brian Smith, pp 571–584. Amherst: GLSA Publications. [Talk given at NELS 39, Cornell University, November 7-9, 2008.]

Hogoboom, Anya. 2004. Definition of the base. In *Proceedings of the Twenty-Ninth Annual Meeting of the Berkeley Linguistics Society*, eds. Pavel Nowak, David Mortensen, and Corey Yoquelet, pp 173–183. University of California, Berkeley. [Paper presented at BLS 29, University of California, Berkeley, February 14-17, 2003.]

Books

Lunden S.L. Anya. 2010. *A Phonetically-Motivated Phonological Analysis of Syllable Weight and Stress in the Norwegian Language*. Edwin Mellen Press, Lewiston, New York.

Invited Scholarly Talks and Papers

Lunden, Anya. 2015. Motivating stress system asymmetries through rhythmic perception. Guest speaker at University of Indiana, Bloomington Linguistics Department, September 18.

Lunden, Anya. 2014. Motivating Stress system asymmetries. Invited talk for the Conference on Word Stress and Accent held in Leiden, NL, August 15.

Lunden, Anya. 2008. Reanalyzing Norwegian stress: A footless analysis. Guest speaker at University of North Carolina, Chapel Hill Linguistics Department, November 21.

Non-refereed publications

Lunden, Anya and Nick Kalivoda††. Stress Correlates Database. Available at: <https://docs.google.com/spreadsheets/d/1bKhU7y6SoOvLOZOf3eIVJF-AHkj17T0aamffgueUgA0/edit?usp=sharing>, linked from <http://wmpeople.wm.edu/site/page/sllund/stresscorrelatedatabase> (Note: Most but not all information in the database in spring 2017 was frozen as appendix to article “An investigation of the presumed relation between vowel length contrasts and phonetic cues to stress” to appear in *Phonology*.)

Scholarly Papers or Talks [those in *Proceedings* volumes omitted]

Lunden, Anya. 2018. Durational cues to stress, final lengthening, and the perception of rhythm. Poster given at the Annual Meeting of the Linguistics Society of America, Salt Lake City.

Lunden, Anya. 2017. Stress avoidance in hiatus. Poster given at the 2017 Annual Meeting on Phonology at NYU.

Lunden, Anya, Vera Lee-Schoenfeld, and David Kilpatrick*. 2016 Phonetic realization of two-argument VP I-Topics in German. Talk given at Tone and Intonation in Europe, University of Kent, September 1-3.

Henshaw, Anna* and **Anya Lunden.** 2016. Consonant and vowel cues affecting the perception of Korean obstruents. Poster given at the Annual Meeting of Linguistics Society of America, Washington D.C. January 7-10.

Anya Lunden. 2016. Finding secondary stress in Norwegian. Poster given at the Annual Meeting of Linguistics Society of America, Washington D.C. January 7-10.

Lunden, Anya. 2015. Phonetic motivation for final stress lapse. Talk given at MidPhon 20, University of Indiana, Bloomington, September 11-12.

Lunden, Anya. 2015. Phonetic motivation for final stress lapse. Poster given at Phonetics & Phonology in Europe, University of Cambridge, June 29-30.

Renoll, Kelsey* and **Anya Lunden.** 2015. Position and stress as factors in metathesis. Talk given at Phonetics & Phonology in Europe, University of Cambridge, June 29-30.

Lunden, Anya. 2015. Explaining final lapse. Talk given at the University of Kent, UK, English Language & Linguistics Research Day. June 9.

Lunden, Anya and Anna Marry.* 2015. Effects of stress-based rhythm on unstressed syllables. Poster given at the 23rd Manchester Phonology Meeting, May 28-30.

Lunden, Anya and Nick Kalivoda. †† 2013. Right edge lapses, stress cues, and final lengthening. Poster given at the 21st Manchester Phonology Meeting, May 23-25.

Deschenes**, Nick, Nick Kalivoda†, and **Anya Lunden.** 2012. Evidence for final lengthening as prominence. Poster given at the West Coast Conference on Formal Linguistics 30, UC Santa Cruz, April 13-15 (15% acceptance rate).

Lee-Schoenfeld, Vera, and **Anya Lunden.** 2012. The syntax and prosody of German 'vP'-fronting. Extended abstract published by the Linguistic Society of America at <http://elanguage.net/journals/lsameeting/issue/view/335>. Talk given at the LSA annual meeting, Portland, OR, January 5-8 (38% acceptance rate), and at the DGfS workshop on the Interaction of Prosody and Syntax, Frankfurt, Germany, March 7-9, 2012.

