W&M Pre-Vet Club!

WHAT ARE WE?
The W&M Pre-Veterinary Club serves to create a community for students interested in animal-related health careers. We connect students to the resources necessary for navigating prerequisite classes, gaining veterinary experience, learning about veterinary schools and the admissions process, finances, and what to expect from a career in the field.

ACTIVITIES
Getting involved within W&M Pre-Vet club!

- Animal experience opportunities through CW livestock!
- Shadowing opportunities through local veterinary clinics
- Volunteering opportunities through local humane societies
- Talks hosted by current veterinary students and practicing veterinarians
- Fundraising for CKI

HOW TO BECOME A MEMBER