Lunden, Anya. 2012. Perception evidence for the proportional increase theory of weight. Extended abstract published by the Linguistic Society of America at <http://elanguage.net/journals/lsameeting/issue/view/335>. Poster given at the LSA annual meeting, Portland, OR, January 5-8 (38% acceptance rate).

Deschenes**, Nicholas and **Anya Lunden.** 2012. Right-edge lapse has prominence alternation. Extended abstract published by the Linguistic Society of America at <http://elanguage.net/journals/lsameeting/issue/view/335>. Poster given at the LSA annual meeting, Portland, OR, January 5-8 (38% acceptance rate).

Lunden, Anya. 2009. Relating proportional increase in rime duration to syllable weight in English. Poster given at the LSA annual meeting, San Francisco, CA, January 8-11.

Lunden, Anya. 2008. The stress pattern of Norwegian: Evidence from novel words.

Poster given at the LSA annual meeting, Chicago, IL, January 3-6.

Lunden, Anya. 2007. What is behind NonFinality? Talk given at the Experimental Approaches to OT conference, University of Michigan, May 18-20, 2007.

Lunden, Anya. 2006. Explaining final consonant extrametricality: Norwegian case study. Talk given at the LSA annual meeting, Albuquerque, NM, January 5-8.

Lunden, Anya. 2004. Reduplicant placement, anchoring and locality. Paper presented at the South Western Optimality Theory (SWOT) workshop, University of California, Santa Cruz, May 14-15 2004.

PROFESSIONAL SERVICE

College-level

- Pre-major Advising. 2008-2010, 2013-current.

Department-level

- Member, budget committee, 2017-2018.
- Recorder, English department meetings. 2014-2015.
- Member, English department personal committee. 2013-2014.

Program-level

- Member, Linguistics Program personal committee. 2013-current.
- Member, LING 220 (Study of Language) Steering Committee. 2014-current. (Coordinate across different sections of 220, make and share resources, assist new instructors of the course.)
- Associate Director of Linguistics. 2014-2015. (Coordinated major advising, mentorship of non-tenure-eligible faculty, coordinating events with the Linguistics Club, etc)
- Chair, LING 220 (Study of Language) Steering Committee. 2014-2015.
- Member, ad hoc committee to establish procedures for honors in linguistics. Fall 2014.
- Member, search committee for non-tenure-eligible hire in Psycholinguistics. Spring 2014.
- Member, search committee for tenure-eligible hire in English/Linguistics. 2013-2014.
- Member, search committee for non-tenure-eligible hire in Psycholinguistics. Spring 2013.

Other at William & Mary

- Teaching Project participant. 2013-2014 (Advanced Phonetics & Phonology).
- Teaching Project participant. 2008-2009 (Generative Syntax).

- January Seminar organizer and participant (COLL 200), 2015.
- May Seminar participant, 2007.

Other Professional Service

(all dates are conference years; in some cases reviews occurred in the preceding calendar year)

Journals

- Reviewer, *Natural Language and Linguistic Theory*; 2017, 2016.
- Reviewer, *Lingua*; 2014, 2013.
- Reviewer, *Morphology*; 2013.
- Reviewer, *SKY Journal of Linguistics*; 2010.

Conferences

- Reviewer, Annual Meetings in Phonology; 2017, 2016
- Reviewer, Linguistics Society of America Annual Meeting; 2017, 2016, 2012.
- Reviewer, Phonetics and Phonology in Europe; 2017
- Reviewer, West Coast Conference on Formal Linguistics; 2016, 2015, 2014, 2013, 2012, 2010.
- Reviewer, North East Linguistics Society; 2011.

Grant proposals

- Reviewer, NSF research proposal, 2013
- Reviewer, NSF dissertation fellowship proposal, 2013

CONSULTING WORK

Paid Consultant for National Institute of Mental Health R21 grant awarded to Dr. Michael Compton and Dr. Sean Cleary, “Phonetic Measures of Reduced Tongue Movement Correlate with Negative Symptom Severity in Hospitalized Patients with First-Episode Schizophrenia-Spectrum Disorders.” 2013-2016.

HONORS THESES ADVISED

- Ambisyllabic consonant lengthening in English.
Alexa Rosalsky, 2017.
- Effects of rhythmic stress on unstressed syllables.
Anna Marry, 2015.
- Trends of loanword origins in 20th century Finnish.
Mirva Johnson, 2014.
- Phonetic knowledge as an aid to the perception of Mandarin Tone by second language learners. Jeffrey Ngare, 2014.
- Transparency, specification, and inventory asymmetry: Issues in Finnish vowel harmony. Nick Deschenes, 2010.
